Thirst Dec 25 2021 Out of sight of most Americans, global corporations like Nestlé, Suez, and Veolia are rapidly buying up our local watersources—lakes, streams, and springs—and taking control of public water services. In their drive to privatize and commodify water, they have manipulated and bought politicians, clinched backroom deals, and subverted the democratic process by trying to deny citizens a voice in fundamental decisions about their most essential public resource. The authors' PBS documentary Thirst showed how communities around the world are resisting the privatization and commodification of water. Thirst, the book, picks up where the documentary left off, revealing the emergence of controversial new water wars in the United States and

showing how communities here are fighting this battle, often against companies headquartered overseas. Read a review...<http://www.sfgate.com/cgi-bin/article.cgi?f=/c/a/2007/03/18/RVGS9OHPKT1.DTL>

Business Innovation and ICT Strategies

Oct 11 2020 This book investigates the real process of unleashing the power of Information and Communications Technology (ICT) through Open Innovation and strategic choices. It covers the most important aspects of ICT in a nutshell and details the road to the future through business innovation. ICT, of which telecom and IT constitute the core, is currently permeating and transforming every sphere of life, ranging from commerce, manufacturing, education and healthcare, to agriculture, banking, governance, media and entertainment. Today, telecommunication and ICT, in general, are essential to a country's economic development and competitiveness as recognized

both by the World Bank and the Asian Development Bank. Due to the powerful, disruptive and rapid forces unleashed by ICT tsunami, organisations not only struggle to harness the potential of ICT but can also be overwhelmed by the changes, complexity, competition and regulatory environment it brings up. This book provides a clue to organisations on how to sustain and succeed by leveraging ICT in absence of extensive in-house expertise across the breadth and depth of these areas. The driving theme of the book is about opening up organizational and business models, by presenting an integrated roadmap to a future with ICT, by co-opting, cooperating and competing with other organisations. Constructing the right strategy and building the necessary social capital for open innovation through collaboration with partners, government, academia and users (Quadruple Helix Model) are essential steps in such a process.

Jesus Unmasked Nov 04 2022

Jesus Christ is the most famous man in human history, but exactly who was He? Some say a fable; others think just one option among many good teachers, or even a nice guy who taught morals. Do any of these descriptions capture the totality of who He was? Jesus Unmasked goes directly to the

world's greatest expert on Jesus Christ, Jesus Himself. Who Jesus said He was and why He said it the way He did. What historical accounts and Biblical details reveal versus what we assume. Why 4000 years of history, prophecy and chronology force every human being to render their verdict about this one man. When you encounter Jesus Unmasked, you will not be ambivalent. Jesus gives us clarity and insight into the nature of God. Interact with what Jesus taught about Himself and draw your own conclusions to the world's most important question: "Who is the real Jesus?"

Skin Deep Oct 23 2021 'Perfect

summer read for those who like their escapism on the darker side' Ian Rankin The deliciously sinister new novel from the No 1 bestselling author of Richard and Judy Book Club pick, Lying in Wait' 'I could probably have been an actress. It is not difficult to pretend to be somebody else. Isn't that what I've been doing for most of my life?' Cordelia Russell has been living on the French Riviera for twenty-five years, passing herself off as an English socialite. But her luck, and the

kindness of strangers, have run out. The arrival of a visitor from her distant past shocks Cordelia. She reacts violently to the intrusion and flees her flat to spend a drunken night at a glittering party. As dawn breaks she stumbles home through the back streets. Even before she opens her door she can hear the flies buzzing. She did not expect the corpse inside to start decomposing quite so quickly . . . 'Bloody brilliant!' Denise Mina 'An extraordinary writer - Liz Nugent maps the human mind as a cartographer charts new worlds: She's boundlessly curious and totally unflinching' A.J. Finn 'The finest psychological thriller writer currently at work - no one gets under the skin of monstrous characters like she does' Tammy Cohen 'A wonderful feat of imagination, totally gripping, with a fascinating character at its heart' Sabine Durrant 'Dark, brutal and brilliant' Colette McBeth 'A triumph, from first page to last!' Sarah Hilary 'Monumentally good. Liz Nugent is a beautiful writer and among the very best storytellers in the world' Donal Ryan 'I loved, loved, loved Skin Deep - the compassion of it, the beauty of the language, how glamour and horror intersect, how the tension twists tighter and tighter and is brilliantly done' Marian Keyes 'Dazzling ... chilling, mesmerising and, ultimately, devastating. Pure storytelling genius' Mark Edwards 'Her darkest book yet - a compelling one-sitting read' Sinéad Crowley 'Utterly gripping, fast paced, and

featuring my favourite sociopathic female character since Lady Macbeth' Louise O'Neill 'Incredibly dark, twisting and utterly mesmerising - you will not be able to put this down' Sinéad Moriarty 'Pitch dark and thrillingly original' Jane Casey **Life** Aug 21 2021 **Something That May Shock and Discredit You** Jun 30 2022 Named one of the most anticipated books of the year by Entertainment Weekly, O, The Oprah Magazine, BuzzFeed, Electric Literature, Yahoo Lifestyle, and Bitch Media "A delightful hybrid of a book... You'll laugh, you'll cry, often both at once. Everyone should read this extraordinary book." —Kirkus Reviews (starred review) From the New York Times bestselling author of *Texts From Jane Eyre* and *Merry Spinster*, writer of Slate's "Dear Prudence" column, and cofounder of *The Toast* comes a hilarious and stirring collection of essays and cultural observations spanning pop culture—from the endearingly popular to the staggeringly obscure. Daniel Mallory Ortberg is known for blending genres, forms, and sources to develop fascinating new hybrids—from lyric rants to horror recipes to pornographic scripture. In his most personal work to date, he turns his attention to the essay, offering vigorous and laugh-out-loud funny accounts of both popular and highbrow culture while mixing in meditations on gender transition, family dynamics, and the many meanings of faith. From a thoughtful analysis of the

beauty of William Shatner to a sinister reimagining of HGTV's *House Hunters*, and featuring figures as varied as Anne of Green Gables, Columbo, Nora Ephron, Apollo, and the cast of *Mean Girls*, *Something That May Shock and Discredit You* is a hilarious and emotionally exhilarating compendium that combines personal history with cultural history to make you see yourself and those around you entirely anew. It further establishes Ortberg as one of the most innovative and engaging voices of his generation—and it may just change the way you think about Lord Byron forever.
