Moving from a filthy brothel to a fine manor house, from the world of street fighters to the world of champions, *The Fair Fight* is a vivid, propulsive historical novel announcing the arrival of a dynamic new talent. Born in a brothel, Ruth doesn't expect much for herself beyond abuse. While her sister's beauty affords a certain degree of comfort, Ruth's harsh looks set her on a path of drudgery. That is until she meets pugilist patron George Dryer and discovers her true calling—fighting bare knuckles in the prize rings of Bristol. Manor-born Charlotte has a different cross to bear. Scarred by smallpox, stifled by her social and romantic options, and trapped in twisted power games with her wastrel brother, she is desperate for an escape. After a disastrous, life-changing fight sidelines Ruth, the two women meet, and it alters the perspectives of both of them. One Simple Act Sep 10 2020 Beloved #1 New York Times bestselling author Debbie Macomber shares inspirational and empowering true stories of what happens when we commit intentional acts of generosity. Master storyteller Debbie Macomber knows a secret. In a world that seems too often reticent and begrudging, Debbie has learned firsthand that living in a spirit of generosity yields unforeseen miracles. Lives can be changed in ways we never envisioned. Just as a young boy volunteered his fishes and loaves to Jesus in Galilee and saw his meager gift multiplied many times over to feed five thousand, we can live open-handed and stand amazed at what God accomplishes through simple acts of generosity. This moving blend of true stories and motivating messages delights and surprises us as we see for ourselves that giving the gifts of time, encouragement, hope, laughter, prayer, hospitality, service, and forgiveness often have a life-changing impact, not only on the recipient of such gifts, but on the giver as well. All it takes is one simple act. Macomber, through her masterful power of storytelling, calls us to live with an open heart, offering who we are and what we have to God, to use in the lives of others. When we do so with an eager sense of expectancy, lives—including our own—are changed in ways we couldn't have imagined.
