[The Real Hergé](#) Apr 17 2021 "If you are looking to understand a bit more about the circumstances that inspired The Adventures of Tintin—this book will provide a good snapshot." —The BookBuff Review Hergé created only twenty-four Tintin books which have been translated into more than seventy languages and sold 230 million copies worldwide. The Real Hergé: The Inspiration Behind Tintin takes an in-depth look at the man behind the cultural phenomenon and the history that helped shape these books. As well as focusing on the controversies that engulfed Hergé, this biography will also look at his personal life, as well as the relationships and experiences that influenced him. "Tintin is more famous now than when Hergé was actually writing and illustrating his adventures. Sian Mye's book is another in the excellent series about the real lives of our most famous authors, and is well worth a look. Brilliant!" —Books Monthly "It is certainly possible to enjoy the Tintin books without knowing Hergé. But they are more interesting after learning about this complex, sometimes frustrating, man. We can learn from him, even if we learn from his mistakes." —Rose City Reader

Caring for Cut Flowers Jun 19 2021 Many florists and consumers still believe in old myths such as burning, bashing or boiling stems and adding aspirin to vase water. Scientific trials now show that such methods rarely help and some are actually damaging. Caring for Cut Flowers shows florists and growers how to make cut flowers last longer. While proper postharvest techniques will not magically transform poor quality flowers into first class material, a few basic, inexpensive techniques can maximise the vase life of good quality material. Rod Jones outlines in simple terms what to look for when buying and provides specific care instructions on what to do and what to avoid in handling, storing and displaying more than 100 common flowers, including Australian natives.

[Alexander Hamilton](#) Nov 24 2021 The #1 New York Times bestseller, and the inspiration for the hit Broadway musical Hamilton! Pulitzer Prize-winning author Ron Chernow presents a landmark biography of Alexander Hamilton, the Founding Father who galvanized, inspired, scandalized, and shaped the newborn nation. "Grand-scale biography at its best—thorough, insightful, consistently fair, and superbly written. . . . A genuinely great book." —David McCullough "A robust full-length portrait, in my view the best ever written, of the most brilliant, charismatic and dangerous founder of them all." —Joseph Ellis Few figures in American history have been more hotly debated or more grossly misunderstood than Alexander Hamilton. Chernow's biography gives Hamilton his due and sets the record straight, deftly illustrating that the political and economic greatness of today's America is the result of Hamilton's countless sacrifices to champion ideas that were often wildly disputed during his time. "To repudiate his legacy," Chernow writes, "is, in many ways, to repudiate the modern world." Chernow here recounts Hamilton's turbulent life: an illegitimate, largely self-taught orphan from the Caribbean, he came out of nowhere to take America by storm, rising to become George Washington's aide-de-camp in the Continental Army, coauthoring The Federalist Papers, founding the Bank of New York, leading the Federalist Party, and becoming the first Treasury Secretary of the United States. Historians have long told the story of America's birth as the triumph of Jefferson's democratic ideals over the aristocratic intentions of Hamilton. Chernow presents an entirely different man, whose legendary ambitions were motivated not merely by self-interest but by passionate patriotism and a stubborn will to build the foundations of American prosperity and power. His is a Hamilton far more human than we've encountered before—from his shame about his birth to his fiery aspirations, from his intimate relationships with childhood friends to his titanic feuds with Jefferson, Madison, Adams, Monroe, and Burr, and from his highly public affair with Maria Reynolds to his loving marriage to his loyal wife Eliza. And never before has there been a more vivid account of Hamilton's famous and mysterious death in a duel with Aaron Burr in July of 1804. Chernow's biography is not just a portrait of Hamilton, but the story of America's birth seen through its most central figure. At a critical time to look back to our roots, Alexander Hamilton will remind readers of the purpose of our institutions and our heritage as Americans. 9780143034759

I'm Glad My Mom Died Dec 26 2021 #1 NEW YORK TIMES BESTSELLER #1 INTERNATIONAL BESTSELLER A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In I'm Glad My Mom Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I'm Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

