**Mark of Odin: The Awakening** Mar 17 2021 *Mark of Odin: The Awakening* is the first issue of the transmedia literary saga of Mark of Odin where Norse mythology meets modern warfare and science fiction in a way that will surprise you. Introduces a new literary model where you will be able to enjoy the fusion of a reading experience with the potential of an online platform with gamification features. All supported by a transmedia universe of extended content for all readers that want more once they finish the book. After reaching thousands of readers in Spanish, now Mark of Odin saga's first book is available in English. Are you ready to accept the challenge and awake to your real fate? Synopsis The year is 2012, Luis Oden is about to graduate as an Aerospace Engineer and he expects to be chosen to participate in the ambitious Project Hermes, to develop a new generation of space shuttles in the new European Aerospace Center of Seville, Spain. His life is seemingly perfect until he begins to suffer recurring nightmares where mighty beasts, that seem to come from the Norse mythology, assault and torture him urging him to wake up. But wake up to what? Meanwhile, Jack Preston, a Lieutenant Colonel from the USAF and responsible for the tests of the X-56 Phoenix, a

prototype of an orbital superiority combat jet fighter, is sent together with his crew to Seville to review the development of the Hermes program. There he will meet Luis when they are chosen to star the parachuting exhibition for the Columbus Day. Both Luis and Preston ignore it, but a dark menace is coming and only their choices will be able to give a chance to humanity to survive. **Odin** Mar 05 2020 From the Thorsdrapa to the Marvel Thor and Avengers movies, Odin, the dark and mysterious lord of Valhalla, looms over all of the ancient tales of the Vikings. With his brothers, he formed the world from the body of a giant and then went on to seek greater wisdom by sacrificing himself on a tree and trading one of his eyes with a witch. With this vast wisdom, he sits upon his throne, peering into the nine worlds, seeking anything that might threaten his people. He rides over the battles of mortal men, deciding who shall live and die, and collecting worthy souls to come feast in his hall until the war at the end of time. This book retells the greatest of Odin's stories, and then places those stories within their historical and mythological context. It follows the figure of Odin through the centuries, showing how different times and cultures reinterpreted him, and explores the reasons why he is still such a popular figure today.

**The Children of Odin** Oct 04 2022

**The Children of Odin** May 31 2022 From master storyteller Padriac Colum, winner of a Newbery Honor for *The Golden Fleece*, comes a collection of fifteen timeless tales inspired by Norse mythology. Before time as we know it began, gods and goddesses lived in the city of Asgard. Odin All Father crossed the Rainbow Bridge to walk among men in Midgard. Thor defended Asgard with his mighty hammer. Mischievous Loki was constantly getting into trouble with the other gods, and dragons and giants walked free. This collection of Norse sagas retold by author Padraic Colum gives us a sense of that magical time when the world was filled with powers and wonders we can hardly imagine.

**The Rites of Odin** Sep 03 2022 *The Rites of Odin* puts forth the message, in rites, practice, and background lore, that you are uniquely important. You are in charge of your own destiny. The family and friends who constitute your "extended family" are also important: by working together and helping one another, all of you can prosper and be happy.

**Beware the Eye of Odin** Oct 24 2021 Helgi, the prince of a Viking village, has stumbled upon the cursed Eye of Odin. If he doesn't return it to its rightful owner by the new moon, he will die an agonizing death of boils and decay. By his side are Stigr, a one-armed warrior past his prime, and Kadlin, a female warrior convinced she's a Valkyrie. Their only path will take them through the treacherous lands of the Hundrafolk, Trolls, and Dwarven Smiths. Collects BEWARE THE EYE OF ODIN #1-4

**Norse Myths** Jul 01 2022 "Discover Norse mythology through the enthralling exploits of all-powerful Odin, mighty Thor, and the trickster Loki."--Front jacket flap.

**The Echo of Odin** Sep 22 2021 The pagan mythology of the Vikings offers a rich metaphor for consciousness. This book presents the cosmography of Norse mythology as a landscape of human inner life. Each of the nine worlds of this cosmography is viewed as a symbol of a distinct type of consciousness that is emblematic of a particular perspective or way of relating to others. Individual gods and goddesses are considered nuanced personifications of their worlds. The philosophy of

pagan mythology is explored by comparing and contrasting the Sayings of Odin from the Norse Edda with the Christian Ten Commandments.

