Is Mommy? Jul 20 2021 "In this ode to hardworking mommies everywhere, they may not always be fun or neat, but their toddlers love them no matter what"--
Victoria Wood May 18 2021 'One of the great British comedians and all-round entertainers of her generation' Guardian 'Bittersweet but scalpel sharp' Radio Times 'One of Britain's finest ever performers ... a sublime and unparalleled crafter of words' Independent

Victoria Wood's wit and humour endeared her to millions of TV viewers for over four decades. Writer, producer and actress of television shows such as *As Seen on TV* and *Dinnerladies*, Victoria was often voted the funniest woman in Britain. Her rise to stardom, from her early years in Lancashire to the successes of the sell-out shows at the Royal Albert Hall, is sympathetically and honestly portrayed by Neil Brandwood. This meticulously researched and written biography provides an insightful

account of the life and career of one of Britain's best-loved comediennees.

Victoria on Being a Mother Jun 30 2022 With enchanting photos, intimate stories, quotations, and personal remembrances, this charming, best-selling volume makes a Mother's Day gift Mom will treasure forever. Nothing equals the magical, spiritual, and sometimes mystical bond between mother and child--and this popular keepsake and gift book (100,000 sold in its first edition) celebrates that timeless love in poetry,

prose, photos, and art. Every page offers something of beauty, be it a vintage photograph, reproduction of a fine painting, (such as Mary Cassatt's "Maternal Caress"), or moving words by some of the world's best writers. Moms everywhere will enjoy recording their own personal thoughts on special lined pages, and poring through sections devoted to such subjects as Mother's Gifts, Children, Home, Legacy, Shared Moments, and Generations. Among the authors addressing the richness of motherhood: Eudora Welty, Margaret Atwood, Charles Dickens, Marcel Proust, Simone de Beauvoir, and more.

Victoria Feb 12 2021 Explores the life of Queen Victoria from her so-called "miserable childhood" to her early years of political inexperience, her publicly criticized marriage to Prince Albert, and the last decades of her rule as Empress of India.

Saving Each Other Sep 02 2022 On the surface, Victoria Jackson is the American Dream personified: from a troubled childhood and unfinished high school education, she overcame immeasurable odds to create a cosmetics empire valued at more than half a billion dollars. Married to Bill Guthy—self-made principal of infomercial marketing giant Guthy-Renker—Victoria's most treasured role is mother to three beautiful, beloved children, Evan, Ali, and Jackson. Suddenly, Victoria's dream life is broken as she begins to battle a mother's greatest fear. In 2008, her daughter, Ali, began experiencing unusual symptoms of

blurred vision and an ache in her eye. Ali's test results led to the diagnosis of Neuromyelitis Optica. NMO is a little understood, incurable, and often fatal autoimmune disease that can cause blindness, paralysis, and life-threatening seizures, and afflicts as few as 20,000 people in the world. At the age of 14, Ali was given a terrifying prognosis of four to six years to live. *Saving Each Other: A Mother Daughter Love Story* begins just as Victoria and Bill learn of Ali's disease, starting them on a powerful journey to save Ali, their only daughter, including bringing together a team of more than fifty of the world's leading experts in autoimmune and NMO-related diseases to create the Guthy-Jackson Charitable Foundation. Told in alternating viewpoints, Victoria and Ali narrate their very different journeys of coming to terms with the lack of control that neither mother nor daughter have over NMO, and their pioneering efforts and courage to take their fight to a global level. Bringing their story to light with raw emotion, humor, warmth, and refreshing candor, *Saving Each Other* is the extraordinary journey of a mother and daughter who demonstrate how the power of love can transcend our greatest fears, while at the same time battling to find a cure for the incurable.

Becoming Victoria Apr 16 2021 Part biography, part historical and cultural study, this richly illustrated volume uncovers in fascinating detail the childhood that Princess Victoria actually lived. Vallone shows readers a new Victoria--a

lively and passionate girl very different from the iconic, dour widow of the queen's later life. 50 illustrations, 15 in color.

