*When We Cease to Understand the World* Jul 06 2020 One of The New York Times Book Review's 10 Best Books of 2021 Shortlisted for the 2021 International Booker Prize and the 2021 National Book Award for Translated Literature A fictional examination of the lives of real-life scientists and thinkers whose discoveries resulted in moral consequences beyond their imagining. When We Cease to Understand the World is a book about the complicated links between

scientific and mathematical discovery, madness, and destruction. Fritz Haber, Alexander Grothendieck, Werner Heisenberg, Erwin Schrödinger—these are some of luminaries into whose troubled lives Benjamín Labatut thrusts the reader, showing us how they grappled with the most profound questions of existence. They have strokes of unparalleled genius, alienate friends and lovers, descend into isolation and insanity. Some of their discoveries reshape human life

for the better; others pave the way to chaos and unimaginable suffering. The lines are never clear. At a breakneck pace and with a wealth of disturbing detail, Labatut uses the imaginative resources of fiction to tell the stories of the scientists and mathematicians who expanded our notions of the possible.

**The Secret Life of Stones** Oct 21 2021 There is a secret life in the Universe. The physical world is an illusion arising from our human perception, and the fundamental reality is

consciousness; it is experiential. This is the conclusion of quantum physics and our latest consciousness research. There is a secret life of stones. Knowing this changes everything. It is the tipping point revealing a new world-one in which you are immersed, like a fish in water, in aliveness, consciousness, experiential units...and all of it friendly, compassionate, reaching out to you and helping you...even in spite of you. This book presents a logical philosophical journey that wanders and explores the terrain leading up to and supporting such overstandings. Then, it hovers above those astonishing revelations and

glories in the implications of them for understanding our Reality, our non-separation from each other, our Identity as Self and Divinity, and for guidance for our lives. In so doing, we peer through a portal wherein we are again one with the Universe. We find ourselves on the edge of a coming together as grand as that which we experienced at conception. We receive the gift of a heritage we long ago and mistakenly repudiated-a worldview in which we are seen as belonging, at home, and once again noble within the world we inhabit. The Universe is at base Consciousness, Absolute Subjectivity, Experience, or

mind-stuff. This is the finding of quantum physics and Consciousness research. Does that not imply that matter and stones are, somehow, aspects of that Consciousness, mind-stuff, Experience? This book explains how that is so and reveals the profound implications that has for us and how we live our lives. In so doing, it gives us back a heritage we long ago and mistakenly repudiated - a worldview in which we are seen as belonging, at home, and once again noble within the world we inhabit. Using rediscovered psychotechnologies, people are able to identify with and experience the consciousnesses

not only of other planetmates - that is, other species on Earth - but also are able to merge with and experience the consciousness of higher orders of beings: the Earth, individual planets, the galaxy, individual collections of people - such as the women of all time; and even collectives of supranormal beings and realities - archetypal consciousness and its reality. It is possible to experience consciousness of supposedly inanimate, non-living forms and even identify with consciousnesses on the atomic and subatomic levels. So trees bloom for the joy of it. Bees delight in their tasks. The ocean is deep, wise, and comforting. And the Universe is

pervaded by love, which we erroneously label gravity. This is what we know because we are part of Reality, part of Nature, part of Divinity and not superior to it as the dominant religions presume.... Or fallen from it like we are some kind of alien fruit that was somehow projected out of a tree, a Nature, that we have no part of, as scientists assume. This book presents a logical philosophical journey that wanders and explores the terrain leading up to and supporting such overstandings. Then, it hovers about that terrain and glories in the implications of that for understanding our Reality, our Identity as Self and Divinity,

and for guidance for our life. [Listening to Ecstasy](#) Mar 26 2022 A personal narrative and guide to the safe, responsible use of MDMA for personal healing and social transformation • Details the author's 50 years of responsible experimentation with mind-altering substances and how Ecstasy has helped him become a better therapist • Explains how he and his wife found Ecstasy to be the key to renewing and enriching their lives and marriage as they entered their senior years • Describes what the experience actually feels like and provides protocols for the safe, responsible, recreational, and celebrational use of MDMA for

individuals and groups In a world that keeps us separate from each other, MDMA is the chemical of connection. Aptly known in popular culture as “Ecstasy,” MDMA helps us rediscover our own true loving nature, often obscured by the traumas of life. On its way to becoming a prescription medication due to groundbreaking research on its use to treat PTSD, Ecstasy can offer benefits for all adult life stages, from 20-somethings to seniors. In this memoir and guide to safe use, Charles Wininger, a licensed psychoanalyst and mental health counselor, details the countless ways that Ecstasy has helped him become a

