Stripped Aug 07 2020 So how did I get myself into this situation, you ask? Simple: desperation. When you're faced with being homeless and hungry or taking off your clothes for money, the choice is easier than you'd imagine. That doesn't make it easy, though. Oh no. I hate it, in fact. There's nothing I'd like more than to quit and never go into another bar again, never hear the techno beat pulsing in my ears again, never feel the lecherous gazes of horny men again. Then, one day, I meet a man. He's in my club, front and center. He watches me do my routine, and his gaze is full of hunger. Not the kind of desire I'm used to though. It's something different. Something hotter, deeper, and more possessive. I know who he is; of course I do. Everyone knows who Dawson Kellor is. He's People Magazine's Sexiest Man alive. He's the hottest actor in Hollywood. He's the man hand-picked for the role of Rhet Butler in the long-awaited remake of *Gone With the Wind*. He's the kind of man who can have any woman in the entire world with a mere crook of his finger. So what's he doing looking at me like he has to have me? And how do I resist him when he looks at me with those intoxicating, changeable, quicksilver eyes? I'm a virgin, and he's an American icon of male sexuality. I'm a stripper, and he's a man used to getting anything and everything he wants. And he wants me. I know I should say no, I know he's the worst kind of player...but what my mind knows, my body and my heart may not. And then things get complicated.

Gamma Oct 21 2021 It was supposed to be happily ever after, but Apollo's past has returned to haunt us. To save the man I love from his violent history, I have to descend into the underworld and snatch him from the jaws of death. If I want happily ever after, I'm going to have to fight for it.

Good Girl Gone Badd Sep 27 2019

Delilah's Diary: La Vita Sexy Nov 09 2020 I've always been a good girl. I grew up in a small town, dated my high school sweetheart all the way through college, and married him. I even waited until our wedding night for my first time. Yeah, that kind of good girl. Finding my husband in bed with the church secretary came as quite a shock, needless to say. Finding out he'd slept with just about every female in town was an even bigger shock. Discovering those dirty little secrets is what sent me on a journey that I will never forget.

THE STORY YOU NEVER IMAGINED... Becca de Rosa is Nell's best friend. When Kyle died, Nell was so devastated that no one could reach her, not even her best friend Becca. Beautiful and talented, just like her mother. And just like Nell, my daughter seems to have fallen for a bad boy, one with a lot of darkness and a lot of secrets. *** You thought you knew the whole story. You thought it was over. Happily ever after for everyone. You were wrong. My name is Oz Hyde, and you've never met me. I'm part of the story, too, but I'm an aside, a quick line or two you'd all but forgotten about. Well guess what? I've got my own story to tell. Buckle up, 'cause this is gonna be a hell of a bumpy ride.

Meanwhile, Jack is voted the Sexiest Man Alive and becomes a little too enamored with the star lifestyle. But while he can have anything he wants, he can't have the one thing he really needs: a public relationship with Grace, which his manager says will hurt his career. Rock Stars Do It Oct 09 2020 Chase Delany is a rock star. Rock stars are expected to rock hard onstage and party even harder offstage. Chase is living up to those expectations, and then some. He leaves everything he's got onstage, and drowns the ache in his soul at the bottom of a tequila bottle. And then there are the girls. They throw themselves at him nonstop, a never-ending train of hot girls who want in his signature tight leather pants. The problem? Nothing, no amount of booze and no amount of backstage sex can heal the cracks in his heart left by Anna's rejection. And then he runs into Jamie. Anna's best friend. The one girl in the whole world who is off limits to him. The one girl who happens to be the one thing that seems to soothe the hurt inside him. Forgetting her proves to be impossible. Jamie Dunleavy has always been an enthusiastic practitioner of the sexual arts. She's never apologized for it, and she owns it. She's been known to admit--to her best friend Anna Devine, at least--that she's a bit of a slut. Her deep, dark secret? She's tired of it. She doesn't want to be that girl anymore. She wants love, now more than ever, having watching Anna find her own happily-ever-after. So who does she find herself falling for? Chase Delany. Anna's very recent ex. A rockstar, and the one guy she knows she can't ever, ever be with. You don't bang your best friend's ex. You just don't. It's the one hard and fast rule of best friendship. Except, no matter how hard she tries to forget him, she can't seem to shake the image of his dark eyes and sexy tattoos and those lips she wants so badly to kiss and kiss until neither of them can breathe. She can't forget him, and she can't ever have him.

