Lord of the Dance Oct 01 2022 A classic tale by one of America's most beloved storytellers. High in the cold skies above China, Daniel Farrell flew alone, a spy pilot on secret surveillance. It was to be his last mission. . . . When the news of his loss was reported to his family, the rich and influential Farrells of Chicago, they mourned him and let the years bury what was too painful to face . . . until a granddaughter's innocent school assignment threatened to expose the family's hidden skeletons. The Farrells had worked their way up from poverty to become the owners of a Chicago construction empire. But behind the façade of piety and public service, the family hid a shocking private scandal. There was a reason they had never insisted on a full investigation of the disappearance of Danny Farrell. . . . With a

master storyteller's skill, Andrew M. Greeley disentangles the web of deception to reveal the souls of men and women ravaged by love and hate and the struggle for success. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Shanghai's Dancing World Jul 30 2022 "In this richly detailed exploration of Shanghai's night life, Andrew Field strips off glamorous clichés to weave together a complex and compelling tale of cabaret culture as a contested space of modernity caught in a constellation of unrelenting and contradictory social, economic and political forces." And to his delight, with just the power of his vivid imagination, and no written words, an amazing story begins to unfold. Right before his eyes. This playful tale about creativity will inspire budding authors everywhere to envision new ways to write stories of their own. With or without words!

The Kingdom of Sand Nov 21 2021 "[Holleran's] new novel is all the more affecting and engaging because the images of isolation and old age here are haunted . . . in 1978 Holleran wrote the quintessential novel about gay abandon, the sheer, careless pleasure of it: *Dancer From the Dance*. Now, at almost 80 years of age, he has produced a novel remarkable for its integrity, for its readiness to embrace difficult truths and for its complex way of paying homage to the passing of time." —Colm Toibin, *The New York Times*

Book Review "It's rare to find fiction that takes this kind of dying of the light as its subject and doesn't make its heroes feel either pathetic or polished with a gleam of false dignity . . . This sad, beautiful book captures the sensations Holleran's characters are chasing — as well as the darkness that inevitably comes for them, and us." —Mark Athitakis, *The Los Angeles Times*

One of the great appeals of Florida has always been the sense that the minute you get here you have permission to collapse. *The Kingdom of Sand* is a poignant tale of desire and dread—Andrew Holleran's first new book in sixteen years. The nameless narrator is a gay man who moved to Florida to look after his aging parents—during the height of the AIDS epidemic—and has found himself unable to leave after their deaths. With gallows humor, he chronicles the indignities of growing old in a small town. At the heart of the novel is the story of his friendship with Earl, whom he met cruising at the local boat ramp. For the last

twenty years, he has been visiting Earl to watch classic films together and critique the neighbors. Earl is the only person in town with whom he can truly be himself. Now Earl's health is failing, and our increasingly misanthropic narrator must contend with the fact that once Earl dies, he will be completely alone. He distracts himself with sexual encounters at the video porn store and visits to Walgreens. All the while, he shares reflections on illness and death that are at once funny and heartbreaking. Holleran's first novel, *Dancer from the Dance*, is widely regarded as a classic work of gay literature. Reviewers have described his subsequent books as beautiful, exhilarating, seductive, haunting, and bold. *The Kingdom of Sand* displays all of Holleran's considerable gifts; it's an elegy to sex and a stunningly honest exploration of loneliness and the endless need for human connection, especially as we count down our days.

Chronicle of a Plague, Revisited Apr 02 2020
Andrew Holleran's *Ground Zero*, first published

in 1988 and consisting of 23 Christopher Street essays from the earliest years of the AIDS crisis, was hailed by the *Washington Post* as "one of the best dispatches from the epidemic's height." Twenty years later, with HIV/AIDS long recognized as a global health challenge, Holleran both reiterates and freshly illuminates the devastation wreaked by AIDS, which has claimed the lives of 450,000 gay men as well as 22 million others. *Chronicle of a Plague, Revisited* features ten pieces never previously republished outside Christopher Street, as well as a new introduction keenly describing and evaluating a historical moment that still informs and defines today's world—particularly its community of homosexuals, which, arguably, is still recovering from the devastation of AIDS.