Obit Oct 30 2019 After her mother died, poet Victoria Chang refused to write elegies. Rather, she distilled her grief during a feverish two weeks by writing scores of poetic obituaries for all she lost in the world. In *Obit*, Chang writes of "the way memory gets up after someone has died and starts walking." These poems reinvent the form of newspaper obituary to both name what has died ("civility," "language," "the future," "Mother's blue dress") and the cultural impact of death on the living. Whereas elegy attempts to immortalize the dead, an obituary expresses loss, and the love for the dead becomes a conduit for self-expression. In this unflinching and lyrical book, Chang meets her grief and creates a powerful testament for the living.

[For Victoria...](#) Nov 23 2021

The Private Life of Victoria Sep 21 2021 Now the second-longest-reigning monarch after Elizabeth II, Queen Victoria ruled at the height of Britain's power on the world stage and was a symbol of stability at home and abroad. Against this background of pomp and power, she was a passionate woman who led an often turbulent private life. Victoria was just eight months old when her father died and his paternal role was taken by her uncle Leopold of Saxe-Coburg and Sir John Conroy, an ally of her mother. The two of them sought to control Victoria and isolate her from others. This is the story of the Queen

of England who had to fight to forge her own way in the world, and who found true romance with Prince Albert only to have happiness snatched from her when he died of typhoid at the age of 42.

The Silence of Motherhood Dec 01 2019 When Dr. Victoria Jones is left alone in her normally chaotic house, temporarily abandoned by her sleepover-bound children, she finds herself almost deafened by the resounding silence. Victoria remembers silence ... vaguely. It has been years, of course, but she and silence used to be very close. Almost family, really. As a highly respected surgical oncologist, and someone who had chosen to have children on her own terms via donor insemination (rather than searching for some far-fetched ideal with which she couldn't be bothered), Victoria had grown accustomed to the happily chaotic cacophony that generally surrounded her. This newfound silence gets her to thinking—about the relationship between motherhood and silence, and how motherhood itself can be silenced in so many ways: some temporary and some permanent, some natural and expected, and some tragic and unavoidable. Inspired, she decides that it's time to reanimate her long-dead aspirations of writing a book. It would be funny and insightful, poignant and silly ... It would give a voice to other women like herself—women who lived their lives on their own terms, not needing a man or a partner to “complete” them, or their lives. It would be her story, and it would be awesome. Little did she

know that she was about to meet someone who might change that story, and her life, forever!
The Casque's Lark; or, Victoria, the Mother of the Camps Aug 01 2022 DigiCat Publishing presents to you this special edition of "The Casque's Lark; or, Victoria, the Mother of the Camps" by Eugène Sue. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Queen Victoria Jul 08 2020 Paula Bartley's Queen Victoria examines Victorian Britain from the perspective of the Queen. Victoria's personal and political actions are discussed in relation to contemporary shifts in Britain's society, politics and culture, examining to what extent they did - or did not - influence events throughout her reign. Drawing from contemporary sources, including Queen Victoria's own diaries, as well as the most recent scholarship, the book contextualises Victoria historically by placing her in the centre of an unparalleled period of innovation and reform, in which the social and political landscape of Britain, and its growing empire, was transformed. Balancing Victoria's private and public roles, it will examine the cultural paradox of the Queen's rule in relation to the changing role of women: she was a devoted

wife, prolific mother and obsessive widow, who was also Queen of a large Empire and Empress of India. Marrying cultural history, gender history and other histories 'from below' with high politics, war and diplomacy, this is a concise and accessible introduction to Queen Victoria's life for students of Victorian Britain and the British Empire.