Nailed Jan 24 2022 RYDER: You are the most beautiful woman I've ever seen, Laurel. And if that's all of you I ever get to see, I'll be the luckiest man in the world for having seen it. I swallow hard. He wasn't supposed to make it sweet. He was supposed to leave it dirty and inappropriate, so I could tell myself all he wanted was sex. That all he cared about was getting me naked, or if not that, then at least seeing me naked. Instead, he turned it sweet. And I couldn't tell myself any lies to keep me on my high horse.

Badd Ass Feb 22 2022 I was a Sixty-Eight Whiskey—a combat medic. So when I hear someone shout "MEDIC!" training just kicks in. It's automatic, immediate. I don't think I even saw the guy whose leg I tended to, not really. All I saw was him. Zane Badd. His tuxedo fit him like he'd been sewn into it, and his eyes reflected the fury and the hardness of a combat veteran, but when he looked at me, he just...softened. By the time I had his brother patched, Zane and I were both covered in blood, and I knew I had to have him. The trouble with Zane isn't getting him, it's keeping him. And the trouble with me is, even if I could hold onto a man like Zane, I wouldn't know what to do with him. It's not in my nature, and if life has taught me anything, it's to not trust anyone, least of all men like Zane. He's a warrior through and through, hard, muscular, gorgeous, tenacious, and yet oddly tender toward me. Experience and instincts are telling me to run from Zane Badd as fast as possible, but my heart and my body are telling me to stay, to hold on and not let go. Yeah, it's a conflict as old as humanity itself, but it's brand new for me. * * * Life as Navy SEAL doesn't exactly prepare you for normality. Yeah, I can tend bar and goof off with my seven crazy brothers, but what do I do when the woman of my dreams—dreams I didn't know I'd had until I saw her—explodes into my life like a frag grenade? I'm trained to attack, to win, to survive at any costs, and figuring out what to do about a woman like Amarantha Quinn will take every scrap of tenacity and courage I possess. Combat is easy, it turns out, in comparison to facing your own fears and scars. And then sometimes, just when you think you've got it finally figured out, fate throws you a screwball and sends everything FUBAR.

Forever & Always May 28 2022 Ever, These letters are often all that get me through week to week. Even if it's just random stuff, nothing important, they're important to me. Gramps is great, and I love working on the ranch. But... I'm lonely. I feel disconnected, like I'm no one, like I don't belong anywhere. Like I'm just here until something else happens. I don't even know what I want with my future. But your letters, they make me feel connected to something, to someone. I had a crush on you, when we first met. I thought you were beautiful. So beautiful. It was hard to think of anything else. Then camp ended and we never got together, and now all I have of you is these letters. S**t. I just told you I have a crush on you. HAD. Had a crush. Not sure what is anymore. A letter-crush? A literary love? That's stupid. Sorry. I just have this rule with myself that I never throw away what I write and I always send it, so hopefully this doesn't weird you out too much. I had a dream about you too. Same kind of thing. Us, in the darkness, together. Just us. And it was like you said, a memory turned into a dream, but a memory of something that's never happened, but in the dream it felt so real, and it was more, I don't even know, more RIGHT than anything I've ever felt, in life or in dreams. I wonder what it means that we both had the same dream about each other. Maybe nothing, maybe everything. You tell me. Cade ~ ~ ~ Cade, We're pen pals. Maybe that's all we'll ever be. I don't know. If we met IRL (in real life, in case you're not familiar with the term) what would happen? And just FYI, the term you used, a literary love? It was beautiful. So beautiful. That term means something, between us now. We are literary loves. Lovers? I do love you, in some strange way. Knowing about you, in these letters, knowing your hurt and your joys, it means something so important to me, that I just can't describe. I need your art, and your letters, and your literary love. If we never have anything else between us, I need this. I do. Maybe this letter will only complicate things, but like you I have a rule that I never erase or throw away what I've written and I always send it, no matter what I write in the letter. Your literary love, Ever

Thus, I do what I must to live, to eat, and I try very hard to not consider the cost to my soul. My heart is empty, and my existence brutal. The one impossibility in my life is love. Madame X Jul 30 2022 "Madame X invites you to test the limits of control in this provocative new novel from New York Times bestselling author Jasinda Wilder. My name is Madame X. Hired to transform the uncultured, inept sons of the wealthy and powerful into decisive, confident men, Madame X is a master of the art of control. Omega Nov 02 2022 This isn't a fairy tale. Not everyone will get a happily ever after. Sometimes we can't just walk away from the past. Love doesn't always save the day. The beast won't always get his beauty. But maybe, just maybe, we can get our happy ending.

