Con y sin nostalgia Apr 10 2021 *Con y sin nostalgia reúne varios relatos, unidos por una temática ya familiar para los lectores asiduos a la obra de este gran autor uruguayo. La soledad, la comunicación, el amor, el desamor y el tiempo se unen a la preocupación por el exilio, la tortura, la solidaridad y la frustración. Con una clara actitud ética, pero sin dejar de lado el humor y la ironía, Benedetti saca a escena unos personajes que trascienden su origen geográfico para convertirse, gracias a una hábil alquimia literaria, en elementos universales de un mundo en conflicto.*

*Three Authors of Alienation* Dec 06 2020 *As a philosophical and social concept, alienation covers a broad range of mental states, both normal and abnormal. Correspondingly, a wide range of literary forms has been employed to deal with this important theme. In Three Authors of Alienation, an exploration of the literary expression of alienation, M. Ian Adams discusses the works of three contemporary Latin American authors. The fiction of María Luisa Bombal, Juan Carlos Onetti, and Alejo Carpentier reflects alienation, disgust with life, and a feeling of nothingness arising from the conditions of modern society. However, each author treats the theme differently. In La última niebla, María Luisa Bombal uses poetic imagery to create the emotional life of the protagonist. Juan Carlos Onetti portrays the schizoid extreme of alienation with a complex of symbols based on changes of vision caused by the mental states of his characters. In Los pasos perdidos, Alejo Carpentier presents the problem of the modern alienated artist who attempts to rid himself of his social alienation by changing times and cultures. In his close analysis of the works discussed, Adams considers each literary element in its context and also in terms of its relation to the larger artistic vision of the author. In addition, he places the works of the three authors in the greater perspective of modern social problems by discussing the concepts of social alienation proposed by Erich Fromm and Erich Kahler. His conclusion is that, although disgust with life and feelings of meaninglessness are at the heart of the experiences of the characters of all three authors, only in Alejo Carpentier's Los pasos perdidos are social conditions the major cause of alienation. In the works of Bombal and Onetti, alienation is a result not of social conditions, but of factors unique to the characters' personalities and circumstances. Three Authors of Alienation is a solid contribution to criticism of contemporary Latin American narrative. Adams's projection of a social problem into the realm of aesthetic experience yields intriguing interpretations of both the problem and the literature.*

*The Mathematics of the Uncertain* Mar 09 2021 *This book is a tribute to Professor Pedro Gil, who created the Department of Statistics, OR and TM at the University of Oviedo, and a former President of the Spanish Society of Statistics and OR (SEIO). In more than eighty original contributions, it illustrates the extent to which Mathematics can help manage uncertainty, a factor that is inherent to real life. Today it goes without saying that, in order to model experiments and systems and to analyze related outcomes and data, it is necessary to consider formal ideas and develop scientific approaches and techniques for dealing with uncertainty. Mathematics is crucial in this endeavor, as this book demonstrates. As Professor Pedro Gil highlighted twenty years ago, there are several well-known mathematical branches for this purpose, including Mathematics of chance (Probability and Statistics), Mathematics of communication (Information Theory), and Mathematics of imprecision (Fuzzy Sets Theory and others). These branches often intertwine, since different sources of uncertainty can coexist, and they are not exhaustive. While most of the papers presented here address the three aforementioned fields, some hail from other Mathematical disciplines such as Operations Research; others, in turn, put the spotlight on real-world studies and applications. The intended audience of this book is mainly statisticians, mathematicians and computer scientists, but practitioners in these areas will certainly also find the book a very interesting read.*

*Catalina y Catalina* Sep 22 2019 Sergio Ramírez narra con la maestría que ha hecho de él uno de los mejores cuentistas contemporáneos y que le ha llevado a ser el ganador del Premio Cervantes 2007. La vida continúa con nosotros, sin nosotros e incluso a pesar de nosotros. En esta colección de cuentos hay apariciones beisboleras, una cacería humana, hombres y mujeres infieles, un enigma urinario, una visita operística a los mitos mayas; hay personajes cuyos sentimientos oscilan entre la resignación y la lucha, el amor y la ira; y hay, sobre todo, búsqueda: de afecto, de identidad, de un destino. Catalina y Catalina ofrece una mirada amorosa a la compleja variedad de la existencia y sitúa al lector en pequeños mundos personales, algunos amables y otros sumamente crueles.