better therapist and husband. He recounts his coming of age in the 1960s counterculture, his 50 years of responsible experimentation with mind-altering substances, and his immersion in the new psychedelic renaissance. He explains how he and his wife found Ecstasy to be the key to renewing and enriching their lives as they entered their senior years. It also strengthened the bonds of their marriage. Countering the fearful propaganda that surrounds this drug, Wininger describes what the experience actually feels like and explores the value of Ecstasy and similar substances for helping psychologically healthy

individuals live a more “optimal” life. He provides protocols for the responsible, recreational, and celebrational use of MDMA, including how to perfect the experience, maximize the benefits and minimize the risks, and how it may not be for everyone. He reveals how MDMA has revitalized his marriage, both erotically and emotionally, and describes how pleasure, fun, and joy can be profound bonding and transformative experiences. Revealing MDMA’s versatility when it comes to bringing lasting renewal, pleasure, and inspiration to one’s life, Wininger shows that recognizing the transformative

power of happiness-inducing experiences can be the first step on the path to healing. [The New Art of Sexual Ecstasy](#)  
Jul 26 2019 New edition of the best-selling guide to transforming sexuality and orgasm through sacred ritual and ancient techniques. The New Art of Sexual Ecstasy opens the way to a new stage of fulfillment and bliss, making the sacred lovemaking techniques of the East available to Western readers and extending sensual experience for everyone. This landmark book on human sexuality provides simple techniques that help readers to discover new sexual experiences, combining physical pleasure with intense

emotional and spiritual joy. Includes a wide range of practical ways to enhance sexual pleasure and deepen intimacy, including massage, visualisation, breathing, ritual, movement and fantasy. The sexual secrets outlined in this book include: \* how to prolong pleasure \* how to extend orgasms so it becomes a whole body experience \* how to recover sexual sensation \* how to have a multiple orgasm - for men and women \* how to increase arousal and extend the sexual experience. Also included are many innovative sexual positions for versatility and compatibility. The emphasis in the book is on transforming sexuality beyond

the merely physical, making it a truly spiritual experience. This book is ideal for anyone looking to bring spirituality back into sex, using it to bring the body and soul into union to discover a whole new experience.

**The Tao of Intimacy and Ecstasy** Jan 12 2021 “Harmony is the essence of a lasting and loving relationship,” teaches Solala Towler, “and no teaching offers us greater insight into the path of harmony than the Tao.” For anyone seeking to build greater connection, intimacy, and sexual fulfillment in their relationship, Towler presents The Tao of Intimacy and Ecstasy—an essential guide to

a natural and joyous way of love. Filled with timeless practices and guidance for both individuals and couples, this elegant book explores:

**Acid Test** Sep 27 2019 “A book that should start a long-overdue national conversation.” —Dave Barry  
With the F.D.A. agreeing to new trials to test MDMA (better known as Ecstasy) as a treatment for

PTSD—which, if approved, could be available as a drug by 2021—*Acid Test* is leading the charge in an evolving conversation about psychedelic drugs. Despite their current illegality, many Americans are already familiar with their effects. Yet while LSD and MDMA have proven extraordinarily effective in treating anxiety disorders such as PTSD, they still remain off-limits to the millions who might benefit from them. Through the stories of three very different men, award-winning journalist Tom Shroder covers the drugs’ roller-coaster history from their initial reception in the 1950s to the negative stereotypes that persist today. At a moment

when popular opinion is rethinking the potential benefits of some illegal drugs, and with new research coming out every day, Acid Test is a fascinating and informative must-read.

*Gods of Love and Ecstasy* Oct 28 2019 Shiva and Dionysus are the Hindu and Greek gods of magical power, intoxication, ecstatic sexuality, and transcendence who initiate us into communion with the creative forces of life. Revealing the earliest sources of the traditions of Shiva and Dionysus, Alain Danielou reconstructs the fabric of our ancient relationship with creation, vividly relating practices that were observed

from the Indus Valley to the coasts of Portugal at least six thousand years ago.