The Sweetness of Water (Oprah's Book Club) Oct 24 2021 An Instant New York Times bestseller / An Oprah's Book Club Pick In the spirit of The Known World and The Underground Railroad, an award-winning "miraculous debut" (Washington Post) about the unlikely bond between two freedmen who are brothers and the Georgia farmer whose alliance will alter their lives, and his, forever In the waning days of the Civil War, brothers Prentiss and Landry—freed by the Emancipation Proclamation—seek refuge on the homestead of George Walker and his wife, Isabelle. The Walkers, wracked by the loss of their only son to the war, hire the brothers to work their farm, hoping through an unexpected friendship to stanch their grief. Prentiss and Landry, meanwhile, plan to save money for the journey north and a chance to reunite with their mother, who was sold away when they were boys. Parallel to their story runs a forbidden romance between two Confederate soldiers. The young men, recently returned from the war to the town of Old Ox, hold their trysts in the woods. But when their secret is discovered, the resulting chaos, including a murder, unleashes convulsive repercussions on the entire community. In the aftermath of so much turmoil, it is Isabelle who emerges as an unlikely leader, proffering a healing vision for the land and for the newly free citizens of Old Ox. With candor and sympathy, debut novelist Nathan Harris creates an unforgettable cast of characters, depicting Georgia in the violent crucible of Reconstruction. Equal parts beauty and terror, as gripping as it is moving, The Sweetness of Water is an epic whose grandeur locates humanity and love amid the most harrowing circumstances. One of President Obama's Favorite Books of 2021 Winner of the Ernest J. Gaines Award for Literary Excellence Winner of the Willie Morris Award for Southern Fiction Longlisted for the Man Booker Prize Shortlisted for the Dylan Thomas Prize Shortlisted for the VCU Cabell First Novelist Award Longlisted for the 2022 Carnegie Medal for Excellence Longlisted for the Center for Fiction First Novel Prize Longlisted for the Crook's Corner Book Prize A Best Book of the Year: Oprah Daily, NPR, Washington Post, Time, Boston Globe, Smithsonian, Chicago Public Library, BookBrowse, and the Oregonian A New York Times Book Review Editors' Choice A July 2021 Indie Next Pick

Risuko Sep 22 2021 Can One Girl Win A War? My name is Kano Murasaki, but everyone calls me Risuko. Squirrel. I am from Serenity Province, though I was not born there. My nation has been at war for a hundred years, Serenity is under attack and my family is in disgrace, but some people think that I can bring victory. That I can be a very special kind of woman. All I want to do is climb. My name is Kano Murasaki, but everyone calls me Squirrel. Risuko. ~\*~ Though Japan has been devastated by a century of civil war, Risuko just wants to climb trees. Growing up far from the battlefields and court intrigues, the fatherless girl finds herself pulled into a plot that may reunite Japan — or may destroy it. She is torn from her home and what is left of her family, but finds new friends at a school that may not be what it seems. Magical but historical, Risuko follows her along the first dangerous steps to discovering who she truly is. Kano Murasaki, called Risuko (Squirrel) is a young, fatherless girl, more comfortable climbing trees than down on the ground. Yet she finds herself enmeshed in a game where the board is the whole nation of Japan, where the pieces are armies, moved by scheming lords, and a single girl couldn't possibly have the power to change the outcome. Or could she? YOUNG ADULT

**HISTORICAL ADVENTURE** As featured in Kirkus, Foreword, and on the cover of Publishers Weekly! Tight, exciting, and thoughtful... The characters are nicely varied and all the pieces fit into place deftly. -- Kirkus Reviews Risuko is an artfully crafted novel that evokes a heavy sense of place and enchantment.... Risuko's development and evolution are fascinating to watch in this powerful and relentless coming-of-age adventure. -- Foreword Reviews (spotlight review) Vividly portrayed, flush with cultural detail, and smoothly written. -- BookLife

**The Stranger Beside Me** Mar 17 2021

Florists' Review Jun 07 2020

Jonathan Strange and Mr Norrell Feb 13 2021 In the Hugo-award winning, epic New York Times Bestseller and basis for the BBC miniseries, two men change England's history when they bring magic back into the world. In the midst of the Napoleonic Wars in 1806, most people believe magic to have long since disappeared from England - until the reclusive Mr. Norrell reveals his powers and becomes an overnight celebrity. Another practicing magician then emerges: the young and daring Jonathan Strange. He becomes Norrell's pupil, and the two join forces in the war against France. But Strange is increasingly drawn to the wild, most perilous forms of magic, and he soon risks sacrificing his partnership with Norrell and everything else he holds dear. Susanna Clarke's brilliant first novel is an utterly compelling epic tale of nineteenth-century England and the two magicians who, first as teacher and pupil and then as rivals, emerge to change its history.