*Cuentos completos* Oct 16 2021 Edición revisada de todos los relatos de Benedetti, uno de los grandes cuentistas del siglo XX en español. Leer a Benedetti es emprender un viaje desde el reino de la imaginación que a diario se restaura y en donde el remitente es el corazón de uno mismo. En estos Cuentos completos encontramos historias de amor, de política, humorísticas e incluso trágicas, pero ante todo una serie de espejos donde es posible ver nuestra vida. Todos podemos reconocernos en sus personajes. El volumen incluye los relatos de los libros *Esta mañana*, *Montevideanos*, *La muerte y otras sorpresas*, *Con y sin nostalgia*, *Geografías* y *Despistes y franquezas*. Y, por primera vez, en esta edición se recogen los cuentos de *Buzón de tiempo* y *El porvenir de mi pasado*. La crítica ha dicho... «Estos Cuentos completos prueban que Mario Benedetti es uno de los grandes cuentistas de nuestra lengua y de nuestro siglo. En manos de Benedetti el cuento aparece como un género de una ductilidad y flexibilidad incomparables. Es el más antiguo y el más nuevo. En él todo se ha hecho y todo está por hacerse.» José Emilio Pacheco «La obra del gran poeta uruguayo se nos presenta no sólo como suma de una experiencia vital, sino, sobre todo, como la búsqueda persistente y lograda de un sentido, el del ser humano en el planeta, en el país, en la ciudad o en la aldea, en su casa simplemente o en la acción colectiva. Son muchas las razones que nos llevan a la lectura de Benedetti. Tal vez la principal sea ésta, precisamente: que el poeta se ha convertido en voz de su propio pueblo.» José Saramago «Un autor que nos habla de amor, de poder y de compromiso de la forma más directa y apasionada posible.» World Literature Today «Benedetti in italiano significa "benditos". Lo único que puedo decir es eso: benditos sean las mujeres y los hombres generosos y honestos, como él.» Eduardo Galeano

*El porvenir de mi pasado* Sep 15 2021 «Eso fui. Una suerte de botella echada al mar. Un niño que se prometía amanecer con torres de sol. O tal vez una primavera que avanzaba a destiempo.» En las páginas de este libro habitan inquietos fantasmas, se disparan revólveres y sueñan los sueños. Entre la tinta de sus letras se esconden la fantasía, el deseo y el dolor de personajes que oscilan entre la luz y la sombra, como una vela temblorosa. En sus palabras se paladea, agrídule, la ironía triste de la existencia. El argumento de *El porvenir de mi pasado* no es otro que la vida; la del niño que se descubre un hombre, la del anciano que sueña con volver a bailar, la de la amante que regresa para saldar viejos anhelos. Un exquisito compendio de relatos y poemas, escritos con maestría para lectores de todas las edades. Mario Benedetti, un luchador en las causas de la literatura y la libertad, vuelve a encandilar a todos sus acólitos en todo el mundo con cuentos que iluminan los sentimientos sin intermediarios.

*Springtime in a Broken Mirror* May 23 2022 Included in the New York Times' preview of 2019 international literature "A wise, lonely novel . . . [and an] honest reflection of exile." —The New Yorker In the tradition of Roberto Bolaño's *Savage Detectives*, a celebrated classic and heart-wrenching story of a family torn apart by the forces of history, by one of Latin America's most celebrated writers The late Mario Benedetti's work was often ranked with "such esteemed Latin American writers as Gabriel García Márquez, Carlos Fuentes and Julio Cortázar" (The Washington Post) and his novel *The Truce* has sold millions of copies around the world. His extraordinary novel *Springtime in a Broken Mirror* revolves around Santiago, a political prisoner in Uruguay, who was jailed after a brutal military coup that saw many of his comrades flee elsewhere. Santiago, feeling trapped, can do nothing but write letters to his family and try to stay sane. Far away, his nine-year-old daughter Beatrice wonders at the marvels of 1970s Buenos Aires, but her grandpa and mother—Santiago's beautiful, careworn wife, Graciela—struggle to adjust to a life in exile. Published now for the first time in English, *Springtime in a Broken Mirror* tells with tenderness and fury of the indelible imprint politics leaves on individual lives. Generous and unflinching, it asks whether the broken bonds of family and

history can ever truly be mended. Written by one of the masters of the Latin American novel, this is the story of a fractured continent, chronicled through the lives of a single family.