**The Eye of Odin** Dec 02 2019 On probation for burglary, disliked at school, and with no memory of his past, fifteen-year-old Grayle Rowen thought his life couldn't suck more than it already did. He was wrong--it was about to get worse. Much worse. While on a field trip to the Vancouver Museum, Grayle is forced to steal a Viking runestone from the museum's newest exhibit. Should've been an easy job, especially for a master thief like Grayle. What he didn't expect was another student, Sarah Finn, tagging along, or the Viking goddess of death showing up to steal the same artifact. Now in a fight for their lives, Grayle and Sarah learn the runestone is one of five markers describing the whereabouts of the Eye of Odin, a mystical orb said to give its owner infinite knowledge of the past, present, and future. Though Grayle would love nothing more than to ditch Sarah, he knows he'll have little hope of finding the Eye and unlocking his mysterious past without her. Dodging Helhounds, Frost Giants, and a cannibal Hex, the two teenagers race from Canada to the frozen reaches of Norway in an effort to recover the remaining runestones. The stakes are clear: find the markers in time and save the world. Fail, and the Viking goddess will use the Eye to destroy mankind.

**Thor** Aug 02 2022 \*Includes pictures of important places and historic illustrations and art depicting Thor and other important Norse figures. \*Explains the historical origins of the god, the mythological tales about him, and the literary evolution of Thor. \*Includes a Bibliography for further reading. "Across the rainbow bridge of Asgard, Where the Booming Heavens Roar, You'll behold in breathless wonder, the God of Thunder, Mighty Thor!" - Theme Song from the television show *Mighty Thor* (1966) "In swelling rage | then rose up Thor,--Seldom he sits | when he such things hears,--And the oaths were broken, | the words and bonds,The mighty pledges | between them made." - Voluspa Line #26 from the Poetic Edda A hammer no mortal can lift. A flame-haired fiery storm god. A comic book alien-hero-god who defends humanity. The swastika. Even the name "Thursday" ("Thor's Day"). Despite the virtual disappearance of the indigenous Norse religion and mythology several centuries ago, modern society still regularly encounters the storm god Thor, who continues to be brought back to life in the form of literature and was recently the protagonist in a big-budget Hollywood movie. What is it about this god, out of the hundreds (if not thousands) of deities that were consigned to the dustbin of history by the world's major religions, that so captures people's imaginations today? A better understanding of Thor's appeal can be found in just about every aspect of the history and evolution of the figure over the centuries, including the origins of the god, the evocative imagery used to describe him, and even the parallels between Thor and similar gods and heroes. All of this has been buffeted by literature, such as the stories about Thor found in the Prose Edda and the Poetic Edda, and the connection societies have had with Thor for hundreds of years, even up until today. This work also examines the decline and displacement of Norse mythology by Christianity, the reasons why Thor was often the last god worshiped by the Norse, and today's remnants of Thorism, including his parallels in other faiths, his role in revived Neo-Heathenism and his appearance in other media as a hero in comics and films. Along with pictures and a bibliography, you will learn about Thor like you never have before, in no time at all.

**The Ravens of Odin** Apr 05 2020

**Odin's Ways** Jun 07 2020 This book is about the Old Norse god Odin. It includes references to all occurrences of Odin in the Old Norse/Icelandic texts, including Saxo's *Gesta Danorum*, the eddic poems, Snorri's *Edda*, and *Ynglinga saga* and analyses the high medieval reception and literary representations of Odin rather than the religious character of the god. This is the only existing study of Odin in all the Old Norse/Icelandic texts and applies a contextual method: the different guises of Odin are studied on the basis of the various textual contexts and on their background in the literary and Christian intellectual milieu of the time. Contrary to existing studies, this method is non-reductive in that it does not aim at providing a synthesis about Odin's original nature on the basis of the differing textual uses of Odin in the Middle Ages. The book argues that the perceived complexity of Odin, often highlighted in research, is first and foremost a function of the complex textual material spanning a wide variety of genres each with its particular literary conventions and of the

reception of Odin in early modern and modern mythological studies.

