[Thank You for My Service](#) Aug 07 2020 NEW YORK TIMES BESTSELLER • The unapologetic, laugh-your-ass-off military memoir both vets and civilians have been waiting for, from a five-tour Army Ranger turned YouTube phenomenon and zealous advocate for veterans Members of the military's special operations branches share a closely guarded secret: They love their jobs. They relish the opportunity to fight. They are thankful for it, even, and hopeful that maybe, possibly, they'll also get to kill a bunch of bad guys while they're at it. You don't necessarily need to thank them for their service—the pleasure is all theirs. In this hilarious and personal memoir, readers ride shotgun alongside former Army Ranger and private military contractor and current social media phenomenon Mat Best, into the action and its aftermath, both abroad and at home. From surviving a skin infection in the swampy armpit of America (aka Columbus, Georgia) to kicking down doors on the outskirts of Ramadi, from blowing up a truck full of enemy combatants to witnessing the effects of a suicide bombing right in front of your face, *Thank You for My Service* gives readers who love America and love the good guys fresh insight into what it's really like inside the minds of the men and women on the front lines. It's also a sobering yet steadying glimpse at life for veterans after the fighting stops, when the enemy becomes self-doubt or despair and you begin to wonder why anyone should be thanking you for anything, least of all your service. How do you keep going when something you love turns you into somebody you hate? For veterans and their friends and families, *Thank You for My Service* will offer comfort, in the form of a million laughs, and counsel, as a blueprint for what to do after the war ends and the real fight begins. And for civilians, this is the insider account of military life you won't find anywhere else, told with equal amounts of heart and balls. It's *Deadpool* meets *Captain America*, except one went to business school and one went to therapy, and it's anyone's guess which is which.

Red War Nov 21 2021 This instant #1 New York Times bestseller and "modern techno-thriller" (New York Journal of Books) follows covert operative Mitch Rapp in a terrifying race to stop Russia's gravely ill leader from starting a full-scale war with NATO. When Russian president Maxim Krupin discovers that he has inoperable brain cancer, he's determined to cling to power. His first task is to kill or imprison any countrymen threatening him. But when his illness becomes increasingly serious, he decides on a dramatic diversion—war with the West. Upon learning of Krupin's condition, CIA director Irene Kennedy understands that the US is facing an opponent who has nothing to lose. The only way to avoid a confrontation that could leave millions dead is to send Mitch Rapp to Russia under impossibly dangerous orders. With the Kremlin's entire security apparatus hunting him, he must find and kill a man many have deemed the most powerful in the world. The fate of the free world hangs in the balance in this "timely, explosive novel that shows yet again why Mitch Rapp is the best hero the thriller genre has to offer" (The Real Book Spy).

Apocalypse Nov 02 2022 A world-ending meteor. An invasion of monsters. A desperate fight for survival...

Alex Keener has lived all of his sixteen years in Bunker 108. He's walked the same metal halls, seen the same faces, has followed the same rules. All that changes when a viral outbreak forces him to flee the safety of his bunker. Outside, he discovers a barren world twisted by the impact of the meteor Ragnarok thirty years ago. Alone, he must wander a brutal landscape, where every breath is a fight for survival. Monsters haunt the planet's surface, and nothing of the old world remains. Can Alex survive this hellish wasteland, or will he become its newest victim?

Overtime Apr 02 2020 Overtime is about the politics of time, and specifically the amount of time that we spend labouring within capitalist society. It argues that reactivating the longstanding demand for shorter working hours should be central to any progressive trajectory in the years ahead. This book explains what a shorter working week means, as well as its history and its political implications. Will Stronge and Kyle Lewis examine the idea of reducing the time we all spend labouring for other on both a theoretical and political level, and offer an analysis rooted in the radical traditions from which the idea first emerged. Throughout, the reader is introduced to key theorists of work and working time alongside the relevant research regarding our contemporary 'crisis of work', to which the authors' proposal of a shorter working week responds.

