The Familiars Jun 18 2021 When Aldwyn, a young alley cat on the run, ducks into a mysterious pet shop, he doesn't expect his life to change. But that's exactly what happens when Jack, a young wizard, picks Aldwyn to be his magical familiar. Finally off the tough streets, Aldwyn thinks he's got it made. He just has to convince the other familiars—the know-it-all blue jay Skylar and the friendly tree frog Gilbert—that he's the telekinetic cat he claims to be. But when Jack and two other wizards in training are captured by a terrible evil, it will take all of Aldwyn's street smarts, a few good friends, and a nose for adventure to save the day!

Tunnels: #5 Spiral Sep 09 2020 The Styx have surfaced. If you thought the Limiters were nasty, think again. They've brought their females with them this time. And all that stands in their way are Will and his friends, and a rag-bag team of retired commandos. It's a smoking spiral of chaos and not everyone will survive.

Deeper (Tunnels #2) Aug 01 2022 Now in paperback, the New York Times Bestselling sequel to TUNNELS, with bonus materials and a sneak peek at the third book in the series!In TUNNELS, boy archaeologist Will Burrows went in search of his missing father--and discovered a sinister subterranean world. Now, wandering the dark, hot bowels beneath the Colony with his best friend, Chester, and his brother, Cal, Will stumbles across the Styx's dastardly plan to enslave all Topsoilers by poisoning them with a lethal toxin. Slowly he begins to piece together the plot. But how can Will save all those above from annihilation when his own life is at risk down below--and when his killer sister is still at large?

The Misfits Jul 08 2020 Kids who get called the worst names oftentimes find each other. That's how it was with us. Skeezie Tookis and Addie Carle and Joe Bunch and me. We call ourselves the Gang of Five, but there are only four of us. We do it to keep people on their toes. Make 'em wonder. Or maybe we do it because we figure that there's one more kid out there who's going to need a gang to be a part of. A misfit, like us. Skeezie, Addie, Joe, and Bobby -- they've been friends forever. They laugh together, have lunch together, and get together once a week at the Candy Kitchen to eat ice cream and talk about important issues. Life isn't always fair, but at least they have each other -- and all they really want to do is survive the seventh grade. That turns out to be more of a challenge than any of them had anticipated. Starting with Addie's refusal to say the Pledge of Allegiance and her insistence on creating a new political party to run for student council, the Gang of Five is in for the ride of their lives. Along the way they will learn about politics and popularity, love and loss, and what it means to be a misfit. After years of getting by, they are given the chance to stand up and be seen -- not as the one-

word jokes their classmates have tried to reduce them to, but as the full, complicated human beings they are just beginning to discover they truly are.

Story Thieves Mar 04 2020 This “clever opener likely to leave readers breathless both with laughter and anticipation” (Kirkus Reviews, starred review) is the first in the New York Times bestselling series from the author of the *Half Upon a Time* trilogy. Life is boring when you live in the real world, instead of starring in your own book series. Owen knows that better than anyone, what with the real world’s homework and chores. But everything changes the day Owen sees the impossible happen—his classmate Bethany climb out of a book in the library. It turns out Bethany’s half-fictional and has been searching every book she can find for her missing father, a fictional character. Bethany can’t let anyone else learn her secret, so Owen makes her a deal: All she has to do is take him into a book in Owen’s favorite Kiel Gnomonfoot series, and he’ll never say a word. Besides, visiting the book might help Bethany find her father. . . . Or it might just destroy the Kiel Gnomonfoot series, reveal Bethany’s secret to the entire world, and force Owen to live out Kiel Gnomonfoot’s final (very final) adventure.

The Manual of Aeronautics Feb 01 2020 A lavishly illustrated, full-color companion to Scott Westerfeld’s New York Times bestselling *Leviathan* trilogy. A must-have for any fan of Scott Westerfeld’s *Leviathan* trilogy, *The Manual of Aeronautics* is an illustrated guide to the inner workings of the Darwinist and Clanker powers. Loaded with detailed descriptions and elaborate, four-color illustrations of Darwinist beasties and Clanker walkers, weapons, transport, and uniforms, this manual highlights the international powers that Deryn and Alek encounter throughout their around-the-world adventures. This guide draws back the curtain and reveals the inner depths of Westerfeld’s fascinating alternative world.

The Roar Sep 29 2019 Twins Mika and Ellie live in a future behind a wall, safe from the plague animals that live beyond. Or so they've been told. When one of them disappears, and the other is caught in a sinister game, they begin to discover that their world is built on lies ...