**Odin's Child** Jul 09 2020 An epic fantasy trilogy from Norway about thousand-year-old secrets, forbidden romance, and what happens to those who make a deal with the devil comes at last to the United States! "Imagine lacking something that everyone else has. Something that proves you belong to this world. Something so vital, that without it, you are nothing. A plague. A myth. A human." Fifteen winters old, Hirka learns that she is an Odin's child - a tailless rot from another world. Despised. Dreaded. And hunted. She no longer knows who she is, and someone wants to kill her to keep it a secret. But there are worse things than humans, and Hirka is not the only creature to have broken through the gates... 'Odin's Child' is unique fantasy with Norse roots. An epic clash of xenophobia, blind faith and the right or will to lead. The first in a trilogy, *Odin's Child* is a thrilling modern fantasy epic.

**The Return of Odin** Nov 12 2020 A controversial examination of the influence and presence of the Norse god Odin in contemporary history and culture • Documents Odin's role in the rise of Nazi Germany, the 1960s counterculture revolution, nationalist and ecological political movements, and the occult revival • Examines the spiritual influence of Odin in relation to Jesus Christ • Profiles key individuals instrumental in the rise of the modern pagan renaissance Exploring the influence of the Norse god Odin in the modern world, Richard Rudgley reveals Odin's central role in the pagan revival and how this has fueled a wide range of cultural movements and phenomena, including Nazi Germany, the 1960s counterculture revolution, the Lord of the Rings, the ecology movement, and the occult underground. Rudgley argues that it is Odin and not Jesus Christ who is the single most important spiritual influence in modern Western civilization. He analyzes the Odin archetype--first revealed by Carl Jung's famous essay on Wotan--in the context of pagan religious history and explains the ancient idea of the Web--a cosmic field of energies that encompasses time, space, and the hidden potentials of humanity--the pagan equivalent to the Tao of Eastern tradition. The author examines the importance of the concept of *wyrd*, which corresponds to "fate" or "destiny," exploring techniques to read destiny such as the Runes as well as the existence of yoga in prehistoric and pagan Europe, which later produced the Norse *Uti-seta*, an ancient system of meditation. Rudgley documents how the Odin archetype came into play in Nazi Germany with the rise of Hitler and the pagan counterculture of the 1960s. He examines how the concept of subterranean and mythic realms, such as the Hollow Earth, Thule, and Agartha, and mysterious energies like *Vril* were manifested in both occult and profane ways and investigates key occult figures like Madame Blavatsky, Guido von List, and Karl Wiligut. He provides pagan analyses of Tolkien and the Lord of the Rings and documents the impact the Odin archetype has had on nationalist and fascist groups in America and Europe. Examining pagan groups in Europe and America that use the Norse template, Rudgley reveals true paganism as holistic and intimately connected with the forces at work in the life of the planet. Showing how this "green" paganism can be beneficial for dealing with the adverse consequences of globalization and the ongoing ecological crisis, he explains how, when repressed, the Odin archetype is responsible for regressive tendencies and even mass-psychosis--a reflection of the unprecedented chaos of Ragnarok--but if embraced, the Odin archetype makes it possible for like-minded traditions to work together in the service of life.

*The Eye of Odin* Feb 25 2022

*The Left-hand of Odin* Apr 29 2022 In a revised, expanded, and re-set second edition, sru presents a clearer and more refined edition of this seminal study. As supreme god of the Norse pantheon, Odin is a truly grey god as he blurs the polarised line between black and white magic and morality. Odin is the archetypal god of Nietzschean ideals. As supreme god of the Norse pantheon, Odin is a truly grey god as he blurs the polarised line between black and white magic and morality. Odin is the archetypal god of Nietzschean ideals. Cyneasson assesses the roles of Odin as an archetypal god of the left-hand path and similarities between Odin and the Hindu Shiva amongst other deific archetypes. Through an analysis of the left-hand path, morality and magic, sru assesses the lore of Odin from Norse mythology in order to assess his function as an archetypal deity of the left-hand path. sru then presents an approach by which the magus of the left-hand path can redefine themselves and channel their will into magical work with results that manifest either externally or internally. sru here offers a practical application of the Runes as an initiatory tool of the self which function as a set of keys to the deification of the self. sru assesses the roles of Odin as an archetypal god of the left-hand path and similarities between Odin and the Hindu Shiva amongst other deific archetypes. *The Age of Odin* Dec 26 2021 Gideon Coxall was a good soldier but bad at everything else, until a roadside explosive device leaves him with one deaf ear and a British Army half-pension. So when he hears about the Valhalla Project, it's like a dream come true. They're recruiting former service personnel for excellent pay, no questions asked, to take part in unspecified combat operations. The last thing Gid expects is to find himself fighting alongside ancient Viking gods. The world is in the

grip of one of the worst winters it has ever known, and Ragnarok – the fabled final conflict of the Sagas – is looming.