### **The Sexual Ecstasy**

**Workbook** May 16 2021 A concise, illustrated workbook to Tantric lovemaking by the bestselling author of *Sexual Ecstasy* and *The Art of Sexual Ecstasy*. The *Sexual Ecstasy Workbook* is the perfect practical guide for the countless lovers who complain that sexual harmony is so easily broken and that love, rather than being pure bliss, is more like walking through a minefield-where at any moment a false move can turn off enthusiasm and snuff out all chances for orgasmic satisfaction. Problematic

situations readers will learn how to successfully maneuver include: - She is turned on and wants to make love, but doesn't dare express it. - He wants her, but she seems so busy that he doesn't dare interrupt and ask. - The world-in the form of ringing cell phones, paging beepers, droning television, and domestic duties-prevents the focused intimacy that is the core of bliss. - Awkwardness-not knowing how to caress-turns lovemaking into a burdensome chore. The *Sexual Ecstasy Workbook* presents a user-friendly, step-by-step method for connecting more deeply with one's ecstatic potential, erotic goals, and ability to appreciate one's self

and one's partner.

**Ecstasy** Jun 16 2021 Ram Das Baba, as his devotees call him, is the son of a devout Brahmin family. He spends a lifetime seeking spiritual knowledge and his journey is filled with illuminating visions, severe tribulations, and an unwavering faith. His destiny as a highly evolved Sadhu is fulfilled through ordeals of monastic bliss, tantric awakening, madness, and transexuality. But as his life nears its end he meets a young man who belongs to a very different India and a profound relationship develops.

**Spectrum of Ecstasy** Nov 21 2021 Here two Western-born lamas of the Nyingma tradition

of Vajrayana Buddhism explore what it means to be utterly emotionally alive. Written in contemporary, nonacademic language, this book is a radical challenge to the misconception that inner Vajrayana is primarily an esoteric system of ritual and liturgy. The authors teach that emotions can be embraced as a rich and profound opportunity for realization. This fiercely compassionate battle cry rallies all who are audacious enough to appreciate emotions for their supreme potential as vehicles for awakening.

**Lifesigns** Nov 29 2019 "You cannot read Lifesigns and not be moved... This book will undoubtedly find its place

among the classics of twentieth-century literature." -- Grand Rapids Press The inspirational writings of Henri Nouwen have touched millions of readers all over the world. Much beloved as a lecturer, spiritual guide, and especially as an author, he communicated a profound message of hope that finds great resonance in today's world. In his now classic work Lifesigns, he explores what he saw as three of the most vital aspects of his ministry. The first of these is the Gospel invitation to intimacy, which Nouwen describes as communion with God and relationship with others. The second is the call to fecundity, exhorting us to be

open to a fruitful life of change and growth. And the third, the experience of ecstasy, extends the Gospel promise "that your joy may be full." Inspired by L'Arche, the worldwide network of communities where handicapped people and their assistants try to live together in the spirit of the Scriptures, Nouwen shows how these three elements offer the essential key to a life free from the domination of fear and filled instead with hope and love.

**Yeah Dave's Guide to Livin' the Moment** Mar 14 2021

Yeah Dave" Romanelli puts chocolate, wine, and excellent tunes right on the path to enlightenment. What's not to love? David "Yeah Dave" Romanelli is kinda hip, kinda goofy, and occasionally really outrageous, an unlikely guru who is reinventing the quest for enlightenment. For Yeah Dave, the path to ecstasy doesn't require any previous experience with yoga, meditation, or wellness. He shows us how to find

transcendence through everyday pleasures, like admiring the sunset or rocking out to your favorite band. "There is a place where the chocolate tastes sweeter, the music sounds better, the inspiration feels richer, and the visions look clearer," writes Dave. "That place is the Moment." Yeah Dave's Guide to Livin' the Moment offers an alternative to the crazy, over-stimulating, distracted world we live in today, a world in which we watch the news while eating, eye our email while conversing, and forget to notice the full moon while texting. On our mission for speed, movement, and stimulation, we risk missing

our life. Yeah Dave's book gives us our life back, one beautiful, delicious, and funny moment at a time. Yeah Dave's Guide will make you laugh out loud while taking you someplace totally unexpected. Through hilarious vignettes about his dorky moves on the dance floor, his Crackberry addiction, and his tryst with Hot Horny Married Woman, he shares fresh and unforgettable wisdom. Without dogma or anything too "out there," Dave makes you want to slow down the blur of modern life and find the full flavor, power, and passion that can only be found in the Moment.

