[The Terrorist Next Door](#) Oct 28 2019  
September 11, 2001, focused America's attention on the terrorist threat from abroad, but as the World Trade Center towers collapsed,

domestic right-wing hate groups were celebrating in the United States. "Hallelu-Yahweh! May the WAR be started! DEATH to His enemies, may the World Trade Center BURN TO THE GROUND!" announced August Kreis of the paramilitary group, the Posse Comitatus. "We can blame no others than ourselves for our problems due to the fact that we allow ...Satan's children, called jews (sic) today, to have dominion over our lives." The Terrorist Next Door reveals the men behind far right groups like the Posse Comitatus - Latin for "power of the county" -- and the ideas that inspired their

attempts to bring about a racist revolution in the United States. Timothy McVeigh was executed for killing 168 people when he bombed the Alfred P. Murrah Federal Building in 1995, but The Terrorist Next Door goes well beyond the destruction in Oklahoma City and takes readers deeper and more broadly inside the Posse and other groups that comprise the paramilitary right. From the emergence of white supremacist groups following the Civil War, through the segregationist violence of the civil rights era, the right-wing tax protest movement of the 1970s, the

farm crisis of the 1980s and the militia movement of the 1990s, the book details the roots of the radical right. It also tells the story of men like William Potter Gale, a retired Army officer and the founder of the Posse Comitatus whose hate-filled sermons and calls to armed insurrection have fueled generations of tax protesters, militiamen and other anti-government zealots since the 1960s. Written by Daniel Levitas, a national expert on the origins and activities of white supremacist and neo-Nazi groups, *The Terrorist Next Door* is painstakingly researched and includes rich detail

from official documents (including the FBI), private archives and confidential sources never before disclosed. In detailing these and other developments, *The Terrorist Next Door* will prove to be the most definitive history of the roots of the American militia movement and the rural radical right ever written.

Next Door: A Complete Summary! The Millionaire Next Door is a book about how to become rich written by Thomas J. Stanley and William D. Danko. In order to explain how to become rich, the authors use logical explanations based on research. According to a 20-year study of a group of 1,000 millionaires in the United States, the authors came to some fascinating conclusions. Although many Americans think that there are only a few ways to become rich, Stanley and Danko prove something different. Not only is there a chance for every person to become wealthier

than they currently are, but it is also much easier and more practical than most people think. In this summary, we will try to cover as much of what the authors say in their book as possible. After the summary, we will analyze the book and have a short quiz with answers available in the "quiz answers" section, which will be on the next page. The last part is the conclusion of the book, where we will review what we learned in the summary. Let's get started then. Join us in our adventure of discovery about whether it is possible for ordinary people to become wealthy - and how they can do it. Here Is A

**The Girl Next**

**Door** Dec 31 2019 From USA Today bestselling author, Jennifer Sucevic, comes a sexy, new standalone novel. Mia Stanbury is the quintessential girl next door. Smart, beautiful, and determined. She's got it all going on. Is it any wonder that she's been on my radar for as long as I can remember? We're talking middle school, folks. Fine, I'll admit that I've made a few boneheaded mistakes as far as she's concerned, but what can I say? I'm a dude. Sometimes I think with the wrong head. We'll just chalk it up to one of the hazards of having a Y chromosome and leave it at that. But

I'm older now. More mature. Sort of. Mia has spent all of high school and college keeping me at a distance. If she didn't melt in my arms every time I put my hands on her, I'd almost think she was immune to my charms. Turns out that's not the case. This is our last year at Wesley before we go our separate ways. Me to the NFL, her to law school. It's now or never. I'm done playing games and allowing her to push me away. I was her first and I'll damn well be her last. \*This is a mature New Adult novel with strong language and sexual situations intended for readers above the age of 18\*

### **Taken by the Alien Next Door**

Apr 14 2021 An undercover alien. A curvy human female he's desperate to claim. One month to make her his. Tabitha Mathews has never had much luck with men. Her past relationships only left her heart aching and her self-

esteem beaten down. But who needs them? She's doing just fine on her own. She has a booming home business, an adorable, mischievous dog, and she just became a first-time homeowner...right next door to the hottest man she's ever seen. Oh, did she mention that he happens to be an alien? An alien with dreamy, glowing eyes, wicked fangs and claws, and a tail. But she's not supposed to know that, and only finds out after her wonderfully considerate dog leaves a big, odorous gift in her neighbor's backyard—which promptly results in her being kidnapped. Now

she's tied to the alien's bed, because of course he's come to Earth in search of a mate—and he wants Tabitha to fill that role. More specifically, he wants her to carry his baby. Saying he's moving fast seems like a bit of an understatement. Is Tabitha willing to accept her alien abductor as a mate? Is she ready to be a mother? And he's generous enough to give her four whole weeks to decide. It's not like it's the biggest decision of her life or anything...right?

friendship found and tested is perfect for fans of *The Adventures of Beekle* In a big field, a boy has a tree house, and one day, he has a neighbor—a monster with a talent for silly dances and funny faces. The two become fast friends, even setting up a pulley line to pass notes between their tree houses. The boy knows just how to celebrate this invention—with music! But the monster's tuba music is loud. Really loud. WAY. TOO. LOUD. Before the boy can think, he hurls a water balloon at his neighbor to get him to stop. An epic water-balloon fight ensues, until the

boy—fed up, spent, done—cuts the pulley line. No more note-passing. No more monster. Can the boy and monster ever be friends again? Does the boy even want to? Maybe he just needs to see things from a new, unexpected perspective.