Alpha Apr 26 2022 The first time it happened, it seemed like an impossible miracle. Bills were piling up, adding up to more money than I could ever make. Mom's hospital bills. My baby brother's tuition. My tuition. Rent. Electricity. All of it on my shoulders. And I had just lost my job. There was no hope, no money in my account, no work to be found. And then, just when I thought all hope was lost, I found an envelope in the mail. No return address. My name on the front, my address. Inside was a check, made out to me, in the amount of ten thousand dollars. Enough to pay the bills and leave me some left over to live on until I found a job. Enough to let me focus on classes. There was no name on the check, just "VRI Inc.," and a post office box address for somewhere in the city. No hint of identity or reason for the check or anything. No mention of repayment, interest, nothing... except a single word, on the notes line: "You." If you receive a mysterious check, for enough money to erase all your worries, would you cash it? I did. The next month, I received another check, again from VRI Incorporated. It too contained a single word: belong." A third check, the next month. This time, two words. Four letters. "To me." The checks kept coming. The notes stopped. Ten thousand dollars, every month. A girl gets used to that, real quick. It let me pay the bills without going into debt. Let me keep my baby brother in school and Mom's hospice care paid for. How do you turn down what seems like free money, when you're desperate? You don't. I didn't. And then, after a year, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out \$120,000 doesn't come free.

The Parent Trap Jun 04 2020 He was my worst enemy. He spent every waking moment devising fresh new ways of torturing me. No one has ever been able to make me cry like Matthais Bristow: my twin brother's best friend, and the person on this planet I hate most. Then, he left for college and I was free of him. For ten blessed years, I was free of his torture. Now, he's back, and he owns half of the family business I spent my entire life preparing to take over. Is this going to be a new round of his old favorite game, Make Delia McKenna Cry, or am I to believe he's actually come back with good intentions?

Falling Into You Jun 28 2022 I wasn't always in love with Colton Calloway; I was in love with his younger brother, Kyle, first. Kyle was my first one true love, my first in every way. Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to not be okay, and, eventually, how to let go. Nell Hawthorne is in love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of promise. Then Kyle dies in a tragic accident and Nell is forever changed. She meets Kyle's older brother Colton at the funeral, and there's a spark, but it's wrong and they both know it. The moment passes, and they both move on with life. A couple years later, they meet again in New York City, and Colton realizes that Nell has never really gotten

over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He knows he shouldn't get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning of healing, and the importance of forgiveness.

Beta Aug 19 2021 Roth and I are on an open-ended tour of the world. Roth being Roth, this means missionary in Morocco, reverse cowgirl in Calcutta, bent over the bow of a houseboat in Hanoi, slow and sleepy on St. John. Anywhere and everywhere, in every conceivable position, and some I didn't know were possible. Life was pretty incredible. Until I woke up in his chateau in France, alone. On the bed next to me was a note. There were only four words: He belongs to me.

The Long Way Home Mar 26 2022 I need you, Ava. I am desperate. For you. For touch. For a kiss. For the scrape of your hand down my stomach. For the slide of your lips across my hipbone. The sweep of your thigh against mine in the dulcet, drowning darkness. For the warm huff of your breath on my skin and the wet suck of your mouth around me and the building pressure of need reaching release... I am mad with need. Wild with it. I cannot have you. I have lost you, as I have lost myself. And so I go in search. Of myself, and thus the man who might return to you, and take you in his arms. I loathe each of the thousands of miles between us, but I cannot wish them away, for I hope at the end of my journey I shall find you. Or rather, find myself, and thus...you. Myself, and thus us. I hate you, Christian. I really do. But most of all, I don't. It's complicated. Complicatedly (still) yours, Ava

Captured Apr 02 2020 Love is never easy. It's especially difficult when you love a Marine. I knew the risk when I said "I do," but I chose to love anyway. In a flash, he was taken from me, and now I'm alone. Struggling and desperate. There's no hope, no future. Just the endless cycle of day-to-day survival. But a letter returned could change all of that. Hope and love often come from the last place you'd think to look, when you least expect it. * * * I was a lost, broken soul, tortured by the memories of what I'd endured. When I visited that old farmhouse in rural Texas, all I wanted to do was return the letter. Keep a promise to a friend. What I got was healing. Understanding. The chance to find a measure of peace when all I've ever known is war. We both lost everything. But in each other, we found something worth fighting for.