Starsea Collection Aug 31 2022 The first three Starsea Cycle books at a discounted price - 1,000 + pages of epic space fantasy! A mage's fate is worse than death... Lucian dreams of a new life outside the cesspool of Earth. Unfortunately, his wish comes true when the government identifies him as a mage. No one knows why the mages are being born. No one knows why their powers lead to madness and death. The only solution is to train them at the Academies, for them to serve the League of Worlds that subjugated them fifty years ago. When Lucian is exiled from Earth, he must travel to the distant world of Volsung to receive training. During the long passage, he meets a mysterious mage. She prophesies he is marked by the Manifold, the reality that is the source of all magic. It is a destiny that requires him to master abilities he never imagined he possessed. Trouble is brewing in the galaxy. An ancient alien menace has awoken, somehow connected with the return of magic to the stars. Lucian faces a terrible choice. To accept his new reality as a mage. Or, to try and outrun destiny...

Can You Survive the Zombie Apocalypse? Dec 23 2021 Inside these pages lies unspeakable horror. Bloodsplattering, brain-impaling, flesh-devouring horror. You've probably read your fair share of zombie stories. But this time it's different. No longer can you sit idle as a bunch of fools make all the wrong moves. All hell is about to break loose—and YOU have a say in humanity's survival. You have choices to make. Moral dilemmas. Strategic decisions. Weapons. Vehicles. Will you be a hero? Or will you cover your own ass

at all costs? Can you withstand the coming hours, days, weeks, and months? Or will you die amidst the chaos and violence of a zombie uprising? Or, worst of all, will you become one of them?

Bluffs, The Jul 06 2020 At the bottom of the world, there is an island. It is a land of rugged wilderness, of ice and snow and blistering heat ... They say extinct tigers still roam there. They say other things roam, too. When a school group of teenage girls go missing in the remote wilderness of Tasmania's Great Western Tiers, the people of Limestone Creek are immediately on alert. Not long ago, six young girls went missing in the area of those dangerous bluffs, and the legends of 'the Hungry Man' still haunt locals to this day. Now, authorities can determine that the teacher, Eliza Ellis, was knocked unconscious, so someone on the mountain was up to foul play. Jordan Murphy, father of missing student Jasmine and the town's local dealer, instantly becomes prime suspect, but Detective Con Badenhorst knows that in a town this size - with corrupt cops, small-town politics, and a teenage YouTube sensation - anyone could be hiding something, and bluffing comes second nature. When a body is found, mauled, at the bottom of a cliff, suspicion turns to a wild animal - but that can't explain why she, like all victims past and present, was discovered barefoot, with her shoes found nearby, laces neatly tied. What happened up there on the bluffs? Somebody knows... unless the local legends are true...

Weaponized Aug 19 2021 A GLOBE-SPANNING, WRONG MAN THRILLER CO-WRITTEN BY THE SCREENWRITER OF THE #1 FILM SAFE HOUSE. Kyle West is a wanted man. Having fled the country to escape the false charges filed against himself and his former boss, billionaire government contractor Christopher Chandler, Kyle's hiding in Cambodia, living on borrowed time and finding more and more reasons to be paranoid. When a mysterious stranger named Julian Robinson walks into Kyle's favorite café and offers to swap passports with Kyle, Kyle can't believe his luck. Robinson looks so much like Kyle it's almost unreal, and seems in every way the yin to Kyle's yang--self-assured, charismatic and wealthy beyond measure. Traveling on business, Robinson needs Kyle's passport to get to Africa, where a lucrative deal awaits. Kyle needs Robinson's passport to safely flee Cambodia. The swap seems almost too good to be true. Unfortunately for Kyle, it is. This one decision plunges Kyle into a Pandora's Box of intrigue that threatens to swallow him whole. Suddenly he finds himself being pursued by Russian oligarchs, Chinese operatives, the CIA, and a beautiful woman trained to kill; because Robinson certainly isn't who he seemed. And time is running out for Kyle to discover who he is.

