A Clockwork Orange (Restored Text) Mar 21 2022 A newly revised text for A Clockwork Orange's 50th anniversary brings the work closest to its author's intentions. A Clockwork Orange is as brilliant, transgressive, and influential as when it was published fifty years ago. A nightmare vision of the future told in its own fantastically inventive lexicon, it has since become a classic of modern literature and the basis for Stanley Kubrick's once-banned film, whose recent reissue has brought this revolutionary tale on modern civilization to an even wider audience. Andrew Biswell, PhD, director of the International Burgess Foundation, has taken a close look at the three varying published editions alongside the original typescript to recreate the novel as Anthony Burgess envisioned it. We publish this landmark edition with its original British cover and six of Burgess's own illustrations.

The Long Day Wanes Jan 19 2022 Set in postwar Malaya at the time when people and governments alike are bemused and dazzled by the turmoil of independence, this three-part novel is rich in hilarious comedy and razor-sharp in observation. The protagonist of the work is Victor

Crabbe, a teacher in a multiracial school in a squalid village, who moves upward in position as he and his wife maintain a steady decadent progress backward. A sweetly satiric look at the twilight days of colonialism.

The Black Prince May 11 2021 'I'm working on a novel intended to express the feel of England in Edward III's time ... The fourteenth century of my novel will be mainly evoked in terms of smell and visceral feelings, and it will carry an undertone of general disgust rather than hey-nonny nostalgia' – Anthony Burgess, 1973 *The Black Prince* is a brutal historical tale of chivalry, religious belief, obsession, siege and bloody warfare. From disorientating depictions of medieval battles to court intrigues and betrayals, the campaigns of Edward, the Black Prince, are brought to vivid life. This rambunctious book, based on a completed screenplay by Anthony Burgess, showcases Adam Roberts in complete control of the novel as a way of making us look at history with fresh eyes, all while staying true to the linguistic pyrotechnics and narrative verve of Burgess's best work.

Obscenity and the Arts Jun 19 2019

Nineteen Eighty-five Nov 17 2021 In characteristically daring style, Anthony Burgess combines two responses to Orwell's 1984 in one book. The first is a sharp analysis: through dialogues, parodies and essays, Burgess sheds new light on what he called 'an apocalyptic codex of our worst fears', creating a critique that is literature in its own right. Part two is Burgess' own dystopic vision, written in 1978. He skewers both the present and the future, describing a state where industrial disputes and social unrest compete with overwhelming surveillance, security concerns and the dominance of technology to make life a thing to be suffered rather than lived. Together these two works form a unique guide to one of the twentieth century's most talented, imaginative and prescient writers. Several decades later, Burgess' most singular work still stands.

The End of the World News Sep 15 2021 A futuristic account of the world's end is composed of three narrative strands presented as if viewed simultaneously, featuring historical and fictional figures, and shifting from New York, to Vienna, to outer space

The Power of Adrienne Rich Dec 26 2019 The first comprehensive biography of Adrienne Rich, feminist and queer icon and internationally revered National Book Award winning poet. Adrienne Rich was the female face of American poetry for decades. Her forceful, uncompromising writing has more than stood the test of time, and the life of the woman behind the words is equally impressive. Motivated by personal revelations, Rich transformed herself from a traditional, Radcliffe-educated lyric poet and married mother of three sons into a path-breaking lesbian-feminist author of prose as well as poetry. In doing so, she emerged as both architect and exemplar of the modern feminist movement, breaking ranks to denounce the male-dominated literary establishment and paving the way for the many queer women of letters to take their places in the cultural mainstream. Drawing on a wealth of unpublished materials, including Rich's correspondence and in-depth interviews with numerous people who knew her, Hilary Holladay digs deep into never-before-accessed sources to portray Rich in full dimension and vivid, human detail.

Honey for the Bears Aug 14 2021 "There are so few genuinely entertaining novels around that we ought to cheer whenever one turns up. Continuous, fizzing energy...Honey for the Bears is a triumph." —Kingsley Amis, *New York Times* A sharply written satire, *Honey for the Bears* sends an unassuming antiques dealer, Paul Hussey, to Russia to do one final deal on the black market as a favor for a dead friend's wife. Even on the ship's voyage across, the Russian sensibility begins to pervade: lots of secrets and lots of vodka. When his American wife is stricken

by a painful rash and he is interrogated at his hotel by Soviet agents who know that he is trying to sell stylish synthetic dresses to the masses starved for fashion, his precarious inner balance is thrown off for good. More drink follows, discoveries of his wife's illicit affair with another woman, and his own submerged sexual feelings come breaking through the surface, bubbling up in Russian champagne and caviar.