**The Eyes of Odin** Aug 10 2020 The Eyes of Odin contains two books that are essential to understanding Norse religion and the value that it can bring to your life. Andrew Webb has done what no other has done before through the compressive breakdown of Nordic concepts and symbolic language. "Using the language of our forefathers to bring new meaning to our lives and the way in which we view the world, he has given us a new ethical approach to life; the Middle Way of the Nordic peoples." - Gennie Enterline

**Thor Epic Collection** May 19 2021 A masterpiece of immortal action and boundless drama, Stan Lee and Jack Kirby's Thor is a cornerstone of the Marvel Universe. And in this Epic Collection, Thor's saga explodes onto the cosmic stage with the debut of Ego, the Living Planet! And the action continues nonstop with the High Evolutionary, Ulik the Troll and the unstoppable Destroyer! Then, Loki conspires to have Odin strip Thor of his power and banish him to Earth. Stranded, Thor must struggle to survive the machinations of his scheming half brother, all while attempting to return to All-Father Odin's good graces! Plus: The return of Lady Sif - and battles against the Growing Man, Replicus, the Super-Skrull and your favorite enchanted-crowbar-wielding galoot, the Wrecker! Collecting THOR (1966) #131-153 and ANNUAL #2.

**The Masks of Odin** Nov 05 2022 Herein the Norse Edda is scrutinised and its tales of gods and heroes, elves and dwarfs are decoded, using theosophical keys, to yield an overview of cosmic cycles of life on the many levels of the World Tree. The myths contain ribald humour as well as grand inspiration. Elsa-Brita Titchenell's commentary and her fresh translation of the principal lays of the Poetic or Elder Edda provide a key to understanding the timeless wisdom of the bards of every land.

**The Memory of Odin** Aug 22 2021 It is the third and final year of Fimbulvetr, the long and cold winter that precedes the end of the Nine Worlds. Midgard lies asleep under a thick layer of ice and snow. The city of men have fallen prey to ravenous wolf packs and bloodthirsty marauders. Gods, trolls and giants ready their weapons and magics for the last battle between Order and Chaos. All prepare for Ragnarok, the ultimate clash of the gods. All except Valhalla, whose tall walls are beset by deafening silence ... No singing or clash of swords can be heard. Sitting on his crumbling throne, Odin sleeps a long and dreamless sleep, waiting for the return of his memory from the inscrutable ocean of the universe and with it his strength to stand up to the Nine World and foster the flourishing of a new beginning. The book includes an essay on Norse mythology.

**The Hávamál** Dec 14 2020 Hávamál is presented as a single poem in the Codex Regius, a collection of Old Norse poems from the Viking age. The poem, itself a combination of numerous shorter poems, is largely gnomic, presenting advice for living, proper conduct and wisdom. It is our most important source on Old Norse philosophy. The verses are attributed to Odin; the implicit attribution to Odin facilitated the accretion of various mythological material also dealing with the same deity.

**Dillon and the Voice of Odin** Sep 10 2020 ODIN is only a whispered name, rumored to belong to a genius in the art of death and destruction. With a lethal cadre of global agents and mastery of The Voice of Odin, a devastating force unlike anything the world has ever seen, the unseen mastermind hunts for a single talisman so that he can begin his assault against the hopes and dreams of the free world. As his agents race around the globe searching for this talisman, they encounter the last man in the world they wanted to face. And DILLON and ODIN soon find themselves locked in a struggle to decide the fate of the Earth itself!

**Odin** Feb 13 2021 Odin is arguably one of the most enigmatic and complex characters in Norse mythology. Revered since the Viking Age, Odin has been called the greatest of the gods--the god of words and wisdom, runes and magic, a transformer of consciousness, and a trickster who teaches truth. He is both war god and poetry god, and he is the Lord of Ravens, the All-Father, and the rune master. *Odin: Ecstasy, Runes, and Norse Magic* is the first book on Odin that is both historically sourced and accessible to a general audience. It explores Odin's origins, his appearances in sagas, old magic spells, and the Poetic Edda, and his influence on modern media, such as Tolkien's Lord of the Rings trilogy. Each chapter features suggestions for rituals, exercises, and music, so readers can

comprehend and become closer to this complicated god. Author Diana Paxson, an expert on Viking-era mythology, provides a complete portrait of Odin and draws on both scholarship and experience to provide context, resources, and guidance for those who are drawn to work with the Master of Ecstasy today.