**Kindle Paperwhite User Guide** Dec 14 2020 The Kindle Paperwhite is an incredibly useful and versatile technology that looks as much on its own as an e-reader. In earlier times, large libraries could occupy entire huge buildings, and it could be costly and inconvenient for people to collect large amounts of books. The Paperwhite, on the other hand, is like a complete library of knowledge that fits in your backpack, briefcase or purse. It's no wonder that e-book readers are becoming more and more popular these days. But, as with all new technologies, you need to know how to use them to get the most out of them, no matter how advanced or practical they may be. This user guide focuses on how to get the most out of your Kindle Paperwhite. Here are a preview of this book: What is Kindle Paperwhite e-reader? How to setup your Kindle Paperwhite How to use the touch screen How to fix problems specifically a slow device An unboxing of the new Kindle Paperwhite. These lessons are discussed in this simple manual. Hit the Buy now with one click to grab a copy of this book to get the maximum benefit.

**How to Save a Life** Feb 02 2020 In this moving love story, three friends find out what it really means to save someone. "A heart-stopping, heart-wrenching, and heartwarming story that kept me reading well into the night."—Clare Pooley, New York Times bestselling author of *The Authenticity Project* Kerry Smith is going to save lives—and so is her best friend, Tim Palmer. After years of working toward medical school, they are about to take their entrance exams. But on the eve of the new millennium, a classmate goes into cardiac arrest, changing everything. For nearly eighteen minutes, rising soccer star Joel Greenaway is dead. For nearly eighteen minutes, Kerry performs CPR on her longtime crush. And for nearly eighteen minutes, Tim is too shocked to help. Though they don't yet know it, those eighteen minutes will change the next eighteen years of their lives. Because, as it turns out, saving a life doesn't always guarantee a happy ending. With his soccer career cut short, Joel lashes out and breaks Kerry's heart by ending their burgeoning relationship with a cruelty that derails her future, while Tim struggles to reconcile his dream of becoming a doctor with the reality of failing to act. As each struggles to move on from the events of that fateful New Year's Eve, their lives can't seem to stop colliding year after year. Ensnared by their shared histories and her big heart, Kerry soon finds herself picking up the pieces after both broken men. But when Kerry is the one who needs saving, will anyone be there for her? As Kerry, Tim, and Joel discover what it means to love, to forgive, and to find your calling, *How to Save a Life* shows us that there is more than one way to save a life—and more than one path to finding meaning in your own.

**Atomic Habits** Aug 10 2020 *The #1 New York Times* bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving—every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits—whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

**You Get What You Get** Dec 02 2019 Melvin likes to throw a tantrum when he does not get what he wants, but he learns that the classroom rule, "you get what you get and you don't throw a fit" applies at home as well.

**PC Mag** Sep 10 2020 PCMag.com is a leading authority on technology, delivering Labs-based, independent reviews of the latest products and services. Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology.

**INSPIRED** Jul 01 2022 How do today's most successful tech companies—Amazon, Google, Facebook, Netflix, Tesla—design, develop, and deploy the products that have earned the love of literally billions of people around the world? Perhaps surprisingly, they do it very differently than the vast majority of tech companies. In *INSPIRED*, technology product management thought leader Marty Cagan provides readers with a master class in how to structure and staff a vibrant and successful product organization, and how to discover and deliver technology products that your customers will love—and that will work for your business. With sections on assembling the right people and skillsets, discovering the right product, embracing an effective yet lightweight process, and creating a strong product culture, readers can take the information they learn and immediately leverage it within their own organizations—dramatically improving their own product efforts. Whether you're an early stage startup working to get to product/market fit, or a growth-stage company working to scale your product organization, or a large, long-established company trying to regain your ability to consistently deliver new value for your customers, *INSPIRED* will take you and your product organization to a new level of customer engagement, consistent innovation, and business success. Filled with the author's own personal stories—and profiles of some of today's most-successful product managers and technology-powered product companies, including Adobe, Apple, BBC, Google, Microsoft, and Netflix—*INSPIRED* will show you how to turn up the dial of your own product efforts, creating technology products your customers love. The first edition of *INSPIRED*, published ten years ago, established itself as the primary reference for technology product managers, and can be found on the shelves of nearly every successful technology product company worldwide. This thoroughly updated second edition shares the same objective of being the most valuable resource for technology product managers, yet it is completely new—sharing the latest practices and techniques of today's most-successful tech product companies, and the men and women behind every great product.