Victoria Jan 02 2020 From New York Times bestselling author and creator/writer of the new Masterpiece/PBS drama Victoria, a glorious novel of the 18-year-old girl who became a great queen

When You and Your Mother Can't Be Friends May 30 2022 “A book of great value for every daughter and every mother; useful for sons, too.”—Benjamin Spock, M.D. From the Introduction: The goal of this book is to help readers achieve that separation so that they can either find a way to be friends with their mothers, or at least recognize and accept that their mothers did the best they could—even if it wasn't “good enough”—and to stop blaming them. Among the issues to be covered: • To understand how a daughter's attachment to her mother—more so than her relationship with her father—colors all her other relationships, and to analyze why it is more difficult for daughters than sons to separate from their mothers, as well as why daughters are more subject than sons to a mother's manipulation • To recognize the difference between a healthy and a destructive mother-daughter connection, and to define clearly the “bad mommy,” in order to

help readers who have trouble acknowledging their childhood losses to begin to comprehend them • To conjugate what I call the “Bad Mommy Taboo”—why our culture is more eager to protect the sanctity of maternity than it is to protect emotionally abused daughters • To describe the evolution of the “unpleasable” mother—in all likelihood, she was bereft of maternal love as a child—and to recognize the huge, and often poignant, stake she has in keeping her grown daughter dependent and off-balance • To illustrate the consequent controlling behavior—in some cases, cloaked in fragility or good intentions—of such mothers, which falls into general patterns, including: the Doormat, the Critic, the Smotherer, the Avenger, the Deserter • To understand that the daughter has a similar stake in either being a slave to or hating her mother—the two sides of her dependency and immaturity • To illustrate the responsive behavior—and survival mechanisms—of daughters, which is determined in part by such variables as birth rank, family history, and temperament, and which also falls into patterns, including: the Angel, the Superachiever, the Cipher, the Troublemaker, the Defector • To show how to redefine the mother-daughter relationship, so that each can learn to see and accept the other as she is today, appreciating each other's good qualities and not being snared by the bad • Finally, to demonstrate that a redefined relationship with one's mother—adult to adult—frees you from the past, whether that re

definition ultimately results in real friendship, affectionate truce, or divorce.

My Mother Was Never A Kid Apr 28 2022 I can't believe my mother was ever my age. I think she was born a mother.... Now that she's a teenager, Victoria Martin expects freedom, good times, and maybe even some understanding from her mother. But no such luck! She's still getting the same old lectures, the same old groundings, and the same old punishments. It's obvious her mother was never thirteen years old. Then one day, as she's on her way home to get the telling-off of her life, something very strange happens to Victoria. When she finally arrives in New York, the station looks completely different, as if she's slipped back through time. And then she meets Cici -- cool, outgoing Cici, the best friend a girl like Victoria could want. But Victoria can't help feeling like she's met her somewhere before....
Victoria & Violet Feb 01 2020 When Violet Parker is told she will be Queen Victoria's personal housemaid, she cannot believe her good fortune. She finally has the chance to escape her overbearing mother, a servant to the Duchess of Kent. Violet hopes to explore who she is and what the world has to offer without her mother's schemes overshadowing her every thought and action. Then she meets James Greene, assistant to the queen's chief political adviser, Lord Melbourne. From entirely different backgrounds and social class, Violet and James should have neither need nor desire to speak to one another, yet through

their service, their paths cross and their lives merge—as do their feelings. Only Victoria's court is not always the place for romance, but rather secrets, scandals, and conspiracies...
Queen Victoria's Archbishops of Canterbury Sep 29 2019 Six pen-portraits of the Archbishops of Canterbury during Queen Victoria's reign show how the Church of England and the Anglican Communion became what they are today.

Queen Victoria Nov 11 2020 Alphabetically arranged subject entries cover Queen Victoria's life and her sixty-three-year reign, the longest of any female monarch.

The Casque'S Lark; Or Victoria, The Mother Of The Camps Aug 21 2021 This book has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies of their original work and hence the text is clear and readable.

Victoria, Queen and Empress Dec 25 2021
The Casque's Lark Or Victoria the Mother of the Camps a Tale of the Frankish

Invasion of Gaul Jan 14 2021 This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

Nellie's Book Oct 23 2021 My mother was a very intelligent and forceful person, a natural writer, who, having left school at 14, put herself through college and university later in life after bringing up four children. I'd have been quite happy if she had gone to university earlier and not bothered bringing me up at all.