Dancer from the Dance Nov 02 2022
'Astonishingly beautiful... The best gay novel written by anyone of our generation' Harpers 'A life changing read for me. Describes a New York that has completely disappeared and for which I

longed - stuck in closed-on-Sunday's London' Rupert Everett Young, divinely beautiful and tired of living a lie, Anthony Malone trades life as a seemingly straight, small town lawyer for the disco-lit decadence of New York's 1970's gay scene. Joining an unbridled world of dance parties, saunas, deserted parks and orgies - at its centre Malone befriends the flamboyant queen, Sutherland, who takes this new arrival under his preened wing. But for Malone, the endless city nights and Fire Island days, are close to burning out. It is love that Malone is longing for, and soon he will have to set himself free. First published in 1978, *Dancer from the Dance* is widely considered the greatest, most exciting novel of the post-Stonewall generation. Told with wit, eroticism and unashamed lyricism, it remains a heart-breaking love letter to New York's hedonistic past, and a testament to the brilliance of our passions as they burn brightest. WITH AN INTRODUCTION BY ALAN HOLLINGHURST The perfect read for fans of

Turn Me to Gold Feb 10 2021 After authoring more than 30 books, Andrew Harvey, Rumi scholar, mystic, and founder of Sacred Activism, is releasing what may be his consummate work, *Turn Me to Gold: 108 Poems of Kabir*,

embellished with extraordinary photographs of India by Brett Hurd. "Unlike Rumi," writes Harvey, "Kabir is the tough, no-nonsense peasant ... the master of laser-like clarity, simplicity, directness, passion, and strength ... exactly what spiritual seekers need amid our devastating global crisis."

Mu Shiying Mar 02 2020 Shanghai's "Literary Comet" When the avant-garde writer Mu Shiying was assassinated in 1940, China lost one of its greatest modernist writers while Shanghai lost its most detailed chronicler of the city's Jazz-Age nightlife. Mu's highly original stream-of-consciousness approach to short story writing deserves to be re-examined and re-read. As Andrew Field argues, Mu advanced modern Chinese writing beyond the vernacular expression of May Fourth giants Lu Xun and Lao She to reveal even more starkly the alienation of a city trapped between the forces of civilization and barbarism in the 1930s. *Mu Shiying: China's Lost Modernist* includes translations of six short

stories, four of which have not appeared before in English. Each story focuses on Mu's key obsessions: the pleasurable yet anxiety-ridden social and sexual relationships in the modern city, and the decadent maelstrom of consumption and leisure epitomized by the dance hall and nightclub. In his introduction, Field situates Mu's work within the transnational and hedonistic environment of inter-war Shanghai, the city's entertainment economy, as well as his place within the wider arena of Jazz-Age literature from Berlin, Paris, Tokyo and New York. His dazzling chronicle of modern Shanghai gave rise to Chinese modernist literature. His meteoric career as a writer, a flâneur, and allegedly a double agent testifies to cosmopolitanism at its most flamboyant, brilliant and enigmatic. Andrew Field's translation is concise and lively, and his account of Mu Shiying's adventure in modern Shanghai is itself a fascinating story. This is a splendid book for anyone interested in the dynamics of Shanghai

modern." — David Der-wei Wang, Harvard University "Mu Shiying was one of China's pioneer modernists, and his stories are full of inventive touches, including his own experimental technique of stream-of-consciousness, that evoke the emergent splendour of urban decadence of Shanghai in the 1930s. This English translation of his most important stories edited and translated by an acknowledged historian of Shanghai culture is long overdue." — Leo Ou-fan Lee, author of *Shanghai Modern: The Flowering of a New Urban Culture in China: 1930–1945* "During his short, tumultuous life, Mu Shiying produced a small oeuvre of remarkable short stories that stand out in the wider context of modern Chinese literature. He captures the essence of the Shanghai jazz age with his racy, musical, and often fragmented prose, which blends a genuine excitement about the wonders of "the Paris of the East" with an at times sobering undertone of social critique. Unlike some of the more