Whatshisface Feb 24 2022 When 12-year-old Cooper Vega moves for the third time in five years, he receives a state-of-the-art smartphone to help him stay in touch with old friends. He’s had phones before, but this one is buggy and unpredictable. When a boy named Roderick Northrop communicates with him through the phone, Cooper realizes the phone isn’t buggy at all; the thing is haunted!

Closer May 30 2022 At the centre of the Earth, in a world that no-one knows exists, Will is in trouble. His enemy, the Styx, are on his tail, ready to pursue him to the ends of the world - any world. Death has never been closer... Meanwhile Drake - with help from the unlikeliest of allies - is preparing to fight the Styx from above. But will his daring plan lead him closer to victory - or into certain disaster? Praise for *Tunnels*: "It's well paced, exciting and - in places - frightening and bloody." Philip Ardagh, *Guardian* "Does it live up to the hype? Yes." *Daily Express*

Holism Sep 21 2021 *Holism: Possibilities and Problems* brings together leading contributors in a ground-breaking discussion of holism. The terms ‘holism’ and ‘holistic’ arouse strong emotional responses in contemporary culture, whether this be negative or positive, and the essays in this interdisciplinary collection probe, each in its own way, the possibilities and problems inherent in thinking holistically. Christian McMillan, Roderick Main and David Henderson bring together established academics and emerging scholars across subject areas and disciplinary approaches to reveal the multiplicity and complexity of issues involved in holism. Divided into four parts, the chapters determine key strands of thinking explicitly or implicitly underpinning contemporary holistic thought, including what ethical conclusions might most reasonably be drawn from such thought. Accessible and diverse, this extensive volume contains chapters from the perspective of history, ecology, psychotherapy, poetry, mythology, and an especially strong representation of continental philosophy and Jungian depth psychology. Due to its multi-disciplinary nature, the book represents an unparalleled discussion of the meanings and implications of holism. Written by an innovative and international calibre of contributors, this pioneering collection will be essential reading for practitioners in depth psychology and scholars of Jungian studies, as well as academics and students of philosophy, religious studies, spirituality, history and the history of ideas. The book is a rich resource for the enhancement of critical reflection among all those with an interest in holism.

Summerhouse Land Mar 28 2022 Time is running out for fourteen year-old Sam. He suffers from a rare inherited condition that caused terrible disfigurement to his great-grandfather and although it skipped the next two generations, it’s come back with a vengeance in him. Sam’s parents try to ensure he leads as normal a life as possible, but a normal life is difficult when your flesh and bones mutiny and bubble up into horrific growths, and pressure on your brain causes searing migraines. Then the very worst

happens, but all is not lost for Sam.

Tunnels Nov 04 2022 Fourteen-year-old Will doesn't think he has much in common with his family. Nothing, that is, except a strange passion for digging which he shares with his father. But one day, Will's dad mysteriously vanishes down a tunnel - part of London's vast, labyrinthine underground system. With his friend Chester, Will decides to investigate. But soon the boys find themselves deep in darkness, unearthing a terrifying secret which may cost them their lives... This riveting bestseller oozes the mysterious fascination of the underground and all its hideous possibilities. Creepy, tantalising and original, it's full of thrills to keep you burrowing in!

Hyacinth and the Secrets Beneath Nov 11 2020 The hilarious first book in a middle-grade fantasy trilogy about the magical rivers that run through the sewers of London and shape history in ways you'd never learn in school. Magic is real. History is a big, fat lie. Before Hyacinth Hayward moves from Illinois to London, she reads up on the city's history. Too bad for her. Because the books are wrong. The truth is, London was built on magical rivers, and all the major events in its past have been about people trying to control the magic. Hyacinth discovers this when her mom is kidnapped. In the chase to get her back, Hyacinth encounters a giant intelligent pig in a bathing suit, a boy with amnesia, an adorable tosher (whatever that is), a sarcastic old lady, and a very sketchy unicorn. Somehow Hyacinth has to figure out who to trust, so she can save her mom and, oh yeah, not cause a second Great Fire of London.

Tunnels: #3 Freefall Apr 04 2020 After Deeper, can the Tunnels adventure be any more dangerous? And where will it end? Will Burrows and his gang are far from finished as they free-fall down a subterranean pore. As they experience reduced gravity, the dark mysteries of the deep unfold and they discover a strange fungal shelf, which reveals not only artifacts from ancient civilisations, but also clues to a lost land at the end of the Earth.