Enemy of the State Jan 12 2021 "In the world of black-op thrillers, Mitch Rapp continues to be among the best of the best" (Booklist, starred review), and he returns in the #1 New York Times bestselling series alone and targeted by a country that is supposed to be one of America's closest allies. After 9/11, the United States made one of the most secretive and dangerous deals in its history—the evidence against the powerful Saudis who coordinated the attack would be buried and in return, King Faisal would promise to keep the oil flowing and deal with the conspirators in his midst. But when the king's own nephew is discovered funding ISIS, the furious President gives Rapp his next mission: he must find out more about the high-level Saudis involved in the scheme and kill them. The catch? Rapp will get no support from the United States. Forced to make a decision that will change his life forever, Rapp quits the CIA and assembles a group of independent contractors to help him complete the mission. They've barely begun unraveling the connections between the Saudi government and ISIS when the brilliant new head of the intelligence directorate discovers their efforts. With Rapp getting too close, he threatens to go public with the details of the post-9/11 agreement between the two countries. Facing an international incident that could end his political career, the President orders America's intelligence agencies to join the Saudis' effort to hunt the former CIA man down. Rapp, supported only by a team of mercenaries with dubious allegiances, finds himself at the center of the most elaborate manhunt in history. With white-knuckled twists and turns leading to "an explosive climax" (Publishers Weekly), *Enemy of the State* is an unputdownable thrill ride that will keep you guessing until the final page.

American Sniper Jul 18 2021 The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster, Academy-Award nominated movie. "An amazingly detailed account of fighting in Iraq—a humanizing, brave story that's extremely readable." — PATRICIA CORNWELL, New York Times Book Review "Jaw-dropping...Undeniably riveting." — RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United

States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

The Wasteland Chronicles Feb 22 2022 The entire Wasteland Chronicles series - grab all seven books in a single, discounted package. Alex Keener has lived all of his sixteen years in Bunker 108. He's walked the same metal halls, seen the same faces, has followed the same rules. But all that changes the day he goes on his first recon into the post-apocalyptic Wasteland. Things go from bad to worse when the deadly xenovirus infiltrates the bunker. When what should be dead rises up to attack the living, Alex is forced to flee his lifelong home, never to return. Alone and without survival skills, he must fight for his life in a brutal landscape twisted by the impact of the meteor Ragnarok. Raiders, monsters, and deadly weather all threaten to end his life at a moment's notice. Can Alex survive this hellish wasteland, or will he become its newest victim?

The Wasteland Chronicles Collection: Books 1-3 Apr 26 2022 A discounted bundle of the first three Wasteland Chronicles books. A world-ending meteor. An invasion of monsters. A desperate fight for survival... Alex Keener has lived all of his sixteen years in Bunker 108. He's walked the same metal halls, seen the same faces, has followed the same rules. All that changes when a viral outbreak forces him to flee the safety of his bunker. Outside, he discovers a barren world twisted by the impact of the meteor Ragnarok thirty years ago. The Prophecy of the Seven Jun 28 2022 Long lost since the disappearance of Arian, The Prophecy of the Seven is the key to finding the rest of the Orbs of Starsea. It would secure Lucian's position as the true Chosen of the Manifold for good. The only problem? He doesn't know where in the Worlds it is. When he receives a mysterious vision, he drops everything to return to Volsung, the planet he'd hoped to never see again. Only there can he discover the prophecy's location. But it might already be too late. As the Swarmers ravage the League of Worlds, the old Starsea Mages are on the rise. Like the Mage War over fifty years ago, they dream of an empire and a new era for humanity where the mages rule over all...

The Xenoworld Saga Oct 01 2022 The complete Xenoworld Saga series - now available as a discounted e-book box set! Over 3,000 pages of thrilling post-apocalyptic fantasy set in The Wasteland Chronicles universe. Four hundred years after the Ragnarok War, the world will never be the same. Humanity never recovered from the impact of the meteor that unleashed the xenovirus. While the virus is no longer hostile to human life thanks to Alex Keener and his friends, there is strife between their Elekai descendants, the dragons, and those of pure human blood. As humanity fights amongst itself, an ancient evil awakens, plotting destruction. And at the center of it all stands Shanti Roshar, a young woman growing up in the slums of Colonia, capital of the Annaran Covenant. Her life forever changes the day she discovers she shares the blood of the Elekai, as well as their amazing connection to dragons. And that connection might be the world's only hope... The Xenoworld Saga is the sequel series to The Wasteland Chronicles, and completes the overall story.