**Asgard and the Gods** Sep 30 2019

**Beware The Eye Of Odin #4** Jan 03 2020 In the series finale, Helgi, Stigr, and Kadlin must face off against the Troll Witch Doctor and his monstrous mega-troll. At stake...the fate of the nine realms.

*Odin, Dog Hero of the Fires* Feb 02 2020 The incredible true story of one dog's heroic feats during the 2017 Tubbs Fire, one of the most destructive wildfires in California history. One October night in 2017, when wildfire raged in Sonoma and Napa counties, the Hendel family was suddenly evacuated from their homes and farms to escape to safety and forced to leave behind their Pyrenees dog, Odin. Odin refused to leave his nightly post of guarding the family's eight young goats, despite the family's desperate attempts to lead him away. Brokenhearted, the Hendels were sure they would never see their dog again. But when the fire calmed and the family returned home, to their shock they found Odin singed yet safe, along with all the goats and several orphaned deer the dog had protected as well. *Odin, Dog Hero of the Fires* is a touching and inspirational true tale that honors the bravery and strength of Odin as well as commemorates the stories of those affected by the Tubbs Fire.

**Blood Feud** Jul 21 2021 The wolves of Odin have been unleashed: the hunt has begun. Anno Domini 1040. Christianity has swept unstoppably across Scandinavia, leaving few enclaves of the old ways clinging on to their fading world as King Olof of Sweden works to convert his people. A young warrior, Halfdan, has witnessed the 'mercy' of the Christian lords, watched his people attacked, his village burned and the Odin stone toppled as heretical. Watched his father cut down by an ambitious Christian jarl and his zealous priest. Among the ashes of his world he vowed an oath of vengeance before all the gods. That oath will bring together an unlikely band of allies and carry them to the very edge of the world, fighting giants, dragons and wraiths, in pursuit of his father's killer: Yngvar. The jarl is powerful, and the weaving of Fate difficult, but the blood price must be paid. A compelling and explosive novel of revenge, this is a major new series from S.J.A. Turney. Perfect for fans of Bernard Cornwell, Giles Kristian and Angus Donald. Praise for *Blood Feud* 'Si Turney is a natural born storyteller, gifted, brilliant and utterly enthralling. *Blood Feud* tells the story of a young Norse warrior, Halfdan, who swears to avenge the murder of his father. The reader is almost immediately immersed into the action, swept away into the dragon-ship beside Halfdan and his tough, salty and occasionally hilarious crew of Vikings... An intelligent, fast-paced but finely crafted novel of battle, comradeship and bloody revenge - with some surprising twists along the way. Highly recommended to all those who enjoy a superior Viking adventure yarn!' Angus Donald, author of *The Last Berserker* 'SJA Turney's new Viking epic is a bone-crunching good time! A resourceful young warrior on a quest for vengeance takes to the sea with a dragon long-ship and a motley band of new friends, fighting old enemies, foreign wars and the mysterious workings of fate at every new turn of the tide. *Blood Feud* is sure to thrill those mourning the end of Bernard Cornwell's *Saxon Stories*' Kate Quinn, author of *The Rose Code* 'A rich combination of saga and quest, religion and violence, with a satisfying conclusion that paves the way for further adventures' Ruth Downie, author of the *Medicus* series

*The Eye of Odin* Jun 27 2019 Banished from his homeland in Norway for religious beliefs that ultimately resulted in murder, a Viking chieftain and his family must leave their home and travel to a new land. With the Christian king determined to stamp out the old gods, Thorvald Asvaldsson and his son Erik, who will one day be known as Erik the Red, embark on a perilous journey destined to change the world accompanied by the powerful seer Ragnar. Once restricted to sailing near their native shores, the dawn of the longship brings Viking warriors to the unsuspecting coastal areas of Europe. The warriors descend on settlements like a plague, attacking towns at will and displaying a savagery never before seen. At the height of the Viking expansion into Europe and the spread of the pagan religion, there is an evil in the world awaiting the travelers, and evil from the depths of hell itself. -- back cover.

