The Name Quest Apr 04 2020 An insightful journey through all the biblical names of God, Jesus Christ, and the Holy Spirit. Beginning in Babel and ending with a burning Babylon, "The Name Quest" explains the significance that the different names for God have for an everyday relationship with God and for spiritual growth. The names of God are like a rainbow--each name expresses part of the spectrum of the character and attributes of God. Along the way, the author tenderly answers tough questions: Which of the Hebrew names of God is His personal name--Yahweh or Jehovah? What does it mean to pray in Jesus' name? How can we relate to the Holy God and the Judge? Why is a God of love called the "Jealous God"? What does it mean to call Jesus the Messiah? "The Name Quest" mentions all the names of God in the Bible while explaining their significance in ordinary language. The author weaves together fifteen years of Bible study research with plentiful illustrations and humorous anecdotes. These include lessons learned as a pastor on a Caribbean island. A visit to a Welsh hill farm introduces a chapter about the Good Shepherd. The story of a Hungarian political prisoner illustrates the meaning of Immanuel (or is it Emmanuel?) A rescue from the slopes of an active volcano helps explain salvation and the meaning of Jesus' Hebrew name Yeshua. Even the clever advertisement on a packet of potato chips offers a lesson about how to grow in faith in God. Unlike chasing rainbows, the spiritual journey has an end. "The Name Quest" is a road map for every Christian's spiritual journey and it points to the destination--being formed into the image of Jesus Christ.

Understanding End Times Prophecy Feb 01 2020 Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

Shadow Warriors Sep 09 2020 An unconventional war requires unconventional men—the Special Forces. Green Berets • Navy SEALs • Rangers • Air Force Special Operations • PsyOps • Civil Affairs • and other special-mission units The first two Commanders books, Every Man a Tiger and Into the Storm, provided masterly blends of history, biography, you-are-there narrative, insight into the practice of leadership, and plain old-fashioned storytelling. Shadow Warriors is all of that and more, a book of uncommon timeliness, for, in the words of Lieutenant General Bill Yarborough, "there are itches that only Special Forces can scratch." Now, Carl Stiner—the second commander of SOCOM, the U.S. Special Operations Command—and Tom Clancy trace the transformation of the Special Forces from the small core of outsiders of the 1950s, through the cauldron of Vietnam, to the rebirth of the SF in the late 1980s and 1990s, and on into the new century as the bearer of the

largest, most mixed, and most complex set of missions in the U.S. military. These are the first-hand accounts of soldiers fighting outside the lines: counterterrorism, raids, hostage rescues, reconnaissance, counterinsurgency, and psychological operations—from Vietnam and Laos to Lebanon to Panama, to Saudi Arabia, Kuwait, and Iraq, to the new wars of today...

The Lion of God Jan 14 2021 John Wolff has been handed a once-in-a-lifetime opportunity. Again. He's already saved the love of his life from an early death - thirty years after she died. Now, a beautiful young woman, who is clearly his daughter, has appeared from the timeline branch where that same love of his life survived and married his counterpart. She says they need his help fighting off invaders from the far future. Who, by the way, are looking for him. Why? Because they want the starship drive he and a friend invented, the precursor to their time machine. Problem is, in her timeline, it hasn't been invented yet. What man can resist a cry for help from his own daughter? Particularly when the invaders think she's a saint. Or possibly, a devil wearing saint's clothing. And they're looking for her, too. Thus begins the Timelines Saga, and the story of the Lion of God.

Great Lion of God Dec 13 2020 New York Times Bestseller: A "beautifully written" and "truly outstanding" novel based on the life of Paul the Apostle (*The Cincinnati Enquirer*). Born a veritable great lion of God to a devout Jewish family, Saul of Tarsus is raised by his parents to embrace their love of humanity. But on the road to Damascus a vision of the resurrected Jesus changes the course of his life. Converting to Christianity, the newly christened Paul transforms from persecutor of blasphemers into apostle to the gentiles, becoming one of the supreme influences on the Catholic Church and the Western world. *Great Lion of God* paints a unique and very human portrait of Saint Paul, one of the most passionate, dauntless, and complex figures of early

Christianity--Pharisee, lawyer, theologian, and above all, a "man like ourselves with our own despairs, doubts, anxieties and angers and intolerances, and 'lusts of the flesh.'" The central novel in author Taylor Caldwell's biblical trilogy, which also includes *Dear and Glorious Physician* and *I, Judas*, *Great Lion of God* is both "sheer entertainment" and a moving tribute to the majesty and power of the Christian faith (Fort Worth Star-Telegram). King Lion Jan 02 2020 Something incredibly peculiar has just transpired in the world of super action heroes. Until now, they would usually fight against evil villains in the visible physical realm and they would typically obtain their supernatural strength through some bizarre happenstance. THE BATTLE IS SPIRITUAL and it is to be fought in the unseen realm of the spirit. This is how these five super action warriors roll and the way they obtained their supernatural strength was no mishap. From the beginning of time, these mighty warriors from the ancient Israeli tribe of Gad were destined to fulfill two great and timely plans. The first has been achieved. The second and final strategic plan was to commence in the year 2009 A.D. This is the appointed time and this is the chosen generation that will meet these mighty Gaddite warriors; better known as the Lions of Zion. The Lions of Zion are back to balance the books of justice. King Lion, who portrays God, is their overseer in this new and exciting Christian novel series. Even though these characters were fictionally created, you can be sure that their message isn't. The storyline is a present day prophetic word for the church, which is what makes the read so awesome. In 1993, God transitioned John Powers from being a specialist in the physical realm of fitness training to the nonphysical (soul and spirit). John had no expertise in this area, but through revelations and open visions, God trained and equipped him. John's passion is to use the prophetic calling that God has placed on his life to fitly frame the body of Christ and to restore unity back into the church. John lives with his wife Carol in Indianapolis, Indiana.