Plagues upon the Earth Oct 09 2020 A sweeping germ's-eye view of history from human origins to global pandemics *Plagues upon the Earth* is a monumental history of humans and their germs. Weaving together a grand narrative of global history with insights from cutting-edge genetics, Kyle Harper explains why humanity's uniquely dangerous disease pool is rooted deep in our evolutionary past, and why its growth is accelerated by technological progress. He shows that the story of disease is entangled with the history of slavery, colonialism, and capitalism, and reveals the enduring effects of historical plagues in patterns of wealth, health, power, and inequality. He also tells the story of humanity's escape from infectious disease—a triumph that makes life as we know it possible, yet destabilizes the environment and fosters new

diseases. Panoramic in scope, *Plagues upon the Earth* traces the role of disease in the transition to farming, the spread of cities, the advance of transportation, and the stupendous increase in human population. Harper offers a new interpretation of humanity's path to control over infectious disease—one where rising evolutionary threats constantly push back against human progress, and where the devastating effects of modernization contribute to the great divergence between societies. The book reminds us that human health is globally interdependent—and inseparable from the well-being of the planet itself. Putting the COVID-19 pandemic in perspective, *Plagues upon the Earth* tells the story of how we got here as a species, and it may help us decide where we want to go.

The Good Kings Jun 04 2020 Written in the tradition of historians like Stacy Schiff and Amanda Foreman who find modern lessons in ancient history, this provocative narrative explores the lives of five remarkable pharaohs who ruled Egypt with absolute power, shining a new light on the country's 3,000-year empire and its meaning today.

Escaping the Giant Wave Mar 02 2020 The Worst Vacation Ever! Thirteen-year-old Kyle thought spending a vacation on the Oregon coast with his family would be great. He'd never flown before, and he'd never seen the Pacific Ocean. One evening Kyle is left in charge of his younger sister, BeeBee, while his parents attend an adults-only Salesman of the Year dinner on an elegant yacht. Then the earthquake comes -- starting a fire in their hotel! As Kyle and BeeBee fight their way out through smoke and flame, Kyle remembers the sign at the beach that said after an earthquake everyone should go uphill and inland, as far from the ocean as possible. Giant tsunami waves -- three or four stories high can ride in from the sea and engulf anyone who doesn't escape fast enough. Kyle and BeeBee flee uphill as a tsunami crashes over the beach, the hotel, and the town. The giant wave charges straight up the hillside and through the woods where the children are running for their lives. The perfect vacation has become a nightmare! Somehow Kyle and BeeBee have to outwit nature's fury and save themselves from tsunami terror.

Evolution May 04 2020 To stop the virus, enemies must become friends. After two months in Skyhome, Alex and the crew are rested and healed from their ordeal in Bunker One. But the war against the xenovirus is only beginning. They must leave the safety of the space station to gain the favor of Emperor Augustus of Nova Roma. But when disaster strikes outside the capital, the team must scramble to save one of their own. It's a fight that pits them against the Empire's finest. But even Nova Roma isn't immune to the xenovirus or its newest evolutions...

Weaponized Sep 19 2021 A globe-spanning, wrong man thriller co-written by the screenwriter of the #1 film *Safe House*. Kyle West is a wanted man. Having fled the country to escape the false charges filed against himself and his former boss, billionaire government contractor Christopher Chandler, Kyle's hiding in Cambodia, living on borrowed time and finding more and more reasons to be paranoid. When a mysterious stranger named Julian Robinson walks into Kyle's favorite café and offers to swap passports with Kyle, Kyle can't believe his luck. Robinson looks so much like Kyle it's almost unreal, and seems in every way the yin to Kyle's yang: self-assured, charismatic and wealthy beyond measure. Traveling on business, Robinson needs Kyle's passport to get to Africa, where a lucrative deal awaits. Kyle needs Robinson's passport to safely flee Cambodia. The swap seems almost too good to be true. Unfortunately for Kyle, it is. This one decision plunges Kyle into a Pandora's Box of intrigue that threatens to swallow him whole. Suddenly he finds himself being pursued by Russian oligarchs, Chinese operatives, the CIA, and a beautiful woman trained to kill -- all because Robinson certainly isn't who he seemed. And time is running out for Kyle to discover who he is.