**The Stories of Odin the All Father of Norse Mythology** May 07 2020 This book contains classic material dating back to the 1900s and before. The content has been carefully selected for its interest and relevance to a modern audience. Carefully selecting the best articles from our collection we have compiled a series of historical and informative publications on the subject of mathematics. The titles in this range include "Ratio and Proportion" "Simple Equations" "Simultaneous Equations" and many more. Each publication has been professionally curated and includes all details on the original source material. This particular instalment, "A Beginner's Guide to Quadratic Equations" contains a selection of classic educational articles containing examples and exercises on the subject of algebra. It is intended to illustrate aspects of quadratic equations and serves as a guide for anyone wishing to obtain a general knowledge of the subject. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**The Academy of Odin** Nov 24 2021 This volume contains 17 articles written by Lars Lonnroth about the sagas, Eddic poetry, and other Icelandic or Old Norse texts. The book begins with excerpts from Lonnroth's controversial doctoral dissertation - European Sources of Icelandic Saga Writing (1965) - in which he challenged the established views of the time about the origins of the sagas. Other papers from Lonnroth's early career include studies in the narrative art of sagas, in which he questioned the prevailing opinion that sagas are realistic, "objective," and devoid of ideology or Christian morality. Additional articles deal with the application of the oral-formulaic theory to Eddic poetry, the interpretation of the enigmatic inscription on the Swedish Rok-Stone, and the reception of Old Norse texts in Western literary tradition from Snorri Sturluson's in the 13th century to Richard Wagner's in the 19th century. Each of the papers has been supplemented in the book by a post scriptum, in which Lonnroth comments on the reception and further discussion of his scholarly work, occasionally revising his former opinions. (Series: The Viking Collection - Vol. 19)

*The Breath of Odin Awakens* Jan 15 2021 *The Breath of Odin Awakens* unveils the mysteries of breath and luck as taught in the Norse tradition. Learn to avail yourself of this mysterious energy that fuels not only fortune, success and health but also our spiritual abilities, minds and Self. Discover how to access it, increase it, regenerate it at will and how to use it in your rune work.

Possession Oct 31 2019 The Sons of Odin motorcycle club is back! Violetta Rand follows up *Persuasion* ("A seriously sexy thrill ride!"—Stacey Kennedy) with a sizzling short novel that takes passion to the brink of chaos . . . and beyond. Ambitious young attorney Tina Bethel doesn't have time for commitment, but she wouldn't pass up some hot, no-strings sex with the right guy—like Sons of Odin officer Vincent Ramos. Six feet, five inches of solid muscle and biker masculinity, he revs Tina up like no man ever has. The trouble is, every time they get physical, Tina's cravings are never quenched—because Vincent always pumps the brakes before the point of no return. With her sexy body packaged in a short skirt, Tina's enough to drive any man crazy. Vincent isn't sure how he's resisted her shameless come-ons. He just knows that if he gives in, he won't be able to stop—and after two failed marriages, he can't afford any more broken promises. But when a disgruntled client of Tina's starts stalking her, Vincent has to make up his mind about his true feelings—fast. Because if he's willing to put his body in the line of fire, he should be able to risk his heart in the name of love. Praise for *Possession* "Violetta Rand puts the romance into her 1%er! Vincent is enough to make any reader swoon. I loved the ride!"—Megan Crane, USA Today bestselling author of *Make You Burn* and *Edge of Temptation* "I thoroughly enjoyed *Possession*, a great read with a smoking-hot MC hero and a fun heroine."—Carla Swafford, author of *Hidden Heat* "Sizzling chemistry and a heart-melting biker hero will leave you unable to put the book down. The gripping suspense might have something to do with that too."—Stina Lindenblatt, author of *This One Moment* "There's plenty of conflict [and] sexual tension in Rand's second Sons of Odin MC romance. The byplay between Tina and Vincent is worth the read."—RT Book Reviews "Violetta rocked another book in this series and she keeps adding more and more suspense. . . . She knows how to write an amazing end in every one of her books!"—Collector of Book Boyfriends & Girlfriends "This was a good book! Twist, turns and some copulating! Vincent is such a sweetheart and I love the lengths that he'll go to protect Tina."—Once Upon an Alpha Includes an excerpt from another

Loveswept title.