*Psychedelic Mysteries of the Feminine* Dec 31 2019 An

exploration of the connections between feminine consciousness and altered states from ancient times to present day • Explores the feminine qualities of the psychedelic self, ancient female roots of shamanism, and how altered states naturally tap into the female archetype • Discusses feminist psychedelic activism, female ecstasies, goddess consciousness, the dark feminine, and embodied paths to ecstasy • Includes contributions by Martina Hoffmann, Amanda Sage, Carl Ruck, and others Women have been shamans since time immemorial, not only because women have innate intuitive gifts, but also because the

female body is wired to more easily experience altered states, such as during the process of birth. Whether female or male, the altered states produced by psychedelics and ecstatic trance expand our minds to tap into and enhance our feminine states of consciousness as well as reconnect us to the web of life. In this book, we discover the transformative powers of feminine consciousness and altered states as revealed by contributors both female and male, including revered scholars, visionary artists, anthropologists, modern shamans, witches, psychotherapists, and policy makers. The book begins with a

deep look at the archetypal dimensions of the feminine principle and how entheogens give us open access to these ancient archetypes, including goddess consciousness and the dark feminine. The contributors examine the female roots of shamanism, including the role of women in the ancient rites of Dionysus, the Eleusinian Sacrament, and Norse witchcraft. They explore psychedelic and embodied paths to ecstasy, such as trance dance, holotropic breathwork, and the similarities of giving birth and taking mind-altering drugs. Looking at the healing potential of the feminine and altered states, they discuss the power of plant medicines,

including ayahuasca, and the recasting of the medicine-woman archetype for the modern world. They explore the feminine in the creative process and discuss feminist psychedelic activism, sounding the call for more female voices in the psychedelic research community. Sharing the power of “femtheogenic” wisdom to help us move beyond a patriarchal society, this book reveals how feminine consciousness, when intermingled with psychedelic knowledge, carries and imparts the essence of inclusivity, interconnectedness, and balance our world needs to heal and consciously evolve.

2021 From Barbara Carrellas, sex expert and author of the best-selling book *Urban Tantra*, comes *Ecstasy is Necessary*. This is not your average tips-and-techniques sex book; rather it is an exploratory journey of the sexual self and the infinite possibilities of ecstatic expression. In *Ecstasy is Necessary*, Carrellas teaches readers how to discover, nurture, expand, and embrace their authentic, ever-evolving, sensual, sexual self. Everyone goes through different phases of sexual expression and desire, and there are an infinite number of erotic and ecstatic possibilities available at all points along the way. The insights readers will gain in

their journey with Carrellas will help them confidently approach sex and relationships in a way that works for them no matter where they are in their sexual evolution. They will get tools for solving the inevitable challenges that arise. They'll even receive permission not to have sex at all, if that's what's right for them, because it is possible to create ecstatic experiences even when sex itself is not possible, available, or appropriate. Using stories and simple exercises, Carrellas helps readers understand how they are wired for sex and relationships, what their personal warning signs look like, and what they need for optimum care. Plus, they'll

learn how to effectively communicate this information to others so that they can be loved more easily and effectively. As readers discover their authentic sexual selves, they will learn how to create the conditions that allow more and more of their experiences and relationships to be opportunities for-and invitations to-ecstasy.

**Ecstasy and the Rise of the Chemical Generation** Aug 19 2021 This book about ecstasy users' lives is based on one of the biggest government-funded projects ever undertaken and gives voice to the chemical generation for the first time. In the UK, where the study was conducted, over fifty per cent

of young people use drugs, a quarter of them regularly. The people in this book are ordinary, decent, family-loving people, with normal lives, normal problems and normal aspirations. Through their own words we hear how they first started using ecstasy, how they use it in different ways, why clubbing and raving are so important, how good sex is on ecstasy, how they chill out, how they come down, what problems they encountered and why they quit. This path-breaking book ends by trying to answer the questions on the lips of every member of the chemical generation: what are the long-term effects of ecstasy? Because we can't

answer them, the authors claim, we are failing in our duty to our children: telling them not to take ecstasy is alienating and pointless. **The Art of Forgiveness, Lovingkindness, and Peace** May 04 2020 You hold in your hand an invitation: To remember the transforming power of forgiveness and lovingkindness. To remember that no matter where you are and what you face, within your heart peace is possible. In this beautiful and graceful little book, internationally renowned Buddhist teacher and meditation master Jack Kornfield has collected age-old teachings, modern stories, and time-honored practices for