American Gun Aug 26 2019 THE NEW YORK TIMES BESTSELLING FOLLOW-UP TO AMERICAN SNIPER Join Chris Kyle on a journey to discover "how 10 firearms changed United States history" (New York Times Book Review) Drawing on his legendary firearms knowledge and combat experience, U.S. Navy SEAL and #1 bestselling author of *American Sniper* Chris Kyle dramatically chronicles the story of America—from the Revolution to the present—through the lens of ten iconic guns and the remarkable heroes who used them to shape history: the American long rifle, Spencer repeater, Colt .45 revolver, Winchester 1873 rifle, Springfield M1903 rifle, M1911 pistol, Thompson submachine gun, M1 Garand, .38 Special police revolver, and the M16 rifle platform Kyle himself used. *American Gun* is a sweeping epic of bravery, adventure, invention, and sacrifice. Featuring a foreword and afterword by Taya Kyle and

illustrated with more than 100 photographs, this new paperback edition features a bonus chapter, "The Eleventh Gun," on shotguns, derringers, and the Browning M2 machine gun.

The Orb of Binding May 28 2022 Lucian has achieved the improbable with his acceptance into the prestigious Volsung Academy. Now, he must do something even more difficult: survive it. As a Novice, he must learn the fundamentals of magic while navigating Academy politics. Lucian must not only pass the grueling Trials, but survive other mages' mechanizations. But doing that is difficult when he's being left behind. But one day, Lucian makes a breakthrough that puts him on top. He's about to learn that being good is far more dangerous than being unexceptional. Expulsion is an ever-looming threat, and with it, Lucian risks losing the only place in the Worlds he can call home...

Swerve or Die May 16 2021 *A Wall Street Journal, Southern Indie, and Publishers Weekly Bestseller* Stock-car racing star, country singer, and sports broadcaster Kyle Petty shares his familial legacy, intertwined with NASCAR's founding and history, in *Swerve or Die*—written with Pulitzer Prize-winner Ellis Henican, the New York Times bestselling coauthor of *In the Blink of an Eye*. "Born into racing royalty. The only son of NASCAR's winningest driver ever. The grandson of one of the sport's true pioneers. The nephew of our very first Hall of Fame engine builder. It's quite a family to represent, and through it all, I've somehow managed to keep being Kyle." Kyle Petty won his very first stock-car race, the Daytona ARCA 200, in 1979 when he was eighteen. Hailed as a third-generation professional NASCAR racer, he became an instant celebrity in circles he had been around all his young life. Despite being the grandson and son of racing champions Lee Petty and Richard Petty, Kyle didn't inherit innate talent. Working in his family's North Carolina race shop from an early age, he learned all about car mechanics and maintenance long before he got behind the wheel. And although Kyle continued the family business, driving "Petty blue" colored cars emblazoned with his grandfather's #42—a number once used by Marty Robbins—his career took a different route than his forebears'. In *Swerve or Die: Life at My Speed in the First Family of NASCAR Racing*, Kyle chronicles his life on and off the racetrack, presenting his insider's perspective of growing up throughout the sport's popular rise in American culture. In between driving and running Petty Enterprises for thirty years, Kyle took some detours into country music, voiced Cal Weathers in Pixar's *Cars 3*, and started his annual motorcycle Kyle Petty Charity Ride Across America. And when his nineteen-year-old son Adam, a fourth-generation racing Petty, tragically lost his life on the track, Kyle founded Victory Junction, a camp for children with chronic and serious medical conditions in Adam's name—with help from Academy Award-winning actor and motorsports enthusiast Paul Newman. Filled with NASCAR history, stories of his family's careers, and anecdotes about some of stock-car racing's most famous drivers, Kyle's memoir also tackles the sport's evolution, discussing how welcoming diverse racers, improving car and track safety features, and integrating green technology will benefit NASCAR's competitors and fans in the future. Includes Photographs