**The Ballad of Songbirds and Snakes (A Hunger Games Novel)** Mar 05 2020 Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

**The Big Exit** May 31 2022 Fresh out of prison, Richie Forman tries to settle back into his life in the Bay Area. By day, he works at a law firm dedicated to freeing innocent men from prison. By night, he makes a living impersonating Frank Sinatra. But then his ex-best friend is found hacked to death in his garage, and Richie becomes the prime suspect. In a murder mystery with the intricacies of a microchip, David Carnoy weaves his characters like a master.

**My Journey with Infiltrating Ductile Carcinoma (Breast Cancer)** Sep 03 2022 In the nonfiction story *My Journey with Infiltrating Ductile Carcinoma (Breast Cancer)*, author W. Andranette Anderson uses passion and emotion in order to let her audience know how the challenges of breast cancer affect her and her family. Her challenges are compounded when her mother and stepdad are also diagnosed with serious illnesses. She is now the primary caregiver not only for her parents but also for herself. The story takes place over a period of two and a half years. During this time, Andranette does her best to live her life as normally as possible, do whatever is needed for her parents, and use her daily activities as a much needed respite in order to ensure her own self preservation. Though she had to stop working as an educator to take care of her parents and herself, she would not trade anything for the lessons that she learned from this awe-inspiring experience.

**Marking Kane** Jan 15 2021 Gabriel Martin has hope. Three of the Alphas on the council have found mates in the past few years. Returning to New York from Atlanta, he comes across a human who has been raped in an alleyway. The human is his mate, Kane Brady. Kane has been teaching at the local high school and refuses to rubber stamp the education of their star basketball players -- almost paying the price with his life. He's unusual as he's a human Omega but he can't be intimate with Gabriel because of his horrific experience. It's up to the Alphas and their Mates to help Kane recover and accept all that it is to be with Gabriel.

[Binary Star](#) May 07 2020 An intense, elegiac portrait of young lovers as they battle personal afflictions, toy with veganarchism, and traverse the American countryside.

[52 Funeral Sermons](#) Oct 04 2022 For most of us, one of the most rewarding, yet difficult tasks, is preparing messages to preach and teach. We are honored by God to stand before our congregation each week, and we want to give them the very best, but with the press of the many demands of ministry, sometimes that is difficult to do. And if you're like me, you prefer writing your own sermons because you have a special connection with your congregation that is hard to reach through a message someone else has written. In other words, no one knows your people like you do! Our new Pulpit Outline Series gives you a starting point - a sermon title, a deductive sermon outline; and a relevant illustration you can use however you like. In this edition, rather than an outline, we have given you full manuscript messages that can be edited to suit your purposes. We invite you to make these messages your own, because only you know the people God has called you to preach to. And we are so honored that you've invested in this unique third volume in the Pulpit Outline series - 52 Funeral Sermons. We have put together the most tasteful, relevant, and Biblical messages possible. May God Bless You as You Share His Word!

[The Paperwhite Narcissus](#) May 19 2021 When Martha's Vineyard is rocked by the murder of a real-estate developer with an unhappy wife, unpleasant attitude toward women, and much disliked plans for the island, it is up to ninety-two-year-old sheriff's deputy Victoria Trumbull to find the culprit responsible.

[MOX](#) Jul 21 2021 A vivid trip through the mind of the top professional wrestler in the business—a nobody from nowhere who achieved his ambitions and walked away with the gold and the girl of his dreams. Ride alongside Jon Moxley as he retraces some of the highways traveled on his remarkable journey. Revel in the never-before-told stories about his early life in Cincinnati, Ohio; the gritty independent wrestling scene where he cut his teeth; the complicated corporate landscape of the WWE where he bucked against authority; and the rebellious upstart AEW, where he won the championship in 2020 and was finally free to achieve the vision of the wrestler he'd always wanted to be. With plenty of pitstops and revelatory insights, including grisly ultraviolent encounters, crazy characters who became lifelong friends, and his unforgettable matches in Japan, MOX is the riveting account of the life of a brawler. It is a tale written in blood and soaked in debauchery, with a good dose of wisdom accumulated along the way. More than a backstage pass into the arena, MOX is a ticket into the ring. Once inside, you'll never look at pro wrestling the same again.