I'm not sure of anything, except that I love you, Ever. You're my twin, my best friend, and leaving you was the hardest thing I've ever done. I know you don't understand. Maybe you never will. I hope you don't, honestly. It would be easier that way. That's cowardly, I'm sure. Cade, take care of her. Love her, the way she deserves. The way you always have, for forever and always. If I could ask you anything, it's that you remember me as I was, and forget me as I am. I'm sorry, and goodbye, and I love you. Eden

Sigma Sep 19 2021 The night it happened, it seemed like an impossible nightmare. There was no name on the note. No hint of identity or reason or anything. A single word, on the notes line: "She." Just those three letters. The next day, I received another note. It too contained a single word: "belongs." A third note, the next day. This time, two words. Four letters. "To me." Ten million dollars, or our daughter would die. And then, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out there is no happily ever after for us.

Big Girls Do It Dec 11 2020 Enjoy all four of the Big Girls Do It stories in one volume, with special expanded scenes available only in this collection! Big Girls Do It Better Gorgeous, rock-star guys like Chase Delany don't go for girls like me. They go for supermodels and actresses, skinny-girls who never eat and spend all day working out. I'm not that girl. So when he locked his fiery brown eyes on me for the first time, I couldn't quite believe it was really happening to me. It was the second night I spent with him that I'll never forget. Big Girls Do It Wetter Chase went to New York...without me. It was only one night, one delicious, sinful night, but it awakened something within me, and now, with him gone, I have no one to satiate my sudden, ferocious hunger. Then I woke up one day and looked at someone near and dear to me in a whole new light. And my world was rocked once again. Big Girls Do It Wilder I'm going. Going to New York City to be with gorgeous, mysterious, rockstar Chase Delany seemed like a crazy dream, a fantasy come true. The bright lights and music, and his tight, sexy leather pants called to me...and I answered. Chase might want more and I just might give it to him, if I could only forget what I started with Jeff back in Detroit. I thought I had my love life all figured out, I thought I knew what I wanted, and then things went and changed on me all over again... Big Girls Do It On Top I fled New York with my heart breaking and a million questions. Foremost in my mind was whether Jeff would even see me after the colossal mess that New York turned out to be. I discovered the answer, but that only spawned even more questions, many of the yes or no variety...

Screwed Jul 18 2021 "He has to be ready for it, Jess," I say, my voice low and quiet. Jesse nods. "I know. It's just that I'm a fixer, and his broken-ass heart is the one thing I can't fix." "No one can," I say. "I can't fix his broken heart. He has to be willing to be with me with a whole heart. There'd be pieces missing, and seams and cracks, but offered as a whole. I'm worth more than just taking the screwed up mess of him, just to have part. I want more than that—I deserve more. If he can get there, I'll be here waiting. I've got nothing but time, Jess. I'm not going anywhere, and I told him that. I'm willing to wait—because I think he's worth waiting for." I smile at Jesse. "If he can get his head out of his ass and work on rebuilding his broken-ass heart, he'll be worth having waited for." Except I've already waited so long. For him—for anyone, but especially for him. Endured so much. Spent so long alone, and lonely. And now James is RIGHT THERE, but still out of reach. My heart wants him, my body wants him, but my fears say he'll only hurt me. And he himself says he's not sure he'll ever be able to get over the past—losing his wife. I don't blame him, but... How long can I wait? And if he does come around, will it be worth it?

The F List Jul 26 2019 The internet's most famous celebrities hate each other. Or, at least they think they do...There was a lot I did to get to this point, to get 42 million followers. Some of it I was proud of, most of it I wasn't. There was a group of us, all internet celebrities, and everyone wanted in, which is how six of us ended up living in this mansion, a camera always on, the public always watching. Two months and nine carefully scripted TV episodes that would get us more of the three F's we were desperately chasing. Fame. Fortune. Followers. I knew my role. I was Emma, the unlikeable one. The dark villain with the devious smile. The package of dynamite that would blow up any chance of peaceful living and harmony. Cash knew his role. He was the good guy. The lovable one. The one that everyone, even the darkest cast member of them all, would fall in love with. They were supposed to just be roles. None of it was supposed to be real. My heart didn't get that memo.

Omega Dec 31 2019 When you make an enemy of a man like Vitaly Karahalios, there is nowhere on earth you can go to escape his wrath. He'll find you. He found me, he found Roth. He found Layla. He found us, and now the unthinkable has happened. Someone I love has been kidnapped. Again. This isn't a fairy tale. Not everyone will get a happily ever after. Sometimes we can't just walk away from the past. Love doesn't always save the day. The beast won't always get his beauty. But maybe, just maybe we can get our happy ending.