**The Doom of Odin** Oct 12 2020 As the Black Death rampages across Europe, two creatures of the Elder World clash over the rotting corpse of Christendom ... Sicily, 1347 AD. A ghost ship from the east washes ashore at Messina. A ship of dead men, and hidden in its belly is a doom like no other: the dragon Niðhöggr, the Malice-Striker, an ancient vessel of destruction from the Elder Days. And while it is no longer the mighty wyrm of Ragnarök, the beast's breath still bears upon it a pestilence, a plague that will echo through the ages as the Black Death. But the world of Men has a strange champion - another creature of the Elder World: a snarling, spitting knot of hatred, profane and blasphemous, whose ancestors were the goblins of myth and legend; he is a monster in truth, though nevertheless he stands as the last bastion between humanity's future and the cold silence of oblivion. He is Grimnir, and he has hunted the Malice-Striker for more than a century, from the cold wastes of the Baltic to the dank cisterns beneath Constantinople. Now, as the plague stalks through Western Europe - and as the dread wyrm slithers through Italy, bound for Rome on its mission to devour the head of Christendom - Grimnir must contend not only with the beast's insidious cunning, but with the iron fist of the Papal Inquisition, and the army of a vengeful Sicilian nobleman. But, it is in the empty halls of the Vatican, in the shadow of St. Peter's throne, where the Doom of Odin will fall . . . and the Elder World will finally meet its bloody end. Only one question remains: will Miðgarðr and the world of Men survive this deadly clash of titans?

**The Armor of Odin** Jul 29 2019 Zulin a peaceful place the home of the seven tribes. The seven tribes were a group of people who live in Zulin. Right when they were about to declare harmony throughout the land. The Shadow Lord leads a surprise Orc invasion on the tribes. They fight and fight for there freedom but can't win. So they use the Armor Of Odin the magical armor made by the tribes and worn by King Odin in times of hardship. But the Shadow Lord knows the armor is the only thing that can defeat him. So he sends the Seven Dragons of treachery to steal the armor before the tribes where it. The dragon steals all of the armor and hides them across Zulin now the tribes have retreated to the castle Anur-din. Will the tribes ever retrieve their armor?

**Odin** Jun 19 2021 From the Thorsdrapa to the Marvel Thor and Avengers movies, Odin, the dark and mysterious lord of Valhalla, looms over all of the ancient tales of the Vikings. With his brothers, he formed the world from the body of a giant and then went on to seek greater wisdom by sacrificing himself on a tree and trading one of his eyes with a witch. With this vast wisdom, he sits upon his throne, peering into the nine worlds, seeking anything that might threaten his people. He rides over the battles of mortal men, deciding who shall live and die, and collecting worthy souls to come and feast in his hall until the war at the end of time. This book retells the greatest of Odin's stories, and then places those stories within their historical and mythological context. It follows the figure of Odin through the centuries, showing how different times and cultures reinterpreted him, and explores the reasons why he remains such a popular figure today.

**The Bones of Odin** Aug 29 2019 A UK #1 BestSeller in Thriller and Action/Adventure.

Recommended for those who love an escapist action adventure. Reviews "Original! Fascinating! Breathtaking. . .Leadbeater really adds to the genre!" JOHN PAUL DAVIS, author of The Templar Agenda, a top 3 UK thriller. Did ancient Gods like Odin and Zeus and Thor once really exist? The time has come for a grand adventure filled with high excitement and explosive action. Matt Drake, a retired SAS officer, must unravel a mystery older than time in his search for the Nine Pieces of Odin. Though scattered aeons ago, it is believed that once the Pieces are reunited they will show the way to the Tomb of the Gods- the greatest archaeological find of all time. From a rocket attack on the Louvre to a battle in a Swedish cavern, from a daring helicopter raid on New York's National History Museum to an assault on a gangsters mansion in Hawaii, Matt Drake must find the world's oldest treasure in one of the wildest places on earth, searching for the very bones of the Gods with the spoils of victory being the entire world. Reader reviews: "can't wait for another Matt Drake adventure!!" "Bond meets The Da Vinci code but with higher stakes!" "if you like Andy Mcdermott or Matthew Reilly, get this book." "Another gem of a novel from this inventive writer." "this book is so full of life!"