explicitly left-wing writers of his time, Mu never relinquishes the medium for the message. He is first and foremost a writer of experimental, original work that even nowadays has lost nothing of its power. As a teacher of modern Chinese literature, I am delighted that this new translation has become available." —Michel Hockx, Director, SOAS China Institute [Renoir's Dancer](#) Jan 12 2021 Catherine Hewitt's richly told biography of Suzanne Valadon, the illegitimate daughter of a provincial linen maid who became famous as a model for the Impressionists and later as a painter in her own right. In the 1880s, Suzanne Valadon was considered the Impressionists' most beautiful model. But behind her captivating façade lay a closely-guarded secret. Suzanne was born into poverty in rural France, before her mother fled the provinces, taking her to Montmartre. There, as a teenager Suzanne began posing for—and having affairs with—some of the age's most renowned painters. Then Renoir caught her

indulging in a passion she had been trying to conceal: the model was herself a talented artist. Some found her vibrant still lifes and frank portraits as shocking as her bohemian lifestyle. At eighteen, she gave birth to an illegitimate child, future painter Maurice Utrillo. But her friends Toulouse-Lautrec and Degas could see her skill. Rebellious and opinionated, she refused to be confined by tradition or gender, and in 1894, her work was accepted to the Salon de la Société Nationale des Beaux-Arts, an extraordinary achievement for a working-class woman with no formal art training. Renoir's *Dancer* tells the remarkable tale of an ambitious, headstrong woman fighting to find a professional voice in a male-dominated world.

[In September, the Light Changes](#) Mar 14 2021 The author of the best-selling gay novel *Dancer from the Dance* presents a new collection of short stories--many never before published--that explores the lives of a variety of memorable characters as it deals with such themes as

travel, broken love affairs, failed dreams, and comedies of circumstance. Reprint.

Grief Jul 26 2019 Now in paperback, the universally acclaimed novel about loss and yearning *Reeling* from the recent death of his invalid mother, an exhausted, lonely professor comes to our nation's capital to escape his previous life. What he finds there -- in his handsome, solitary landlord; in the city's somber mood and sepulchral architecture; and in the strange and impassioned journals of Mary Todd Lincoln -- shows him unexpected truths about America and loss.

Out of the Shadows Aug 31 2022 A moving exploration of how gay men construct their identities, fight to be themselves, and live authentically It goes without saying that even today, it's not easy to be gay in America. While young gay men often come out more readily, even those from the most progressive of backgrounds still struggle with the legacy of early-life stigma and a deficit of self-acceptance,

which can fuel doubt, regret, and, at worst, self-loathing. And this is to say nothing of the ongoing trauma wrought by AIDS, which is all too often relegated to history. Drawing on his work as a clinical psychologist during and in the aftermath of the epidemic, Walt Odets reflects on what it means to survive and figure out a way to live in a new, uncompromising future, both for the men who endured the upheaval of those years and for the younger men who have come of age since then, at a time when an HIV epidemic is still ravaging the gay community, especially among the most marginalized. Through moving stories—of friends and patients, and his own—Odets considers how experiences early in life launch men on trajectories aimed at futures that are not authentically theirs. He writes to help reconstruct how we think about gay life by considering everything from the misleading idea of “the homosexual,” to the diversity and richness of gay relationships, to the historical role of stigma and shame and the

significance of youth and of aging. Crawling out from under the trauma of destructive early-life experience and the two epidemics, and into a century of shifting social values, provides an opportunity to explore possibilities rather than live with limitations imposed by others. Though it is drawn from decades of private practice, activism, and life in the gay community, Odets’s work achieves remarkable universality. At its core, *Out of the Shadows* is driven by his belief that it is time that we act based on who we are and not who others are or who they would want us to be. We—particularly the young—must construct our own paths through life. *Out of the Shadows* is a necessary, impassioned argument for how and why we must all take hold of our futures.

