Four Screenplays Oct 04 2020 Yes, you can write a great screenplay. Let Syd Field show you how. "I based *Like Water for Chocolate* on what I learned in Syd's books. Before, I always felt structure imprisoned me, but what I learned was structure really freed me to focus on the story."—Laura Esquivel Technology is transforming the art and craft of screenwriting. How does the writer find new ways to tell a story with pictures, to create a truly outstanding film? Syd Field shows what works, why, and how in four extraordinary films: *Thelma & Louise*, *Terminator 2: Judgement Day*, *The Silence of the Lambs*, and *Dances with Wolves*. Learn how: Callie Khouri, in her first movie script, *Thelma & Louise*, rewrote the rules for good road movies and played against type to create a new American classic. James Cameron, writer/director of *Terminator 2: Judgement Day*, created a

sequel integrating spectacular special effects and a story line that transformed the Terminator, the quintessential killing machine, into a sympathetic character. This is how an action film is written. Ted Tally adapted Thomas Harris's chilling 350-page novel, *The Silence of the Lambs*, into a riveting 120-page script—a lesson in the art and craft of adapting novels into film. Michael Blake, author of *Dances with Wolves*, achieved every writer's dream as he translated his novel into an uncompromising film. Learn how he used transformation as a spiritual dynamic in this work of mythic sweep. Informative and utterly engrossing, *Four Screenplays* belongs in every writer's library, next to Syn Field's highly acclaimed companion volumes, *Screenplay*, *The Screenwriter's Workbook*, and *Selling a Screenplay*. “If I were writing screenplays . . . I would carry Syd Field around in my back pocket wherever I went.”—Steven Bochco, writer/producer/director, *L.A. Law*, *Hill Street Blues*

The Coffee Break Screenwriter Breaks the Rules Sep 27 2022 Pilar Alessandra's popular book, *The Coffee Break Screenwriter*, taught writers how to outline quickly, write efficiently, and rewrite creatively. It is the "go-to" book for getting one's story on the page. But now that same writer may be doing a final pass on a project, working with a producer, or coming up with a new project only to be hit with . . . RULES! Should the writer respond to this random list of do's and don'ts pertaining to structure, characters, dialogue, and formatting? Nope. Who says you have to follow the screenwriting rules? In this book Pilar reviews the rules writers assume they should follow, discusses why they're there in the first place, and then shows you ways to creatively break them! Rules evaluated include those addressing: storytelling devices like flashback and voiceover character rules such as empathy and backstory dialogue faux pas such as writing on the nose

structural issues such as nonlinear writing and act-break placement formatting sticking points involving emotion and visuals For every "rule" that's discussed, Pilar covers: 1. Why the rule exists. 2. Why writers should break the rule. 3. How writers can break the rule. 4. How breaking the rule can break bad (so break with care).

Make Your Script Sellable May 23 2022 Cara J. Russell is a prolific screenwriter with a background in journalism. Her movies can currently be seen on Netflix, Amazon Prime, Hallmark Channel, Hallmark Drama, Lifetime, UPtv, PixL TV, and more. As of this writing, she has 10 + screenplay projects in development with various producers and production companies. In addition to her screenwriting, Cara works as a Creative Development Executive for MPCA (Motion Picture Corporation of America), a film production company in Los Angeles that is a world-leading producer of Christmas and family-themed movies and television entertainment. As a Creative Development Executive, Cara has read and given extensive notes on hundreds of scripts. She works on the production side of film and TV projects for networks and streamers from the initial pitches through the shooting drafts. A large part of her job is working with writers and helping them get their scripts into sellable shape for buyers such as Netflix, Hallmark Channel, Hallmark Movies and Mysteries, Paramount, ABC, CBS, HBO Plus, NBC Peacock, Disney Plus, Lifetime, and many more. Working on

both sides of the table gives Cara a unique perspective. She found herself giving the same notes over and over again to new writers and decided to write a screenwriting book. The purpose of this book is to help screenwriters who already understand basic structure and story elements but their scripts need a lot more work to get them into sellable shape. Cara explains the notes that are commonly given to writers by Development Executives on their submitted scripts to help you identify and solve those issues before you submit your script to a production company or studio. Knowing the right people, people who are willing to read your spec and/or are looking to hire writers for open writing assignments, doesn't do you any good unless you can deliver a strong, professionally formatted, well-written, amazing script. You usually only get one shot to have your project read, and it is important to make sure your screenplay is in the best possible shape! Although glamorous, the entertainment industry is a business. In addition to understanding the elements of what makes a successful, sellable screenplay, it is equally important to have a basic understanding of the business side of the movie industry. This includes knowing how to pitch your project, handling notes meetings, and delivering subsequent revised and properly formatted drafts to the production company. The good news is that everyone in Hollywood is looking for an amazing script, and with streamers changing the game, there has never been a better time or opportunity for new writers to break into the industry and sell their screenplays. This is the book Cara would have wanted and needed when she was first starting out in her professional screenwriting career. Take it from someone who has been there, and works on both sides of this wonderful, maddening, exhilarating, creative industry, you can make your screenwriting dreams come true!