Queen Victoria's Mysterious Daughter May 06 2020 Intrigue, scandal, and secrets abound in this lush royal biography penned by the great-great-granddaughter of Charles Dickens.

Lettice & Victoria Jul 28 2019 Darkly funny and deeply insightful, this novel is not just a love story with a fanciful and flawed female protagonist, but a wonderful portrait of 1950s English society.

Welcome to Motherhood, Bitches: The Real Guide to Pregnancy, Birth and Beyond Jun 18 2021 The real guide to pregnancy, birth and beyond.

Victoria's Daughters Mar 16 2021 Explores the nineteenth-century world of a generation of royal women, the five daughters of Queen Victoria--Victoria, Alice, Helena, Louise, and Beatrice--and sheds light on their complex, frequently tragic, restricted lives. 10,000 first printing.

Whiteness and Trauma Mar 28 2022 This original and incisive study of the fiction of Jean Rhys, Jamaica Kincaid and Toni Morrison uses cutting edge cultural and literary theory to examine the "knotted" mother-daughter relations that form the thematic basis of the texts examined. Using both close reading and

contextualization, the analyses are focused through issues of race and contemporary theorizing of whiteness and trauma.

Remarkably eloquent, scholarly and thought-provoking, this book contributes strongly to the broad fields of literary criticism, feminist theory and whiteness studies.

You Can Be ... Victoria's Adventures Aug 28 2019 Victoria a first grader is asked what she wants to be when she grows up? Confused, she goes to mommy to seek answers but finds her mother providing suggestions. The mother shows Victoria different options for her to choose from. However, regardless of Victoria's choice mommy will love Victoria and support her every dream no matter the changes and difficulties it may bring.

Queen Victoria Sep 09 2020 The Queen of Great Britain and Ireland for 63 years, the mother of nine children and grandmother to 42, Queen Victoria's life was one of magnificent proportions. Victoria's childhood was difficult and lonely but from the time she took the throne aged just eighteen she blossomed into a powerful woman, both frivolous and formidable. Inside you will read about... □ An Unsentimental Marriage □ Race to Produce an Heir □ Finally an Adult and Finally a Queen □ V&A □ Die Shattenseite □ The Hungry Forties and Albert's Great Exhibition □ The Widow at Windsor And much more! In her later years, Victoria struggled to find balance between her wish to live a very private life as a widow and her duty to live the very public life of a Queen and later

Empress. The world Victoria was born into was a very different world to that which she left behind and her life story is an incredible journey from infant heir to matriarchal Queen and Empress.

The Last Princess Oct 11 2020 An engrossing biography of Queen Victoria's youngest daughter that focuses on her relationship with her willful mother--a powerful and insightful look into two women of significant importance and influence in world history. Beatrice was the last child born to Queen Victoria and Prince Albert. Her father died when she was four and Victoria came to depend on her youngest daughter absolutely, and also demanded from her complete submission. Victoria was not above laying it down regally even with her own children. Beatrice succumbed to her mother's obsessive love, so that by the time she was in her late teens she was her constant companion and running her mother's office, which meant that when Victoria died her daughter became literary executor, a role she conducted with Teutonic thoroughness. And although Victoria tried to prevent Beatrice even so much as thinking of love, her guard slipped when Beatrice met Prince Henry of Battenberg. Sadly, Beatrice inherited from her mother the hemophilia gene, which she passed on to two of her four sons and which her daughter Victoria Eugenia, in marrying Alfonso XIII of Spain, in turn passed on to the Spanish royal family. This new examination will restore her to her proper prominence--as Queen Victoria's second

consort.