[An Echo in the Bone](#) Mar 29 2022 A new Outlander novel — the seventh — from #1 National Bestselling author Diana Gabaldon. Readers have been waiting with bated breath for the seventh volume in bestselling author Diana Gabaldon's epic Outlander saga — a masterpiece of historical fiction featuring Jamie and Claire, from one of the genre's most popular and beloved authors. Jamie Fraser, erstwhile Jacobite and reluctant rebel, knows three things about the American rebellion: the Americans will win, unlikely as that seems in 1778; being on the winning side is no guarantee of survival; and he'd rather die than face his illegitimate son — a young lieutenant in the British Army — across the barrel of a gun. Fraser's time-travelling wife, Claire, also knows a couple of things: that the Americans will win, but that the ultimate price of victory is a mystery. What she does believe is that the price won't include Jamie's life or happiness — not if she has anything to say. Claire's grown daughter Brianna, and her husband, Roger, watch the unfolding of Brianna's parents' history — a past that may be sneaking up behind their own family.

[Mobile Tech Report 2014](#) Jan 03 2020 If you read technology news, you'll notice it's not just a story of amazing new product introductions, or even that plus copycat product introductions. All the usual aspects of business are there: fierce competition, new contenders, old survivors, great ideas but business failures, mediocre ideas that somehow seem to succeed and prosper. As a reporter, commentator and blogger on mobile technology, I've collected what happened in the industry in 2013 and make predictions on what will and won't happen in 2014. You can read what did happen in the mobile technology in 2013. Often I deliver a comment with the news item and usually there is a link to the web page of the original announcement. This way you can dive into any detail level you desire, read my news feed for the overview or follow the related web link to the longer article. History is moving so fast now that it is all recorded electronically, but I'm surprised no one else has collected it and presented it for consideration. Here is 2013 from the mobile technology industry for your consideration along with my own observations and opinions about where things are headed. It's often overlooked that the technology industry is an industry. By that I mean its main concerns are profit and growth. As consumers we love the new products and unique abilities we are gaining from technology, but it is a business akin to any other, trying to seduce us to pry money out of our wallets. So I cover the horse race aspect of the business, who's up, who's down. Is that changing? Is that likely to change? The longer implications of what the technology industry is doing are vast and social. We are moving to an always on, always connected society where we can communicate with someone instantly and find an answer to any question quickly. The entire database of human knowledge is now available in the palm of your hand whenever you desire it. Everything is there, the good, the bad, right and wrong, hate and love, music and noise. We are obsessed with technology, not in and of itself, but as a means to an end. Technology is the means to satisfy our curiosity or even our desire for self-expression. We are taking photos machine gun-style with our smartphones and choose the few to share. As humans we are gathering ever more data about ourselves and sharing more about ourselves than we probably thought possible. Bill Gates was once asked why the computer industry had generated so much improvement in its products over a relatively few years. He gave some boring answer about Moore's Law, but the real answer is that computers are in their teenage years. They are growing and growing. They will not always do so. So too the technology industry is in a state of rapid change. I see the shift to smaller devices as a new paradigm, smashing some businesses and growing others into giants. Their stories are here in the news. In short here are predictions for what won't and will happen in 2014 for the mobile technology industry, breakdowns of marketshare figures on the horse race aspect of the business, chapters on Apple, Samsung, Google, Microsoft, Nokia, Blackberry, Amazon, Yahoo, news about social media giants Facebook, Twitter, Google+, LinkedIn, Foursquare, SnapChat and the carriers themselves Verizon, AT&T, Sprint and T-Mobile. You can also review my 2013 mobile predictions and see my track record on predictions. Finally there are some essays on how all this mobile tech is figuring into our lives. I've divided the news into the subjects it covers, but also put in the appendix all the news as it came out in chronological ordering. You can read the firehose of events in the appendix, or just read about one topic at a time in the earlier chapters. Table of Contents Preface Introduction Chapter 1: 2014 Predictions Chapter 2: Mobile Marketshare Chapter 3: Apple Chapter 4: Samsung Chapter 5: Google Chapter 6: Microsoft Chapter 7: Nokia Chapter 8: Blackberry Chapter 9: Amazon Chapter 10: Social Media Chapter 11: Yahoo Chapter 12: Carriers Chapter 13: 2013 Predictions Chapter 14: Essays Appendix