bringing healing, peace, and compassion into our daily lives. Just to read these pages offers calm and comfort. The practices contained here offer meditations for you to discover a new way to meet life's greatest challenges with acceptance, joy, and hope. Tantra Nov 02 2022 Today's foremost yoga researcher offers a clear and lively introduction to the history, philosophy, and practice of the Tantric spiritual tradition Tantra—often associated with Kundalini Yoga—is a fundamental dimension of Hinduism, emphasizing the cultivation of “divine power” (shakti) as a path to infinite bliss. Tantra has been widely

misunderstood in the West, however, where its practices are often confused with eroticism and licentious morality. Tantra: The Path of Ecstasy dispels many common misconceptions, providing an accessible introduction to the history, philosophy, and practice of this extraordinary spiritual tradition. The Tantric teachings are geared toward the attainment of enlightenment as well as spiritual power and are present not only in Hinduism but also Jainism and Vajrayana Buddhism. In this book, Georg Feuerstein offers readers a clear understanding of authentic Tantra, as well as appropriate guidance for

spiritual practice and the attainment of higher consciousness. *The Song of Ecstasy* Sep 07 2020 Talks on Adi Shankara's Bhaj Govindam "Shankara is a unique person. And it is very easy to misunderstand the unique person because he is beyond your common understanding. It seemed to people that he was a logician, a great logician. But can a great logician say, 'Sing! Dance! Sing the song of the divine'? It is just not possible for him to say so. Such words can be spoken only by a lover of the divine from the depths of his heart." —OSHO The eighth-century enlightened mystic, Adi Shankaracharya, traveled

across India arguing, debating and defeating all the renowned scholars, theologians and religious leaders of the time, but at the same time he never forgot to sing his song of ecstasy and live his joy in life. Shankara is a man close to Osho's heart - a man who has an enlightened consciousness, a towering intellect, but who also came to understand, from his own experience, the opportunities for awareness and self-understanding that living each moment "in the marketplace" can give. As he comments on Shankara's Bhaj Govindam, his song of ecstasy, and responds to related questions, Osho introduces his vision of the New Man, the

whole man - joyous, silent, ecstatic; repressing nothing, delighting in and watching everything.

*Making Love Forevermore* Jan 30 2020 A healthy, vibrant

sexual relationship is crucial to both parties in a marriage.

When John L and his wife divorced after forty-two years of marriage and five children, he began contemplating how to revolutionize his sex life. After studying the major thinkers and researchers of sexual philosophy that included Kinsey, Masters and Johnson, Ogden, Tantra, Quodoushka, and others, John learned the difference between having sex, making love, and divine sexual union. In a candid guide intended to shift humanity's thinking away from hatred and suspicion and toward love and tolerance, John shares personal anecdotes and insight from his research in order to help others

attain guilt-free, divine sexual relationships. After reflecting on his Catholic upbringing and how it affected his own views about sexuality, John explores the female perspective, divorce and relationships, pride in the physical self, exercise and nutrition, guilt trips and cultural values, sexual options, and much more. Making Love Forevermore shares anecdotes and insight from great thinkers to encourage both sexes to experiment, have honest conversations, make love, seek mutual pleasure, and embrace their spiritual powers.

transcendence and exaltation. Today, many BDSM and leather practitioners are discovering the potential of SM practice to reach personal, interpersonal and spiritual goals. In *Radical Ecstasy*, bestselling BDSM/sexuality authors Easton and Hardy document their own journeys into the transcendent realm of kink. With their trademark frankness and humor, they share their own stories and philosophies. They also share techniques that have worked for them - techniques which combine tantric breathing, visualization and movement with a combined half-century of BDSM experience - to create states of transcendence during solo and

partnered sexual and BDSM practice. As outrageously revolutionary as any sex book published in the last decade, *Radical Ecstasy* sets the stage for the new millennium in BDSM and sacred-sex practices - a "must" for any kink, tantra, pagan or sacred-sex practitioner. "Amazingly mindful exploration of that which cannot be easily put into words... the ecstatic experience from sex to sadomasochism, from trance to intuition to archetypes and spiritual awakening. Totally real and personal. Not a 'how to' but a nurturing 'can do' book." - Fakir Musafar, father of the modern primitive movement. "Progressive, deliciously