How Not to Mess with a Millionaire Jan 24 2022 Interior decorator Zoe Ryan's life resembles a bad country song. Her boyfriend dumped her, her car died, and she was recently handed a pink slip. What's a girl to do? Leave everything behind for a bit....in Positano, Italy. And when she gets there, she finds a surprising extra—millionaire restaurateur Dante Sabbatini in the kitchen. In his underwear. Making coffee. It's suddenly not only hot outside, but exactly what is he doing inside, in her temporary kitchen? Dante's plan was to escape to his family's beach house for some quiet and privacy. What he didn't know was that his meddling, matchmaking nonna rented the entire house to a sexy stranger at the exact same time as his stay. It took him months to clear his schedule—there's no way he's leaving now. With both refusing to leave, Zoe and Dante agree to be temporary roomies, but secretly aim to try to drive the other out. He plays his music as loud as he wants and will wear as little clothing as possible, and she'll just go ahead and adopt that pig she fell in love with in town. But suddenly their game of one-upmanship takes a very sexy detour, and they can't believe what happens next.

The Fate of Rome Dec 31 2019 How devastating viruses, pandemics, and other natural catastrophes swept through the far-flung Roman Empire and helped to bring down one of the mightiest civilizations of the ancient world Here is the monumental retelling of one of the most consequential chapters of human history: the fall of the Roman Empire. *The Fate of Rome* is the first book to examine the catastrophic role that climate change and infectious diseases played in the collapse of Rome's power—a story of nature's

triumph over human ambition. Interweaving a grand historical narrative with cutting-edge climate science and genetic discoveries, Kyle Harper traces how the fate of Rome was decided not just by emperors, soldiers, and barbarians but also by volcanic eruptions, solar cycles, climate instability, and devastating viruses and bacteria. He takes readers from Rome's pinnacle in the second century, when the empire seemed an invincible superpower, to its unraveling by the seventh century, when Rome was politically fragmented and materially depleted. Harper describes how the Romans were resilient in the face of enormous environmental stress, until the besieged empire could no longer withstand the combined challenges of a "little ice age" and recurrent outbreaks of bubonic plague. A poignant reflection on humanity's intimate relationship with the environment, *The Fate of Rome* provides a sweeping account of how one of history's greatest civilizations encountered and endured, yet ultimately succumbed to the cumulative burden of nature's violence. The example of Rome is a timely reminder that climate change and germ evolution have shaped the world we inhabit—in ways that are surprising and profound.

[The Rifts of Psyche](#) Oct 21 2021 Lucian must do what no mage has ever done before: escape the Mad Moon. But between frayed mages, violent monsters, and the hostile environment, that may prove impossible. Wandering the brutal surface, every breath is a fight for survival. And things only get worse when Lucian receives visions from the so-called Sorceress-Queen of Psyche, whose Psionic Magic is second to none. Teaming up with a dedicated captain, a frayed mage, and a former Mage-Knight of Dara, Lucian sets off on a quest across Psyche. He needs a way off the moon for good. But the Sorceress-Queen has her own plans for him. And those plans will change everything...

[Where the Crawdads Sing \(Movie Tie-In\)](#) Sep 07 2020 NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

[Buffy the Vampire Slayer/Angel: Hellmouth](#) Nov 29 2019 Buffy and Angel meet for the first time - but are they friends or enemies? Joss Whedon's pop culture icons come together for their first ever comic book event to face the world-ending event hundreds of years in the making—the opening of the gates to the Hellmouth! BUFFY AND ANGEL MEET FOR THE FIRST TIME - BUT ARE THEY FRIENDS OR ENEMIES? Buffy and Angel meet face-to-face in the world-ending event hundreds of years in the making—the opening of the gates to the Hellmouth! Buffy and her Scooby Gang will have to muster all their strength as they deal with an open Hellmouth that threatens the lives of everyone they love in Sunnydale. Meanwhile, Angel, the vampire cursed with a soul, arrives in town to find his redemption by doing whatever it takes to close the Hellmouth...and no human, demon or Slayer will stand in his way. Writers Jordie Bellaire (*Buffy The Vampire Slayer*, *Redlands*) & Jeremy Lambert (*Doom Patrol*) and artist Eleonora Carlini (*Saban's Go Go Power Rangers*) brings Buffy and Angel face-to-face in the first ever comic book event featuring Joss Whedon's pop culture icons!