The Sins of the Mother Jun 06 2020 NEW YORK TIMES BESTSELLER Every woman makes choices. And no one has made more difficult choices than Olivia Grayson. The enormously successful businesswoman missed out on much of her children's lives while she built her legendary home-furnishings empire. In Danielle Steel's character-rich new novel, Olivia faces the past, tries to balance the present, and makes amends where due, while still running her vastly successful business. **THE SINS OF THE MOTHER** As a way of making up to them for time lost, Olivia spends months every year planning a lavish holiday that everyone in her family will enjoy. This summer she has arranged a dream trip in the Mediterranean on a luxurious yacht, which she hopes will be the most memorable vacation of all. Her lavish gesture every year expresses her love for them, and regret at all the important times she missed during her children's younger years. Her younger daughter, Cassie, a hip London music producer, refuses the invitation altogether, as she does every year. Her older daughter, Liz, lives in her mother's shadow, with a terror of failure as she tries to recapture her dream of being a writer. And her sons, John and Phillip, work for Olivia, for better or worse, with wives who wish they didn't. In the splendor of the Riviera, this should be a summer to remember, with Olivia's children, grandchildren, and daughters-in-law on board. But as with any family gathering, there are

always surprises, and no matter how glamorous the setting things don't always turn out as ones hopes. Family dynamics are complicated, old disappointments die hard, and as forgiveness and surprising revelations enter into it, new bonds are formed, and the future takes on a brighter hue. And one by one, with life's irony, Olivia's children find themselves committing the same "sins" for which they blamed their mother for so many years. It is a summer of compassion, important lessons, and truth. **The Sins of the Mother** captures the many sides of family love: complex, challenging, funny, passionate, and hopefully enduring. Along the way, we are enthralled by an unforgettable heroine, a mother strong enough to take more than her fair share of the blame, wise enough to respect her children for who they really are, and forgiving enough to love them unconditionally. **BONUS:** This edition includes an excerpt from Danielle Steel's **Winners**. **Victoria's Voyage** Apr 04 2020 Victoria is on her own for the first time, away from her brother and sister. Her grandma is very sick and she has to travel far away from her home with her mother to help her. She is also returning to her birth city for the first time since as long as she can remember. Of course Victoria is sad that her grandmother is sick but she is happy to finally have time with her grandmother all to herself, without her brother and sister there. Also, it will be an adventure! Little does Victoria know that the vacation home her grandmother had rented is full of a mystery and

adventure all its own.

The Women Who Raised Me Jun 26 2019

Born as a ward of the state of Maine, the child of an unmarried Yankee blueblood mother and an unknown black father, Victoria Rowell beat the odds. **The Women Who Raised Me** is the remarkable story of her rise out of the foster care system to attain the American Dream—and of the unlikely series of women who lifted, motivated, and inspired her along the way. From Agatha Armstead—a black Bostonian who was Victoria's longest-term foster mother and first noticed her spark of creativity and talent—to Esther Brooks, a Paris-trained prima ballerina who would become her first mentor at the Cambridge School of Ballet—**The Women Who Raised Me** is a loving, vivid portrait of all the women who would help Victoria transition out of foster care and into New York City's wild worlds of ballet, acting, and adulthood. Though Victoria would go on to become an accomplished television and film star, she still carried the burden of loneliness and anxiety, particularly common to those "orphans of the living" who are never adopted. Vividly recalled and candidly told, her story is transfixing, redemptive, heartbreaking, and, ultimately, inspiring.

Nellie's Book Mar 04 2020 My mother was a very intelligent and forceful person, a natural writer, who, having left school at 14, put herself through college and university later in life after bringing up four children. I'd have been quite happy if she had gone to university earlier and

not bothered bringing me up at all. She didn't talk much about her early life, just the odd fascinating snippet, like my father leaving the scene of her wedding and heading back to his mother ...she was too busy for long conversations - she had mad cross hovering to do, and bonkers journeys in her Austin van, looking for bits of timber she could liberate from bomb sites, or bargains like the sack of shoe lasts that sat in our shed for thirty years. I hope you find this account of her early life interesting - most of it will be news to me!