honest, and HOT HOT HOT! Dossie and Janet ask difficult questions about the nature of sex, intimacy and ecstasy, then they actually manage to answer the questions, plus turn us on when they do. These two erotically gifted women have a way with words - and sex. They raise the bar on erotic writing and sex education to new heights. I'm in awe." - Annie Sprinkle, Ph.D., prostitute/porn star turned sex guru/sexologist "Fascinating, heartfelt, honest, real stories of the heart/spirit/energy connection experienced in the passionate rituals of intimate consensual power play. These two courageous women write brilliantly of how erotic

energies connect us with the big love we all seek from the source." - Cleo Dubois, educator, ritualist, video producer/star

and mysteries of life and love. There are many books on Rumi and many translations of his works and yet most readers are unaware of how Rumi became a mystic. Shams, an Arabic word that means the sun, was the catalyst that converted the rather resolute and ascetic Rumi, the cleric and teacher, into Rumi, the passionate disciple of the religion of love. He was the agent of the propulsive mystical energy that transformed Rumi the reticent into Rumi the ecstatic poet. Rumi lovers, spiritual seekers, and devotees of the mystical path will meet this little book of wisdom and mystical secrets with enthusiasm. I shall not place you in my heart For you

may get hurt by its wounds. I won't keep you in my eyes For I may belittle you and expose you to the ridicule of common men. I will hide you inside my soul, not in my heart or in my eyes, so that you may become one with my breath.

**Finding Ecstasy** Apr 02 2020

Given the choice between chocolate or sex, Rebecca always chose chocolate. That is, until a series of transformational experiences caused her to let go of three decades of sexual repression and shame. A serendipitous encounter with a Brazilian man sets the stage for a six-year journey toward the discovery of a new sexual and spiritual truth and a love that comes full

circle. Set against the backdrop of Buenos Aires and London, with the soulful music of the blues intricately woven throughout the journey, this book is more than just a captivating love story. Healing sources of spiritual guidance accompany the joyful and romantic ride. Deeply intimate, insightful, and enriched with playful humor, this story invites readers to not only engage in the beauty of one woman's journey of self-discovery, but to embark on their own journey toward living life to the fullest and highest degree possible.

**Tantric Awakening** Apr 26 2022

The autobiography of an American Gen-X woman who immerses herself in the sexual mysteries of tantric yoga. • An

engaging insider's story that intimately portrays the details of the tantric sexual path from a young woman's point of view.

- Author is one of the few Americans to be initiated into the sacred cobra breath.
- Reveals not only the benefits but also the pitfalls, problems, and temptations of this path toward enlightenment.
- Includes meditations and exercises for beginning a tantric practice. Tantric Awakening discloses an epic experience of tantra that few have achieved, and even fewer would dare to attempt. This is the story of a 19-year-old girl, disillusioned by the questions that her religion and society fail to answer, who

courageously enters the sensuous rituals of tantric sex. In search of authentic knowledge, Brooks was admitted into secret societies where she learned firsthand the ways of the tradition from tantric adepts. Amid disapproval from family and friends, her body and spirit awoken to ecstatic levels of orgasmic pleasure that allow her to experience loving relationships, better health, and a deep sense of oneness with God. A personal and intimate portrait, Tantric Awakening is tastefully written to reveal not only the ecstatic power and spiritual benefits of tantra, but also the pitfalls, problems, and temptations of

this path toward enlightenment. With the inclusion of specific tantric sexual techniques the author shows how to use tantra to balance the spirit with the physical self in order to achieve personal empowerment, transforming fear and self-doubt into joy and self-confidence. Meditations, exercises, and important insights for beginning a tantric practice assist the reader who is inspired to bring a sense of the divine into daily life.

"Unbounded freedom and joy,

oneness with the divine . . . these experiences are more common than you know, and not far away." But even after achieving such realization—after the ecstasy—we are faced with the day—to-day task of translating that freedom into our imperfect lives. We are faced with the laundry. Drawing on the experiences and insights of leaders and practitioners within the Buddhist, Christian, Jewish, Hindu, and Sufi traditions, this book offers a uniquely intimate and honest understanding of how the modern spiritual journey unfolds—and how we can prepare our hearts for

awakening. Through moving personal stories and traditional tales, we learn how the enlightened heart navigates the real world of family relationships, emotional pain, earning a living, sickness, loss, and death. Filled with "the laughter of the wise," alive with compassion, *After the Ecstasy, the Laundry* is a gift to anyone who is seeking peace, wholeness, and inner happiness. It is sure to take its place next to *A Path with Heart* as a spiritual classic for our time.