Mystery of the White Lions Mar 28 2022 This is Linda Tucker's firsthand account of her journey into the mysteries of the most sacred animal on the African continent: the legendary White Lion. This book reveals the knowledge and ceremonies of Old Africa and the overwhelming love that has driven her every action to save these magnificent beasts, against formidable odds...After being rescued from a life-threatening encounter with lions in the Timbavati game region by a medicine woman known as the "Lion Queen," Linda embarked on a journey into the mysteries of the White Lion. It is a mystical journey into the knowledge and ceremonies of Old Africa, in which humans and lions are able to cross the species barrier—in accordance with the most guarded secrets of Ancient Egypt and humankind's greatest riddle, the sphinx. Scientists in our day have established that humankind's most significant evolutionary leap occurred as a result of our ancestors' interaction with great cats. The White Lion is a genetic rarity of *Panthera leo*, and occurred in just one region on earth: Timbavati. Today White Lions form the center of the notorious "canned" trophy hunting industry—hand-reared captive lions, shot in enclosures for gross sums of money. By contrast, shamans believe that killing a "lion sun god" is the ultimate sacrilege. How the human species treats such precious symbols of God in nature may determine how nature treats the human species. Whether we view them as prophetic "Lions of God" or simply as rare genetic mutations, the story of the White Lions is a true legend unfolding in our own extraordinary times.

Walking With Lions Jun 06 2020 In at least one way, we're not that different: Every person on the planet longs to be fully known and deeply loved -- both, not one or the other. To be known but not loved makes us feel terribly exposed; to be loved but not known is superficial and unfulfilling. In this book, Jonathan Wiggins explains the heart of God for rich, strong, healing relationships. He teaches from a compelling biblical perspective, and each chapter is full of illustrative stories and practical suggestions. And Jonathan writes from experience. He has developed this kind of relationship on his staff team. They call themselves "lions" because they've found the courage to be honest and supportive as they work together to do great things for God's kingdom. The concepts in this book apply to staff teams, small groups, families, and friends. If you believe life change happens in relationships, this book is for you.

These are the kind of dreams that will make you a bigger person and the world a better place. Based upon 2 Samuel 23, *Chase the Lion* tells the true story of an ancient warrior named Benaiah who chased a lion into a pit on a snowy day—and then killed it. The Lion of Judah Feb 24 2022 If Jesus is a Jew, why is there a wedge between Christianity and Judaism? If Jews and Christians both believe in the same God, why is there such division? Why is history littered with deathly accounts of this division, from the early Jewish persecution of Christians to the Crusades' slaughtering of Jews? The Lion of Judah unpacks the roots of this division, showing how jealousy, theology, the law, and the integration of Gentile believers into what was once a predominantly Jewish early church contributed to the schism. It then goes on to reveal how Jesus magnificently fulfilled every word in the Bible. Readers will discover why the Lion of Judah is the rightful Lord and King of all people--Jews, Christians, Muslims, Buddhists, Sikhs, atheists, and the rest of creation. This book will help Christians understand the history of Christianity and Judaism, get into greater alignment with God's plan of redemption, be better equipped to share the gospel with Jewish people, and become more sensitive to and appreciative of their Hebraic heritage.

But on the road to Damascus a vision of the resurrected Jesus changes the course of his life. Converting to Christianity, the newly christened Paul transforms from persecutor of blasphemers into apostle to the gentiles, becoming one of the supreme influences on the Catholic Church and the Western world. Great Lion of God paints a unique and very human portrait of Saint Paul, one of the most passionate, dauntless, and complex figures of early Christianity—Pharisee, lawyer, theologian, and above all, a "man like ourselves with our own despairs, doubts, anxieties and angers and intolerances, and 'lusts of the flesh.'" The central novel in author Taylor Caldwell's biblical trilogy, which also includes Dear and Glorious Physician and I, Judas, Great Lion of God is both "sheer entertainment" and a moving tribute to the majesty and power of the Christian faith (Fort Worth Star-Telegram). This ebook features an illustrated biography of Taylor Caldwell including rare images from the author's estate.

Give Me Back My Wife ~ Lion of Judah, Son of God May 06 2020 Many things have competed for the attention of the Beloved of the Lord. Religion is ever waving its tentacles, trying to detain her. The Spirit of this age assaults her defenses with ever increasing ferocity. At times, it has seemed like her attention has been completely captured by inferior suitors. Now, God's patience is exhausted. And many can hear His Roar reverberating in the heavenlies. And it is not the sound of an approaching storm front... although it may be accompanied by one, both in the natural and spiritual realm! It's a demand, a shout of ownership that cannot be silenced. It is not a request, nor a gentle suggestion. It is the righteous demand of the Conqueror; the Lion of Judah Bridegroom King; Who comes to claim the one who is rightfully His. He doesn't beat around the bush or employ diplomatic negotiating strategies! The Bridegroom WILL have what He purchased with the Bridal Price of His precious Blood! And so, with a bone-rattling, earth-shattering roar, He bellows: "GIVE ME BACK MY WIFE!"