*Mario Benedetti* Mar 29 2020 El poeta es un artista de las palabras; experimenta y descubre el mundo que le rodea con el corazón. Después escribe novelas, cuentos, poemas, ensayos, en los que no importa tanto el paisaje como el ser humano. Su intención es sembrar dudas en el lector, lograr que se haga las preguntas pertinentes, ayudarle, en el fondo, a comprenderse. Con Mario Benedetti, el lector se convierte en protagonista y, sin darse cuenta, con cada línea, con cada poema, descubre un poco de sí mismo. Mario es inspiración, Mario nos hace pensar y nos hace un poco mejores con cada verso. Ésa es la razón de ser de un poeta.

*Witness* Mar 21 2022 "It gives me great pleasure to see the work of Benedetti, one of the great poets of our language, made available to US readers in Popkin's wonderful translations. Her carefully crafted adaptations of Mario's poems convey all the wisdom, nostalgia, and irony that inform his verses in language that retains their musicality. Anyone who has translated poetry will appreciate what an accomplishment that represents."—Claribel Alegria *Mario Benedetti (1920–2009)* is regarded as one of Latin America's most important twentieth-century writers and one of Uruguay's most revered writers of novels, short stories, poetry, plays, and essays.

*Gracias por el fuego / Thanks for the Fire* Apr 29 2020 Indispensable en la bibliografía de Benedetti, *Gracias por el fuego* es una novela que supera los tópicos, para inundar de vida y aprendizaje la experiencia del buen lector. Ramón Budiño quiere matar a su padre, quien representa lo peor de un país, Uruguay, y de una clase social que ha huido de su propia responsabilidad por el miedo a ser censurada. El peso del caudillismo en la vida cotidiana después de más de un siglo de independencia es para Ramón señal de que nada se ha renovado; de que todos siguen inmersos en una mentalidad política y social que impide tanto el desarrollo colectivo como el personal. La frustración por no poder matar a su padre a pesar de haber planeado concienzudamente su asesinato representa una fiel metáfora de la tela de araña en la que Ramón lleva atrapado durante años. ENGLISH DESCRIPTION Ramón Budiño wants to kill his father, a man who represents the worst of Uruguay: an entire social class that fled from their responsibilities fearing censure and condemnation. Even after a hundred years of independence, "caudillismo" prevails as a clear sign that nothing has changed. Ramón's minutely planned yet frustrated murder attempts are an accurate metaphor of the spider's web he's been trapped in for years. An essential volume in Benedetti's bibliography, *Gracias por el fuego* goes beyond the commonplace to create a true life and learning experience.

*La borra del café / Coffee Dregs* Sep 03 2020 Claudio retrocede hasta volver a ser un niño de cinco años y rescata del pasado las anécdotas, las personas y los acontecimientos históricos que marcaron su vida. La mirada de Benedetti se detiene en historias que llaman a la reflexión, y ofrece otras que todos podríamos reconocer como claves en la vida de un niño, de un adolescente o de un adulto: la desolación ante la muerte de la madre, el descubrimiento del amor, el acercamiento al sexo, la conciencia social, la experiencia del goce y la asunción del dolor. En suma, el paso que dejan los años y las personas a las que amamos, y que fundamenta nuestra trayectoria existencial. ENGLISH DESCRIPTION Claudio regresses to being a five-year-old boy and revives the anecdotes, people, and historical events that impacted his life. Benedetti's gaze falls on stories that require reflection and he offers others that we can recognize as key to the life of a child, adolescent or adult: desolation at the death of a mother, the discovery of love and sex, social consciousness, the experience of pleasure, and the bearing of pain. In short, the marks left by the years and the people we love that determine our existential existence.