The Ink Trade Nov 24 2019 'The title of journalist is probably very noble, but I lay no real claim to it. I am, I think, a novelist and a musical composer manqué: I make no other pretensions ...' Anthony Burgess Despite his modest claims, Anthony Burgess was an enormously prolific journalist. During his life he published two substantial collections of journalism, *Urgent Copy* (1968) and *Homage to Qwert Yuiop* (1986); a posthumous collection of occasional essays, *One Man's Chorus*, was published in 1998. These collections are now out of print, and Burgess's journalism, a key part of his prodigious output, has fallen into neglect. *The Ink Trade* is a brilliant new selection of his reviews and articles, some savage, some crucial in establishing new writers, new tastes and trends. Between 1959 and his death in 1993 Burgess contributed to newspapers and periodicals around the world: he was provocative, informative, entertaining, extravagant, and always readable. Editor Will Carr presents a wealth of unpublished and uncollected material.

One Hand Clapping Nov 05 2020 With film rights acquired by Francis Ford Coppola, this comic novel of instant riches is back in stock. From the author of *A Clockwork Orange*, *One Hand Clapping* is a comedy of game shows and greed, high stakes and the high life. The tragi-comedy of used car salesman Howard Shirley, his photographic brain, and the modern world's trivia and trivialities makes for vintage Burgess--at once hilarious and provocative. "Witty and shrewdly joyful."--The New York Times Book Review "A funny, pointed novel."--The New Yorker "Ingeniously and devilishly funny."--The Atlantic Monthly

You've Had Your Time Jul 13 2021 After returning from a trip to Brunei, Anthony Burgess, initially believing he has only a year to live, begins to write - novels, film scripts, television series, articles. It is the life of a man desperate to earn a living through the written word. He finds at first that writing brings little success, and later that success, and the obligations it brings, interfere with his writing - especially of fiction. There were vast Hollywood projects destined never to be made, novels the critics snarled at, journalism that scandalised the morally scrupulous. There is the éclat of *A Clockwork Orange* (and the consequent calls for Burgess to comment on violent atrocities), the huge success - after a long barren period - of *Earthly Powers*. There is a terrifying first marriage, his description of which is both painful and funny. His second marriage - and the

discovery that he has a four-year-old son - changes his life dramatically, and he and Liana escape to the Mediterranean, for an increasingly European life. With this marriage comes the triumphant rebirth of sex, creative energy and travel - to America, to Australia and all over Europe.

The Wanting Seed Jun 24 2022 Set in the near future, *The Wanting Seed* is a Malthusian comedy about the strange world overpopulation will produce. Tristram Foxe and his wife, Beatrice-Joanna, live in their skyscraper world where official family limitation glorifies homosexuality. Eventually, their world is transformed into a chaos of cannibalistic dining-clubs, fantastic fertility rituals, and wars without anger. It is a novel both extravagantly funny and grimly serious.

A Dead Man in Deptford Mar 09 2021 'One of the most productive, imaginative and risk-taking of writers... Poet, lover and spy, Marlowe must negotiate the pressures placed upon him by the theatre, Queen and country. Burgess brings this dazzling figure to life and pungently evokes Elizabethan England. 'A fast, funny, flawless recreation' Hilary Mantel See also: *Earthly Powers*

Foucault's Pendulum Jul 01 2020 Bored with their work, three Milanese editors cook up "the Plan," a hoax that connects the medieval Knights Templar with other occult groups from ancient to modern times. This produces a map indicating the geographical point from which all the powers of the earth can be controlled—a point located in Paris, France, at Foucault's Pendulum. But in a fateful turn the joke becomes all too real, and when occult groups, including Satanists, get wind of the Plan, they go so far as to kill one of the editors in their quest to gain control of the earth. Orchestrating these and other diverse characters into his multilayered semiotic adventure, Eco has created a superb cerebral entertainment.