Dancing with Devtas: Drums, Power and Possession in the Music of Garhwal, North India

May 04 2020 In the Central Himalayan region of Garhwal, the gods (devtas) enjoy dancing. Musicians - whether ritual specialists or musical specialists - are therefore an indispensable part of most entertainment and religious events. In shamanistic ceremonies, their incantations, songs and drumming 'make'

the gods possess their mediums. In other contexts, such as dramatic theatrical renditions of stories of specific deities, actors 'dance' the role of their character having become possessed by the spirit of their character. Through the powerful sounds of their drumming, musicians cause the gods to dance. Music, and more particularly musical sound, is perceived in Garhwal as a powerful force. Andrew Alter examines music and musical practice in Garhwal from an analytical perspective that explores the nexus between musical sounds and performance events. He provides insight into performance practice, vocal techniques, notions of repertoire classification, instruments, ensembles, performance venues, and dance practice.

However, music is not viewed simply as a system of organized sounds such as drum strokes, pitch iterations or repertoire items. Rather, in Garhwal, the music is viewed as a system of knowledge and as a system of beliefs in which meaning and spirituality become articulated

through potent sound iterations. Alter makes a significant contribution to the discipline of ethnomusicology through a detailed documentation of musical practice in the context of ritual events. The book offers a traditionally thorough historical-ethnographic study of a region with the aim of integrating the local field-based case studies of musical practices within the broader Garhwali context. The work contains invaluable oral data, which has been carefully transliterated as well as translated. Alter blends a carefully detailed analysis of drumming in conjunction with the complex ritual and social contexts of this sophisticated and semantically rich musical practice.

Earth Dances Jul 18 2021 Minimalism, savagery, the raw and the cooked, the primal and the pre-verbal, Elvis's hips, The Rite of Spring . . . Earth Dances is an original investigation of how music and primitivism intersect - a dazzling journey through music and culture. With alternating chapters of criticism and interviews, including with Liza Lim and Brian Eno, composer and broadcaster Andrew Ford explores the relationship between primal forms of music and the most refined examples of the art - between passion and control. He looks at the voice, the drum, the drone and the dance, at 'music that is in touch with something

fundamental in our existence, music that seeks and rediscovers the earthy side of our nature, the primitive, the “simple, rude or rough”, and in doing so restores and resets our humanity’. “The perfect, knowledgeable, enthusiastic friend . . . I couldn’t put it down!” —David Robertson ‘Much has been made of the search for the lost chord. But chords are sophisticated structures. Earth Dances documents Andrew Ford’s intrepid quest for the lost thud, and the lost scream . . . Music can’t survive without primitivism. It is the bushfire clearing overgrown and cluttered musical landscapes, paring them to essentials. This results in fresh structures, materials and practices that lead us to the place we belong.’ —Brian Ritchie, Violent Femmes, MONA FOMA ‘Earth Dances is a vivid and rarely less than astute history of the debt modern music simultaneously owes to the inheritances of tradition, and the texture of dissonance.’ —Kill Your Darlings ‘Filled with insightful musical analysis made accessible for a general

audience.’ —Sydney Morning Herald [Grasshopper Jungle](#) Jan 30 2020 A 2015 Michael L. Printz Honor Book Winner of the 2014 Boston Globe-Horn Book Award for Fiction "Raunchy, bizarre, smart and compelling." --Rolling Stone “Grasshopper Jungle is simultaneously creepy and hilarious. Reminds me of Kurt Vonnegut’s in “Slaughterhouse Five,” in the best sense.” --New York Times Book Review In the small town of Ealing, Iowa, Austin and his best friend, Robby, have accidentally unleashed an unstoppable army. An army of horny, hungry, six-foot-tall praying mantises that only want to do two things. This is the truth. This is history. It’s the end of the world. And nobody knows anything about it. You know what I mean. Funny, intense, complex, and brave, Grasshopper Jungle brilliantly weaves together everything from testicle-dissolving genetically modified corn to the struggles of recession-era, small-town America in this groundbreaking coming-of-age stunner.