[The Mages of Starsea](#) Jul 30 2022 A mage's fate is worse than death... Lucian dreams of a new life outside the cesspool of Earth. Unfortunately, his wish comes true when the government identifies him as a mage. No one knows why the mages are being born. No one knows why their powers lead to madness and death in a terrifying disease known as "the fraying". The only solution is to quarantine the mages in academies. When Lucian is exiled from Earth, he must travel to the distant world of Volsung to receive training. During the long passage, he meets a mysterious mage. She prophesies Lucian is marked by the Manifold, the reality that is the source of all magic. It is a destiny that requires Lucian to master abilities he never

imagined he possessed. But that's the last thing Lucian wants. He faces a terrible choice. To accept his new reality as a mage. Or, to try and outrun destiny... [Covert Deception](#) Sep 27 2019 When Vivian Baylor finds out her husband, a U.S serviceman, was found brutally murdered, her normally stable life that she and her husband, Jesse Baylor, have made in the comforts of New Orleans, have been changed forever. Jesse's mysterious death has created a perilous labyrinth, putting Vivian's life in eminent, and constant danger. With no one to trust, Vivian begins to unearth secrets that those responsible for her husband's death believed were well hidden. She is thrust into a whirlwind of terror and fear unlike anything she could have ever imagined. With the hands of time failing her and danger around every corner, Vivian finds herself immersed in a cover-up so deceitful that she begins to believe that she may not make it out alive to expose the truth of this covert deception and bring her husband's killer to justice.

[Parliamentary Papers](#) Oct 28 2019

[Xenofall](#) Mar 26 2022 With the final battle looming, the fate of the humanity will be decided. Alex Keener, Elekim, will face down Askala, the dark Radaskim Xenomind. But as Askala unleashes her final fury, the road to Ragnarok can only be paved with grit...and lives. In this explosive conclusion to the *Wasteland Chronicles* series, Alex will rise to the mantle as Elekim...but will it be enough to defeat Askala?

[Katarina Ballerina](#) Mar 14 2021 With determination and help from her new friends, a ten-year-old New York City girl overcomes obstacles while pursuing her dream of becoming a prima ballerina.

[Fake](#) Feb 10 2021 The newest romance from New York Times bestselling, Audie Award winning author Kylie Scott! He walks the red carpet. She's more familiar with vacuuming one. When a scandal tarnishes the reputation of hot as hell A-lister, Patrick Walsh, he needs a reputation rescue, pronto. Enter waitress Norah Peers—a nobody who's average with a capital A. She's available, dependable, and has sworn off men for the rest of her natural born life. In other words: the perfect match for a no-strings fake romance. For the right amount of money, she can avoid waitressing and play the part of his dependable down-to-earth girlfriend. What she can't avoid—dammit—is the growing steam between them. But being hounded by the paparazzi and having her life dissected on social media is a panic attack in the making. And while Patrick might be a charming rogue on screen, in real life he's a six-foot-two confusing, gorgeous, brooding grump, who keeps her at a distance . . . but also makes her feel like this bond between them might be more than just an act. Being dumped on cue should be no big deal. Except being fake with Patrick is the realist relationship Norah has ever had. What's a girl to do, but flip the script, and ask for a re-match made in Hollywood? The newest romance from New York Times bestselling, Audie Award winning author Kylie Scott! He walks the red carpet. She's more familiar with vacuuming one. When a scandal tarnishes the reputation of hot as hell A-lister, Patrick Walsh, he needs a reputation rescue, pronto. Being dumped on cue should be no big deal. Except being fake with Patrick is the realist relationship Norah has ever had. What's a girl to do, but flip the script, and ask for a re-match made in Hollywood? "Fake kept me up late reading because I could not put this story down. I adored Patrick and Norah, the fun, the banter ... all the sweetness. Not to mention the heat! Kylie Scott delivers again!" -Carly Phillips, New York Times bestselling author "Kylie Scott has been one of my favorite authors for years. Her way with words, and her ability to make me fall in love with men I know I shouldn't but do, anyways has always been the recipe for