Such a Pretty Girl Jan 26 2022 Meredith was promised nine years of safety, but they only gave her three. Her father, who was sent to prison for sexually abusing Meredith and other children in the small town, has been released early on good behaviour. He was supposed to be locked up until Meredith's eighteenth birthday, when she would be free of her abusive father and her delusional mother, who dwells on a fantasy that the three of them will be a happy family once more. But Meredith is only fifteen, and her father is out of prison... and her mother is bringing him home. And Meredith won't let him hurt her, or anyone else, ever again. No matter what the cost. Lyrical, suspenseful, and emotionally shattering, *SUCH A PRETTY GIRL* is the compelling story of one young woman's painful fight for survival - and her journey back to herself.

Lying Beneath Dec 13 2020 Underneath the city lies an advanced society, and its dark secrets could bury her alive. Ayla worries she'll be stuck waitressing for pennies until she dies. She longs for adventure, for something to save her from the paycheck-to-paycheck life she lives with her long-time boyfriend, Derek, who plays it safe and only half-tolerates her thirst for exploration. With her trusty camera in tow, she explores abandoned buildings, searching for something—anything—interesting. One night, an outing leads her to a mysterious trapdoor in the floor which leads to a futuristic society right beneath her feet. This is the adventure she's been looking for, but the people underground don't appreciate her intrusion and she quickly finds herself locked up and questioned. They think she's a spy, their questions are getting more intrusive, and Derek has no idea where she is. Ayla must find a way out of this underground world that's not at all the adventure she thought she wanted, or she may never see Derek again...

The Origins of the Cultural Revolution Aug 28 2019 The second volume in a trilogy which examines the politics, economics, culture and international relations of China from the mid-1950s to the mid-1960s, this volume tells the story of the Great Leap Forward -- Mao's utopian attempt to propel China economically and socially into the twenty-first century by mobilizing his nation's greatest asset: its disciplined, manpower. The effort produced economic disaster and political dissension, and helped to precipitate the Sino-Soviet split. Today's leaders point to it as the beginning of two decades of national trauma, which ended only after the death of Mao and the purge of the Gang of Four. Those leaders have recently authorized the release of a mass of new documentation in the form of political reminiscences, economic statistics, and leaders' speeches. This volume is the first scholarly work to use the new material comprehensively, weaving it into the narrative along with the contemporary record and the revelations published in Red Guard newspapers during the cultural revolution. The result is the most detailed account and analysis to date of what went wrong and why.

Post-School Education Apr 16 2021 First published in 1984, *Post-School Education* attempts to compare development of post-school education in America and England in nineteenth century. Divided into eight chapters, it discusses various important themes to showcase the extent to which England influenced America and differences between the two experiences.

Sundown Towns Aug 09 2020 "Powerful and important . . . an instant classic." —The Washington Post Book World The award-winning look at an ugly aspect of American racism by the bestselling author of *Lies My Teacher Told Me*, reissued with a new preface by the author In this groundbreaking work, sociologist James W. Loewen, author of

the classic bestseller *Lies My Teacher Told Me*, brings to light decades of hidden racial exclusion in America. In a provocative, sweeping analysis of American residential patterns, Loewen uncovers the thousands of "sundown towns"—almost exclusively white towns where it was an unspoken rule that blacks weren't welcome—that cropped up throughout the twentieth century, most of them located outside of the South. Written with Loewen's trademark honesty and thoroughness, *Sundown Towns* won the Gustavus Myers Outstanding Book Award, received starred reviews in *Publishers Weekly* and *Booklist*, and launched a nationwide online effort to track down and catalog sundown towns across America. In a new preface, Loewen puts this history in the context of current controversies around white supremacy and the Black Lives Matter movement. He revisits sundown towns and finds the number way down, but with notable exceptions in exclusive all-white suburbs such as Kenilworth, Illinois, which as of 2010 had not a single black household. And, although many former sundown towns are now integrated, they often face "second-generation sundown town issues," such as in Ferguson, Missouri, a former sundown town that is now majority black, but with a majority-white police force.

Sent Dec 01 2019 In this exciting sequel to *Found*, Jonah, Katherine, Alex and Chip are convinced by JB that they must travel back in time to 1483 to fix history by preventing a murderous plot against the young princes in order for disaster to be averted in the present day.

Minesweeper (Special Forces, Book 2) Aug 21 2021 "All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews for the World War II series Discover the secret missions behind America's greatest conflicts. Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters. But frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat. National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.