Moving Modernism Mar 26 2022 "Moving Modernism reenacts the simultaneous eruption of three spectacular revolutions, the development of pictorial abstraction, the first modern dance, and the birth of cinema, which together changed the artistic landscape of early-twentieth-century Europe and the future of modern art. Rather than a book about dancing pictures or about pictures of dancing, however, this study follows the chronology of the historical avant-garde to show how dance and pictures were engaged in a kindred exploration of the limits of art and perception that required the process of abstraction. Recovering performances, working methods, and circles of aesthetic influence and reception for avant-garde dance pioneers and experimental filmmakers from the turn of the century to the interwar period, *Moving Modernism* challenges to modernism's medium-specific frameworks by demonstrating the significant role played by the arts of motion in the historical avant-garde's

development of abstraction: from the turn-of-the-century dancer Loïe Fuller who awakened in symbolist artists the possibility of prolonged or suspended vision; to cubo-futurist and neo-symbolist artists who reached pure abstraction in tandem with the radical dance theory and performance of Valentine de Saint-Point; Sophie Taeuber's hybrid Dadaism between art and dance; to Akarova, a prolific choreographer linked to Belgian constructivism, whose pioneers called her dance "music architecture," "living geometry," and "pure plastics"; and finally to the dancing images of early cinematic abstraction from Edison and the Lumières to Hans Richter, Fernand Léger and Germaine Dulac. Each chapter reveals abstraction's emergence not only as a formal strategy but as an apparatus of creation, perception, and reception deployed across artistic media toward shared modernist goals. Focusing on abstraction's productive rather than reproductive value, Andrew argues that abstraction can be worked like a muscle, a

medium through which habits of reception and perception are broken and art's viewers engaged by the kinaesthetic sensation to move and be moved"--

Born a Crime Jun 24 2019 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image

Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he

was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Social Choreography Apr 26 2022 Through the concept of "social choreography" Andrew Hewitt demonstrates how choreography has served not only as metaphor for modernity but also as a structuring blueprint for thinking about and shaping modern social organization. Bringing dance history and critical theory together, he shows that ideology needs to be understood as something embodied and practiced, not just as an abstract form of consciousness. Linking dance and the aesthetics of everyday movement—such as walking, stumbling, and

laughter—to historical ideals of social order, he provides a powerful exposition of Marxist debates about the relation of ideology and aesthetics. Hewitt focuses on the period between the mid-nineteenth century and the early twentieth and considers dancers and social theorists in Germany, Britain, France, and the United States. Analyzing the arguments of writers including Friedrich Schiller, Theodor Adorno, Hans Brandenburg, Ernst Bloch, and Siegfried Kracauer, he reveals in their thinking about the movement of bodies a shift from an understanding of play as the condition of human freedom to one prioritizing labor as either the realization or alienation of embodied human potential. Whether considering understandings of the Charleston, Isadora Duncan, Nijinsky, or the famous British chorus line the Tiller Girls, Hewitt foregrounds gender as he uses dance and everyday movement to rethink the relationship of aesthetics and social order.

what she appears to be. He's got secrets of his own. But someone has to lead this dance. There is a story behind every face you walk by on the street, or that you bump into in life. But what about your own story? Dan never thought about himself as being different, and the world would agree with him. Just a regular nice guy who works in a regular nice job in London. His nice and normal London life in the hectic world of sales turns upside down when he meets the captivating Mary at a work event. Deep down he knew there was more to life than what he was doing. He had an inkling that things with him could maybe be a little different. That a life of drudgery wasn't what he'd signed up for. But there seems to be a lot more to Mary than meets the eye. And with her guidance and through their relationship, he learns things he never even knew about himself. But Mary is not the only one with a secret. As the dance speeds up, the games begin, and the stakes are raised. And

so begins the white knuckle dance of discovery, risk, and power. But can there really be a winner in that deadly dance of theirs?