Victoria Wood - Nellie Mape met Stanley Wood 'at about 4.30p.m.' on Boxing Day, 1937. She was 18, a steelworks progress-chaser who had dreams of romantic love. He was 25, an insurance claims inspector and part-time musician with ambitions to be a successful writer. Their union produced, four children, the youngest of whom is comic performer, writer actress, singer and producer Victoria Wood. Nellie died in 2001, but in the later years of her life she wrote a warm, and often funny, account of her childhood, growing up in Manchester between 1919 and 1933. This is it, affectionately known in the family as 'Nellie's Book', edited by her eldest son Chris and with a foreword by her youngest daughter Victoria.

God As Mother Oct 03 2022

Sins of the Mother Nov 04 2022 Have the sins of the mother come upon the daughter? Jasmine Larson Bush is finally living a drama-free life. She's left her lying, cheating, stealing stripper days behind and is standing by her

husband's side as the first lady of one of the largest churches in New York City. The Bushes have been blessed with the best of everything—including two lovely children. But just when Jasmine has committed her life completely to God, her daughter Jacqueline is kidnapped from a mall the day after Thanksgiving. The police and the church community join in the frantic search to find the four-year-old. As the days pass without any sign of her daughter, Jasmine begins to crack under the strain and turns to Brian Lewis, Jacqueline's biological father, for solace. Has Jasmine's past finally caught up to her? Will her daughter be found or will Jasmine pay the ultimate price?

Queen Victoria Feb 24 2022 Bestselling author and historian Lucy Worsley tracks a new course through Queen Victoria's life, examining how she transformed from dancing princess to the Widow of Windsor and became one of Britain's greatest monarchs along the way. Taking twenty-four significant days from Victoria's life, from her birth, her wedding, her coronation to her husband's death, and many more in between, allows us to see Victoria up close and personal, examining how she lived hour to hour. Published to coincide with the 200th anniversary of Queen Victoria's birth, this major new biography will celebrate Queen Victoria as a woman of her time, who lived an extraordinary life.

Victoria C. Woodhull: A Biographical

Sketch Aug 09 2020 This work gives incredible

accounts of the life of Victoria C. Woodhull. The American leader of the women's suffrage movement, Woodhull, ran for President of the United States in the 1872 election and was the first woman to do so. She was a revolutionary personality who advocated "free love," which meant the freedom to marry, divorce, and have children without social restriction or government involvement. Her life was full of incidents that somehow shaped the history of America. Through this work, the writer entertained the readers with many interesting events and unknown facts concerning the life of Woodhull.

Queen Victoria's Secrets Jan 26 2022 An unconventional figure in an age that excluded women from government, Victoria was accorded prominence unavailable to any male monarch. Yet as Adrienne Munich argues in this fascinating work, the originality of the solid, dour icon that was Victoria lay, paradoxically, in her very ordinariness. The first book to fully investigate the influence of this icon of British history, Queen Victoria's Secrets demonstrates the firm grasp the queen held on the cultural imagination of her country, exploring how Victoria created and maintained her royal authority. Gracefully weaving together feminist, anthropological, and postcolonial approaches, Munich searches out the myriad, often contradictory incarnations of the queen in the minds of her people. How did Victoria convincingly maintain her power for forty years after Prince Albert's death, never

giving up her identity as a grieving widow?
How did Victorian society's reverential
treatment of their queen conflate with the
monarch's plain, middle class public image?
These are some of the secrets Munich examines
in her richly detailed work. In demonstrating
the subtle but powerful ways in which Victoria

performed significant cultural work, Queen
Victoria's Secrets goes against the grain of
Victoria scholarship, which has tended to
overlook the queen's political and cultural
centrality. This stylish, accessible portrait will
be of great interest to those who are fascinated
by the myth-making and secrets of the Victorian
age.

Victoria the Queen Dec 13 2020 An account
of the life of the English monarch offers insight
into the passionate and sensuous aspects of her
character, placing her reign against a backdrop
of dynamic world events while sharing insights
into her relationship with Albert and her pivotal
role in building the British empire.
