Ballads of Suburbia Dec 13 2020 Ballads are the kind of songs that Kara McNaughton likes best. Not the clichéd ones where a diva hits her dramatic high note or a rock band tones it down a couple of notches for the ladies, but the true ballads: the punk rocker or the country crooner reminding their listeners of the numerous ways to screw things up. In high school, Kara helped maintain the "Stories of Suburbia" notebook, which contained newspaper articles about bizarre, tragic events from suburbs all over America, and personal vignettes that Kara dubbed "ballads" written by her friends in Oak Park, just outside of Chicago. But Kara never wrote her own ballad. Before she could figure out what her song was about, she left town suddenly at the end of her junior year. Now, four years later, Kara returns to her hometown to face the music, needing to revisit the disastrous events that led to her leaving, in order to move on with her life. Intensely powerful and utterly engaging, *Ballads of Suburbia* explores the heartbreaking moments when life changes unexpectedly, and reveals the consequences of being forced to grow up too soon.

Iron Hearted Violet Jan 14 2021 Newbery Medal winner Kelly Barnhill spins a wondrously different kind of fairy-tale: In most fairy tales, princesses are beautiful, dragons are terrifying, and stories are harmless. But this isn't most fairy tales... Princess Violet is plain, reckless, and quite possibly too clever for her own good. Particularly when it comes to telling stories. One day she and her best friend, Demetrius, stumble upon a hidden room and find a peculiar book. A forbidden book. It tells a story of an evil being, called the Nybbas, imprisoned in their world. The story cannot be true--not really. But then the whispers start. Violet and Demetrius, along with an ancient, scarred dragon-the last dragon in existence, in fact-may hold the key to the Nybbas's triumph or its demise. It all depends on how they tell the story. After all, stories make their own rules. Iron Hearted Violet is a story about the power of stories, our belief in them, and how one enchanted tale changed the course of an entire kingdom.
